SCOTT ACT FINE.—Wm. Fry, of Georgetown, was arrested on Monday and appeared before Police Magistrate Young on two charges of violation of the Scott Act. Fry pleaded guilty to both charges and was fined $100 and costs, which was paid.

LAMBS SOLD.—Mr. James Ford, of Trafalgar (near Drumquin), sold 120 yearling lambs to Mr. R. Pugsley, of Toronto, which were shipped on Saturday last from Streetsville. A number of Toronto buyers have been after this flock, and all agreed that they never saw a better lot of yearlings held by one farmer in the Province.

LAKE VS. BROTHERS.—The defendant in this suit, License Inspector Brothers, against whom a verdict was entered at the last sittings of the Division Court here for $60 damages, has applied for a new trial. He alleges that the jury that tried the case was composed exclusively of anti-Scott men, and that the verdict rendered by them was contrary to the weight of evidence.

REMOVED.—Mr. Charles Knees, proprietor of the Dominion Cordovan Tannery, removed his household goods on Tuesday to the fine new residence recently purchased by him on Carleton Street, Toronto. Mr. Knees's presence is required much more constantly at his salesrooms, at Toronto, than at the tannery, which he leaves to the efficient management of Mr. Con. Hoff.

MARE SOLD.—Mr. Finlay Chisholm refused to sell his 4-year-old Percheron mare at his recent sale of farm stock, &c., and on Monday last sold her to Mr. Wood Freeman, Freeman, for $225.00 cash. She weighed 1975 pounds on Monday morning, and is believed to be the heaviest mare of her age in the county. Mr. Chisholm's five horses were all sold to farmers in Nelson.

An 18x40 bevel mirror, with ornamented gilt and plush frame, to be given away every Saturday. See samples in the windows. Commence on Saturday, 26th. Still fourteen for the dozen at Wx. FARMER's, cor. King and McNab St., Hamilton. 40-1y.

DRUNKS.—A small boy, drunk and blasphemous and flourishing a black bottle, created some excitement in Milton on Monday, and on Monday night a prominent resident of the South Ward was disgusted and indignant when on hearing a noise at his front door and getting up to ascertain the cause, he found that his untimely caller was an unknown man, so paralyzed by shebeen whiskey that he was unable to give a coherent account of himself.

BURGLARY AT BURLINGTON.—Monday night the residence of Rev. Mr. Abraham, at Burlington, was entered by burglars and a gold watch and pocketbook stolen. The burglars effected an entrance through the cellar window. The watch was in Mr. Abraham's vest pocket in his bedroom, and the burglars must have entered the room while he was asleep. The burglary took place between 12 and 1 o'clock.—Spectator.

AS Mrs. A Flemming, of the Scotch Block, and another lady with a little girl were driving home from church on Sunday the horse took a backing up fit, backed the buggy into the ditch, and upset it with contents into a pool of water underneath. Not content with this, the animal continued its backwardness until it stood on top of the buggy. The parties were rescued from their dangerous condition unhurt.—Herald.

IT seems that a number of Acton youths have developed an extraordinary taste for marksmanship of late. Their favorite targets are windows and pumps, but a horse that was grazing in a field and a kitten which was basking on a doorstep afforded glorious sport not long ago, and the hides of the luckless animals were perforated in masterly style. The Free Press very properly calls for the suppression of the reckless shooting and the punishment of the shooters.

THE CUMMINSVILLE CALAMITY.—In the High Court of Justice the suit Mathews vs. Hamilton Powder Co. came up, Robinson, Q.C., and E. Martin, Q.C., for the defendants, appealed from the judgment of the Queen's Bench Division, refusing to disturb the verdict at the trial in favor of the plaintiff for $2,000 damages. Action by the representatives of a man who was killed in an explosion, owing to the negligence of the defendants. W. Nesbitt and Elliott (Milton), for plaintiffs, contra. Reserved.

IMPLEMENT WAREROOMS.—Mr. Finlay Chisholm having erected a large new building for warerooms east of Wallace's Hotel, Main Street, will in a few days have a full stock of Massey's Binders, Reapers, Mowers and Rakes, Wilkinson Plows and Horse Forks. Repairs will be kept on hand. He asks for a fair share of the farmers' patronage and extends an invitation to all to call and examine his implements before making a purchase. See advertisement in another column.

TO-MORROW being Good Friday, there will be divine service in Grace Church, Milton, in the morning at half-past 10 o'clock; in the evening at 7; and in St. Stephen's Church, Hornby, at 3 p. m. At each service a collection will be taken up in aid of the London Society for promoting christianity amongst the Jews. It is surely an offence against the religious sentiments of many in the community to hold the assizes on Good Friday, which is a public holiday intended not for secular, but for religious observances.—CON.

PHOTOGRAPHS.—By referring to the new advertisement of Mr. W. C. Adair it will be seen that he has returned to Milton and rented the photograph gallery formerly occupied by Mr. G. A. Hemstreet, from Mr. S. Dice. We will remind our readers that Mr. Adair was here a few years ago with Mr. Hemstreet, his new style of photographing then gave the best of satisfaction, and since that time he has been engaged in first-class galleries in Buffalo and Rochester. He will guarantee satisfaction and first-class work. Kindly give him a call.

H. M. S. PINAFORE.—The Holman Opera Company, one of the oldest and most popular organizations of this kind in America, will favor Milton with a visit this (Thursday) evening, and will produce Gilbert & Sullivan's greatest success, "H. M. S. Pinafore." The company includes the following artists: Miss Sallie Holman, prima donna; Miss Ollie Halford, mezzo soprano; Miss Rose Cameron, contralto; little Laura, the wonderful child vocalist; Miss Florence Lewis, elocutionist; Miss Evaline Young; Sig. Jules Cluzotti, tenor; Mr. J. T. Dalton, baritone; Dan Young, comedian; John Bradshaw, basso; G. Summers, Ern't Morgan and R. Hamilton Nichols, with Mrs. H. Holman, musical directress. This will be the entertainment of the season and should draw a crowded house. Admission 25cts.; reserved seats 35cts. Reserved seats can be had at Mr. J. H. McCollom's drug store.

FIRST-CLASS WORK

Having had over eleven years experience in the business, and during that time having worked in a number of the leading galleries in Canada, also in Rochester and Buffalo, N. GONE TO MONTANA.—A recent issue of the Billings, (Montana) Gazette contained the following, concerning an old-time Miltonian:

Chas. L. D. Haig, for many years on the staff of the St. Lewis Republican, and lately on the Post Despatch of that city, has accepted the position of local editor on the Butte Minor. Mr. Haig is not only thoroughly experienced in all details of newspaper work, but is also an able writer, and when he gets his bearings will take a front place among Montana journalists. The Miner is to be congratulated on securing the services of Mr. Haig.

SILVER MEDAL.—Mr. W. Burger, Jr., of Hornby, was one of the successful students at the spring examinations last week of the Veterinary College, in Toronto, being second on the list in competition with 80 students, and obtaining the silver medal in the junior class. Mr. W. H. Lindsay, of Hornby, standing third on the list for pathology. Mr. Neil McTaggart, of Nassagaweya, received his diploma on his final examination and we are informed that he intends to locate for the practice of his profession at Palmerston.

MINISTERIAL CHANGES.—Last week Rev. Robert Dobie, whose health we regret to say has been failing for some time past, handed in his resignation of the pastorate of St. Andrew's (Old Kirk) Presbyterian Church. A meeting of the congregation was held on Monday when Mr. Dobie's resignation was accepted and he was voted a retiring allowance of the amount of two years' salary. Mr. Dobie's resignation having led to a movement for a union of the congregations of Knox (Canada Presbyterian) and St. Andrew's churches, Rev. M. C. Cameron, pastor of the former and Boston Church, Esquesing, also resign, in order to facilitate the proposed union, which it is probable will be consummated.

SOMETHING TO INTEREST THE FARMERS—ENCOURAGE HOME MANUFACTURE.—As the time of year is now approaching that farmers will select their Machinery for the coming season, and as this is an age of improvement, advancement and Self Binders, it is quite reasonable and right that every farmer should make the *very best selection* he can. That is, to get a Machine *strong, light, durable* and *simple*, easy to handle and of good Material and Workmanship. We claim to have such Implements this year, and we solicit patronage for them. While inviting your inspection of these Implements—Binders, Reapers, Mowers etc., we beg to intimate that we are prepared to repair Machinery of any make on short notice and at reasonable prices. Hoping you will give us a trial and encourage home industry, Faithfully yours, JOHNSON, SON & CO., Milton, Ont.

### Campbellville.

It is probable that the proposed railway to connect Guelph with the C.P.R. will join that line at Campbellville.

Several new buildings are likely to be erected here this season.

An immense quantity of wood has been drawn to the lime kilns this winter.

The new firm of Messrs. Brown & Beattie are doing a rushing business.

Messrs. Elliott & Hunter are removing their saw-mill to Dundas Street, Nelson.

A number of farmers in this vicinity ship their milk to Toronto. They say it pays.

Work in the quarries will soon commence again.—SIGMA.

### NOT A BOOK AGENT.

Mr. H. Watson, Druggist, is not a book agent, but has the agency in Milton for Johnson's Tonic Bitters, which he can heartily recommend for any complaint to which a tonic medicine is applicable. This valuable medicine has been used with most astonishingly good results in cases of general debility, weakness, irregularities peculiar to females, extreme paleness, impoverishment of the blood, stomach and liver troubles, loss of appetite, and for that general worn out feeling that nearly every one is troubled with at some part of the year. Don't forget the name Johnson's Tonic Bitters 50c. and $1 per bottle at Watson's drug store.

### A Warning to Milton.

St. Paul Pioneer Press.

The recent burning of eighty or one hundred residences at Chautauqua, the great literary, scientific and religious center during the summer months, reflects severely upon the wise people who keep up the place. It appears that the Chautauquans have never made any provision against fire, and had no fire appearing of any description. Now that the cottages are burned, they will probably order half a dozen engines and overdo the matter.

The Militia Department is to be asked to form a city battalion for St. Thomas separate from the 25th Battalion.
