A SMILE FOR YOU!

Smiling is infectious,
you catch it like the flu,
When someone smiles at me today,
I started smiling too.
I passed around the corner
and someone saw my grin
And when he smiled,
I realized I'd passed it onto him.
I thought about that smile
then I realized its worth,

A single smile, just like mine,
could travel round the earth.
So if you feel a smile begin,
don't leave it undetected,
Let's start an epidemic
and get the world infected.
Not smiling like you should?
Give us a call!

WE BUILD BEAUTIFUL SMILES!
Consultations are always free!!

Public Notice

Environmental Assessment Study

Notice of Public Information Centre #1

Mayfield Road from Chinguacousy Road to Winston Churchill Boulevard

The Study

The Region of Peel has initiated a Schedule 'C' Municipal Class Environmental Assessment (EA) in accordance with the Municipal Engineers Association's Municipal Class EA process for the widening of Mayfield Road to six lanes from Chinguacousy Road to Winston Churchill Boulevard. The approximate limits of the project area are illustrated on the map.

Mayfield Road is an east-west arterial road and forms the boundary between the City of Brampton and the Town of Caledon. Winston Churchill Boulevard forms the boundary between the Region of Peel and Region of Halton.

The study will examine the need and feasibility for improvements to Mayfield Road to address the short and long term issues related to planned future growth, road design and function up to 2031. The study will review opportunities to facilitate the movement of vehicles, transit, goods movement, walking and cycling.

The Process

The Class EA process includes:

- public and agency consultation;
- an evaluation of road improvement alternatives;
- an assessment of the possible environmental effects of the improvements; and,
- the identification of reasonable means to mitigate any adverse impacts.

Public Information Centre

Two Public Information Centres (PICs) are planned for this study. The first PIC will use an informal drop-in centre format with display boards to present the study background information including:

- a problem statement;
- an evaluation of planning alternatives; and,
- a recommended planning alternative.

The Project Team members will be present to answer questions and discuss the next steps in the study. The first PIC is scheduled for:

Date: Wednesday, November 27, 2013
Time: 6:30 p.m. - 8:30 p.m.
Location: Police Association Building, 10675 Mississauga Road, Brampton

Comments and Information

Please visit our website: peelregion.ca/pw/transportation/envirom-assess/mayfield-road-ea-2.htm for updates on this project. Comments and information regarding the study are being collected to assist the Region of Peel in meeting the requirements of the EA Act. This material will be maintained on file for use during the project and may be included in project documentation.

To provide comments or request additional information about this project, please contact:

Neal Smith, C.E.T.
 Project Manager, Region of Peel
 10 Peel Centre Drive, Suite B, 4th Floor
 Brampton, ON L6T 4B9
 Telephone: 905-791-7800 ext. 7866
 Toll Free: 1-888-919-7800
 Fax: 905-791-1442
 Email: neal.smith@peelregion.ca

The Region of Peel is committed to ensure that all Regional services, programs and facilities are inclusive and accessible for persons with disabilities. Please contact the Project Manager if you need any disability accommodations to participate in the PIC.

This notice was first issued on November 14, 2013

With the exception of personal information, all comments will become part of the public record of the study. The study is being conducted according to the requirements of the Municipal Class Environmental Assessment, which is a planning process approved under Ontario's *Environmental Assessment Act*.
