TWO SERVANT GIRLS WANTED.—Apply at the Wallace House.

DR. ROBERTSON, ex-M.P.P. for Halton, started yesterday for a trip to Scotland.

LARGEST stock of underwear in the trade, cheap, at Treble's, corner King and James streets, Hamilton.

REV. RURAL DEAN MACKENZIE left on Monday evening for Hamilton, where he is attending the Synod of the Anglican Diocese of Niagara.

WHILE Dr. C. Freeman, surgeon of the 20th Lorne Rifles, is absent at camp at Niagara his son, Dr. W. F. Freeman, of Walkerton, will take charge of his practice.

SCOTCH lamb's wool underwear imported direct, cheap, cheaper than ever at Treble's, corner King and James streets, Hamilton.

MR. JOHN DEWAR, Clerk of the Peace, has removed from the town hall to his fine new office on the second floor of the Dewar Block, corner of Main and Martin streets.

A GOOD CALL.—Rev. M. C. Cameron, late pastor of Knox church here, has received a call from Harriston where he is offered a salary of $1100 per annum and free manse.

TREBLE is doing an enormous trade in wool underwear this season. The reason is his prices are exceedingly low. —Corner King and James streets, Hamilton.

A meeting of the Farmers' Institute of the County of Halton will be held in the Town Hall, Milton, on Saturday, the 11th June. Subject—Reciprocity with the United States and Commercial Union. V. E. Fuller and others will address the meeting. Come one, come all.

No underwear in the trade wears like Treble's first class wool. Buy your woolen underwear at Treble's corner of King and James streets, Hamilton.

CONFIRMATION IN MILTON AND HORNBY. —Next Sunday, at Grace Church, Milton, there will be divine service at 8 a. m., consisting of Morning Prayer and Litany. Another service will be held at 11 a. m. when several persons will be confirmed by the Bishop of Niagara. At St. Stephen's Church, Hornby, divine service, with confirmation, will be held at 3 p. m. The Bishop will preach at Milton in the evening; service commencing at 7 o'clock.

You will save 30 per cent. by buying your wool underwear at Treble's. Largest stock, cheapest goods in the trade. Treble's, corner King and James streets, Hamilton.

MILITARY CAMP.—The military camp for this district will be at Niagara instead of at Toronto as was expected by some, and will commence on the 14th inst. Among the regiments that will put in their drill there will be 20th Lorne Rifles. Lieut.-Col. Allen, we learn, has imported from Scotland a quantity of new stores, Glengarries, tartan &c., and no doubt the Halton boys will present a creditable appearance when they cross the lake.

You can get a good heavy undershirt for 25 cents, better quality, all wool, 50 cents; Treble's famous O.K. shirt at 75 cents, the best in the trade. Call and examine our stock before purchasing elsewhere. Corner of King and James street, Hamilton.

A HORSE THIEF SENTENCED.—John Henry Bateman, the horse-thief followed by Messrs. Scott and Alexander from Milton to Paris and arrested there by Chief Constable Caines, of Brantford, was tried before Judge Jones last week, and sentenced to three years in the Penitentiary. There were four indictments against him, viz., horse-stealing, stealing a buggy, housebreaking and larceny. He is a very vicious individual.

WANTED.—500,000 lbs. of good, clean merchantable WOOL, for which the highest price in cash or trade will be given. We have a large stock, cheap, of yarns, blankets, flannels, cottonades, shirtings and general dry-goods, for which we shall be glad to trade for Wool or sell for cash.—MCLEOD, ANDERSON & Co., Georgetown, Ont. 48-8t

HORSES WANTED.—The officers of the Imperial army, who are in Canada to purchase cavalry for the Imperial services, will be at the Wallace House here, on June 15th, when they will be prepared to purchase suitable horses at good prices. The horses must be fit for riding purposes, stand not less than 15 hands 2 inches nor over 16 hands high; be no less than 4 or more than 7 years old; be sound in all respects, and may be brown, bay, chestnut or black in color. Farmers and others should make a note of the date, and be on hand with their horses.

For the first twenty-five large portraits as samples will be made a great reduction. They are the newest and most durable portraits now made. Bromide paintings. See them! Still fourteen for the dozen of cabinet photos. A mirror given away with our $3.50 and $4.00 styles. Every $3.00 paid in gets a ticket for the one given away Saturday evening. The last lucky number was 106. Wm. Farmer, 135 King St. West, corner Macnab.

ACCIDENT.—On Saturday as a son, about 12 years of age, of Mr. Ephraim Chapman, of Nassageweya, and a hired man were returning with an empty wagon after drawing a load of manure, and were descending a hill, the boards on which they were seated slipped forward, striking the horses and causing them to run away. Young Chapman was thrown to the ground and the skin and flesh of one of his legs from the knee nearly to the instep badly torn. Dr. Freeman was summoned and in order to draw the torn parts together had to put into them over twenty stitches.

The Guelph railroad projectors seem to have abandoned the idea of running the new line from that city to Schaw station on the Canadian Pacific road, and are endeavoring the make Campbellville the junction. This would give Guelph a more direct connection with Toronto, but would be a very bad thing for Hamilton. Schaw station is in a direct line between this city and Guelph, and if the road were built to that place, and subsequently continued to this city, as is proposed, it would be of much benefit to Hamilton, and would give Guelph direct connection with the American system of railways at Niagara river. Inasmuch as Guelph now has a direct line to Toronto, it is not important that she should have two. A road to Toronto, via Schaw station, would be quite as valuable to Guelph as a check upon the Grand Trunk, as it would be if it were to be built to Campbellville, and the Schaw line presents the additional advantage of direct connection with Hamilton and the American roads.—Spectator.

MANSEWOOD.—The Rev. W. H. Anderson, from Kansas, will preach in the U. P. Church, Mansewood, next Sabbath at 11 a. m. and 8 p. m. Communion at close of morning service.

Messrs. John Brain, Hornby, W. Y. Petitt, Oakville, Wm. Ayerst, Palermo, A. G. Heaven, Boyne, Charles Freeman, Nelson, and Edmond Weber, Burlington, are in attendance as lay delegates at the Synod of Niagara which opened on Tuesday.

AN OAKVILLE SENSATION.—A few weeks ago editor Orr, of the Star, made a declaration before the mayor that a certain slanderous contribution to the Star was left with him by Rev. D. E. Brownell, and in his belief was written by that gentleman whose penmanship he recognized in the manuscript. Last week Mr. Orr made a second declaration to the effect that he had received "convincing proof" that Mr. Brownell was not the writer. The people of Oakville are puzzled. They don't know which declaration to believe and they won't know until Mr. Brownell corroborates one or the other by a third one. Mr. Brownell ought to do this and put an end to the suspense.

A CONSISTENT BARLEY GROWER.—On Main Street the other day there was an interesting discussion on the subject of commercial union between Canada and the United States. One of those who took part in it was a Halton farmer who was strongly in favor of the scheme, and had evidently given it considerable study. He denounced the present tariff arrangement as having been designed to bolster up the manufacturer at the expense of the agriculturist and his chief grievance appeared to be the loss to the Canadian farmer through the duty on barley exported from Canada to the United States. He was a prominent Scott Act man, but the well known fact that the Canadian barley is imported into the United States for the breweries and is in demand because it makes better and brighter ale than that grown in Uncle Sam's dominions did not appear to trouble his conscience in the slightest.

Dr. Bright of Chatham is held on remand charged with causing the death of Ruth Harlow of Hamilton. The corner's jury implicated him in the crime.

At a special meeting of the Farmers' Insitute for the County of Ontario a resolution declaring in favor of the removal of all trade restrictions between Canada and the United States was carried unanimously.

Early Saturday morning the house of Rev. Mr. Koyle, Methodist minister at Paris, was stoned by a mob because, it is supposed, Mr. Koyle interests himself in the enforcement of the Scott Act.

Police Magistrate Noble's quarterly return in regard to Scott Act enforcement in Middlesex shows that during the past three months 124 informations were laid and heard, and 110 convictions secured. The total fines imposed amounted to $5,500.

Three young men, named Clifford G. Brader, John Isenor and Chas. Naugle, were arrested at Halifax, Saturday, on a charge of causing the death of Cyrus Slaughtor, a colored man, who was drowned in a lake at Preston last Sunday while trout fishing. The four were in a boat together, and according to the story of the three prisoners, he fell out and was downed. The arrests were made at the instance of Slaughter's wife, who made a sworn statement accusing the youths of having killed her husband.

The fifty-second session of the Orange Grand Lodge will open at Belleville on Tuesday next. The Grand Lodge has jurisdiction over all the Provinces of the Dominion, Newfoundland and the Bermudas. The number of primary Lodges is as follows:—Ontario, 895; Quebec, 65; New Brunswick, 74; Nova Scotia, 42; Prince Edward Island, 77; Manitoba, 62; British Columbia, 10; Newfoundland, 45; Bermuda, 6; total, 1,226, with a total membership of about 150,000.

'The Whistling Buoy,' by Charles Barnard, author of 'The Tone Masters,' 'The Soprano,' etc., is a story of absorbing interest and one of the most successful of late works of fiction. It appears complete in the June number of Lippincott's Magazine, which no doubt will be in, if anything, greater demand than usual in consequence. The number contains 'Heredity' (a poem), by Frederick Paterson; 'Some Records of Philip Bourke Marston,' Margaret F. Preston; 'The Philadelphia Wistonians,' Annie H. Whatton; 'The Exchanged Crusader,' Wm. Ashicourt; 'A Coin of Lesbos,' Sarah M. B. Piatt; 'Social Life at Cornell,' R. Spencer; 'A Physician's View of Exercise and Athletics,' J. William White, M. D.; 'The Lonely Czar,' Mary B. Dodge; 'Our Monthly Gossip' and 'Book-talk.' Price 25 cents; $3 per annum.

"They have a larger sale in my district, says a well known druggist, "than any other pills on the market, and give the best satisfaction for sick headache, biliousness, indigestion, etc., and when combined with Johnson's Tonic Bitters, Johnson's Tonic Liver Pills will perform what no other medicine has done before for suffering humanity." Pills 25 cents per bottle. Bitters 50 cents and $1 per bottle. Sold by H. Watson, druggist, Milton.

Notice to the Public.

NELSON, March 30, 1887.

As I told some parties last season that one of Charles Porter's young stallions was not sired by General Stanton, as he advertised him, and accused him of giving one of his colts a false pedigree, and as that report got circulated through the county, I here state that I have since made enquiry and find that I was mistaken. Their breeding is correct. They are bred as he advertised, and they are without doubt full brothers, being both sired by General Stanton.
