REMEMBER that the largest Dominion Day celebration in the county will be held at Milton. Two baseball matches, cricket match and lacrosse match and other games, for which $100 is offered in prizes. A grand benefit concert will be given in the evening.

CONVICTION LIST.—John Dewar, Esq., Clerk of the Peace, publishes the conviction list for the past quarter. On looking over it we find that there are a number of cases that has been tried by magistrates, of which no returns have been made to the Clerk of the Peace.

DR. HALL, late of the New York Eye and Ear Infirmary, and Post-Graduate Medical School, will be at Lindsay's Hotel, Hornby, from 1 to 6 p. m. on Tuesday, June 28th, for treatment of all diseases of eye, ear, nose and throat. Cross-eye and cataract painlessly cured.

HORSE-BUYERS.—Col. Ravenhill, of England, with Mr. John Hendrie, of Hamilton, was in town on Wednesday last for the purpose of buying saddle horses for the English army. No purchase was made. They wanted saddle horses sired by a thoroughbred stallion and could not get them.

DRUNK AND DISORDERLY.—John Rutledge was arrested on Tuesday evening for being drunk, disorderly and using profane language on the streets in Milton by Constable Dent and lodged in goal. On Wednesday morning he was brought before the Mayor when he was fined $10.00 and $3.50 costs.

THE steamer Queen City conveyed a monster excursion to Dr. Wild's farm, Bronte, on Saturday. The excursion was organized in honor of the ministers of the Congregational Union, then in session in the Bond Street church. The farmers of Bronte earned the gratitude of the excursionists by conveying them to and from the station.—Star.

S. P. MAY, Esquire, superintendent of Mechanics' Institute, will present the diplomas and medals awarded to members of the drawing class in connection with the Milton Mechanics' Institute, and to the Milton Public School by the Royal Commission at the recent colonial Exhibition, in the Town Hall, on Friday next, at. 1.30 p. m., and deliver an address on the exhibition.

NEW POST OFFICE.—W. A. McCulla, M. P., of Brampton, has to be congratulated on his success in securing for Brampton a share of the boodle being ladled out by Sir John to the different electoral divisions. The supplementary estimates grant $4,000 for the purchase of land for public building at Brampton. This means a post office for Brampton, which it is expected will involve an outlay of $10,000.

For the first twenty-five large portraits as samples will be made a great reduction. They are the newest and most durable portraits now made. Bromide paintings. See them! Still fourteen for the dozen of cabinet photos. A mirror given away with our $3.50 and $4.00 styles. Every $3.00 paid in gets a ticket for the one given away Saturday evening. The last lucky number was 196. Wm. Farmer, 85 King St. West, corner Macnab.

PEEL FARMERS AND THE GRAIN FAKER.—A Brampton despatch says:—The farmers of the County of Peel, who were induced to give their notes for wheat at $15 per bushel to the Ontario Grain and Seed Company, of London, are advertising cautioning any person against purchasing the notes, as they were given without consideration, and they intend to contest their liability to the utmost. This is the company to which Mr. K. Chisholm, M. P. P., drew the attention of the Ontario Legislature during the last session.

"WHAT is a Reformer"? One who preaches certain doctrines in Opposition and practices the contrary while in office.—Mitchell Advocate.

"What is a Conservative"? One who howls loyalty when in office and rotten eggs the Governor-General when in opposition. One who while in office gives his friends fat contracts and lives on the donations of the contractors while in opposition; and one who denies liberty of speech to their opponents at all times. The list could be extended indefinitely.—St. Marys Argus.

ESQUESING JUBILEE.—A very large number of pleasure seekers attended the Jubilee at Stewartown on Tuesday. The programme arranged by the committee was not carried out on account of the heavy rain storm drenching the crowd. Rev. Mr. Alexander delivered a short address, and immediately after the committee decided that the games, &c., could not possibly take place, and arrangements will be made to celebrate Dominion Day. Milton Band was present and were, with their ladies, pleasantly entertained by Messrs. Murray, Lawson and Cross at their private residences.

THE residents of Burlington Plains and East Flamboro' generally, who have been fighting the collection of tolls on the York street road for years, have on foot a plan for getting over the difficulty altogether. They propose to build a new road, erect a bridge and have free traffic between the city and the township. It is claimed by the promoters of the scheme that another bridge can be built across the canal without any difficulty, and that right of way can be secured through the township. There is also a second scheme on foot having the same object in view, and it is believed that this council of the township will do what it can to further whichever scheme shall be decided upon.

Treasurer.

CUT DOWN the WEEDS.—Complaints reach us from several quarters regarding the disgraceful state of most of our streets and sidewalks in town caused by the rank growth of noxious weeds, grass, &c. In fact ladies are in danger of having their dresses ruined by the nuisance, to say nothing of the unkempt and untidy appearance it gives the town, especially in the eyes of strangers. We hope the Mayor will see that the nuisance is abated at once.

MR. GEORGE SILKS, of England; Miss Bastedo, Milton; Miss Campbell, Nelson; Dr. Carrique, Milton; Misses Post and Appelbe, Trafalgar; Mr. F. Baker, Port Credit; Mr. C. Carrique and Mr. S. A. Bowman, Trafalgar, and several Oakville artists will take part in a concert to be held in the Sixteen Grove, on the evening of Friday, 24th inst. The Oakville band will furnish brass music, and a bevy of young ladies will serve out strawberries, ice-cream and other refreshments. Col. Campbell will preside and the admission will be the usual 25 cents.

BURLINGTON BURGLARS.—Early Friday morning the house of O. T. Springer in Burlington was burglarized. A gold watch and a sum of money belonging to a gentleman who is visiting Mr. Springer were taken, besides a quantity of delicacies from the larder. The houses of Dr. Husband and one or two others were attempted the same night, but the attempts were unsuccessful. These nocturnal operators are said to have been driving about Burlington on Thursday evening in a stylish buggy. The residence of Capt. Torrance was also visited by the burglars. Mr. Torrance heard the burglars in the house and when he went down stairs they disappeared. He then fired at the retreating burglars and they retaliated by shooting back. One of the bullets grazed his head. Ten shots were fired altogether.—Spectator.

HORSE STOLEN.—On Saturday last a farmer near Heepler saw a suspicious tramp hanging around his place and had him watched for some time, but during the night the watchman's vigilance was transferred to his bed, and Mr. tramp borrowed one of the farmer's horses, buggy and a set of harness without asking for them. On Sunday morning the horse and buggy were missed and immediately a chase was given. After tracing the horse all day, the searchers brought up at the hotel at Whaley's Corners, in this county. On their arrival they described the horse stolen to the landlord and asked him if he had seen such a horse. Receiving his reply, an adjournment was made to the stable, where the horse, buggy and harness were found. The landlord returned to the house to interview the supposed owner, who had taken up his quarters for the night, but the bird had escaped in the meantime and only left his hat behind him.

OBITUARY.—Died, at her residence, Brampton, Jane, the beloved wife of Mr. Joseph Allan, and daughter of Isabella and the late John Henderson, on Monday evening, June 18th, aged 42 years. Mrs. Allan was born in Milton, in the County of Halton, in the year 1845. In February, 1868, she became united in marriage to Mr. Jos. Allan, with whom she lived in very happy relationship until separated by death. She was an earnest and exemplary christian, a consistent member of the Methodist Church, and held in high esteem by all who knew her. The pain and exhaustion of her last lingering illness—consumption—were borne with wonderful fortitude. She looked forward with bright anticipations to the life beyond the grave, and entertained a confident and well-grounded assurance of everlasting blessedness in in the presence of her Saviour. On Monday evening, just before midnight, she quietly breathed her last. Her remains were bourne to their resting place by five of her own brothers and a brother-in-law. Her aged mother (93) was present on the funeral occasion. Her husband and six children are among the bereaved. May they experience the consolations of the Divine Healer.—W. T. PRESCOTT.
