A HOMELY TALK.

You'll wonder why we talk of Dress Goods and Silks so much. The reason is that in these two departments of Dress Goods you, our patrons at a distance, are deeply interested. If you come to the city to do shopping chances are two to one there's a dress wanted; and for a dress you naturally come to the city. There only can you find a large assortment to choose from. Country stores may carry a very good stock, so far as they go, but they can't give you a choice. Their trade will not admit it. So of Silks, so of Dress Goods. When in the city you must have a care where you buy and what you buy. It will never do to rush into the first shop you come to and buy without further seeing. Better look around a little. It may save your railway fare, perhaps more. It may strike you a little presumptuous when after this gratis advice we supplement it by advising you to come to 12 James St. for Silks & Dress Goods. We will presume on no mock-modesty in the matter however. We want you to come; we want your trade, always providing you want our Goods. All is square and fair. We claim to carry the finest stock of Dress Goods and Silks, in all fashionable colors, shades, makes, weaves and designs, in Western Ontario. This we substantiate by what we show you. Just now we have nearly 1000 patterns of Dress Goods. Every color now fashionable. We can also say the same of Silks.

Our Gents' laced boots make the young fellows open their eyes—a fine, solid leather laced boot got up in tip top style, only $2.00. Our $2.50 and $3 boots will astonish you. For country wear we sell a heavy plow boot for $1.25, worth $1.50 Our long boots at $2 and $2.50 cannot be beaten. Everybody wanting Boots & Shoes should not fail to see our stock.
