# CtK to host Grade 8 info night

The Halton Catholic District School Board will host a Grade 8 Parent Information Night on Wednesday, Nov. 20, 6:30 p.m. at Christ the King Catholic Secondary School.

Parents and students will be provided with an opportunity to explore the various programs and options available to students who will commence secondary school in September, 2014.

"The start of high school is a milestone in a child's life, but it can also be a very anxious time, for both students, and their parents," says Paula

Dawson, Director of Education. "The Grade 8 Parent Information Nights are designed to provide parents and students with the information they need to help ease the transition to secondary school."

Parents and students who attend the Grade 8 Parent Information Nights, hosted by each of the Board's secondary schools, will receive an overview of the Grade 9 program, and will have an opportunity to meet staff members and take a tour of the secondary school.
