## LOCAL NEWS.

Ottawa's new breakwater is finished.

Dry Goods.—A Young Girl wanted immediately. Apply at the WALLACE HOUSE, Milton.

Be sure and see the latest American Hat, at Treble's, corner of King & James Sts., Hamilton.

We are compelled to hold over the report of the convention of Halton teachers until next week.

We are indebted to Mr. S. A. Coxe, late of Milton and now of Brandon, for a bundle of Manitoba newspapers.

Six Toronto steamers are wintering in Oakville harbor, and will be overhauled and repaired during the winter months.

Drowned.—A little boy, two-and-a-half years old, son of Mr. Ward, miller, of Streetsville, was drowned in the race of Beaty's mill at that village on the 4th inst.

Smart Sayings!—White, colored, plain and fancy Flannel Shirts, cheap. Cheap them over at Treble's, corner of King & James Sts., Hamilton.

We direct the attention of parties who have cash to invest to the advertisement of the sale of the Milton waterworks debentures. They will be sold in large or small lots to suit purchasers.

Please Return It.—The party that took away by mistake a piece of silk underdery from the county fair will please return it to the Secretary, Mr. Wm. Clements, Milton, who will send it to the owner.

If you want good all-wool Underwear cheap Treble's is the place. Largest stock of Underwear in the city. Corner of King & James Sts., Hamilton.

Halton Dominion Day Petition.—At Oakville Hall, on Tuesday, Mr. M. Wright, Q.C., for the petitioner, moved to have the preliminary objections to be taken by their hearing. Mr. W. H. Biggar appeared for the respondent, Mr. Walkie. An order was made appointing to-morrow for the hearing of the petition.

We have a large stock of Gloves and Mitts, which we are selling very cheap. Remember the place: Treble's, corner King & James sts., Hamilton.

Warehouse.—Messrs. McQuillan & Co. commenced operations on Monday last for the construction of the Milton waterworks. There is a force of about [illegible] Italians and [illegible] about as many Americans. They are working on Sunday [illegible] service.

If you want a bargain, you can get the size and quality you desire at Treble's, corner of King & James Sts. Largest and cheapest stock of Underwear in Hamilton.

To Subscribers.—We will give the Weekly Globe and Champion one year for $1.75; the Daily Globe and Champion one year for $5; the Weekly Mail and Farmer one year for $1, with the Champion for one year for $2.

We learn that the Newmarket Era says that Messrs. McQuillan & Co., of Toronto, who have the contract for the Milton waterworks, "From the manner in which this firm has put in Newmarket's waterworks we know they understand their business and it seems a pleasure to have them fulfil all they agree to. A better obliging contractor than Mr. McQuillan we never struck this town."

If you want to buy a new fall Hat, you will save more than your railway fare by going to Treble's, corner of King & James Sts., Hamilton. He has the largest stock and cheapest Hats in the city.

Accident to Ross.—Mr. Ross, lately from Cummingsville, had a terrible experience in the drying mill of W. H. Robson, in Hamilton, where he is employed. He was oiling the machinery when his coat caught on the shaft. His cry for help was heard and the machinery stopped almost immediately, but in the very few moments that had passed Ross was nearly killed. When taken down from the shaft he was almost strangled, his right ear was cut off and his arm paralyzed. The doctors sewed his ear on with seventeen stitches. He will recover from his injuries.

A Club of Five.—Any person who will send us the names of five new subscribers to the Champion for next year and five dollars will receive the paper to the end of less free, and each of the new subscribers will also receive it free for the remainder of this year. This offer applies to clubs of five only, not to single subscribers.

Retiring from Business.—The other night a Milton man, who has for some time made a business of hawking intoxicants around the streets after dark, brought his basket up town, hid it under the sidewalk and then went to look for customers. He found that owing to the lateness of the hour (it was after nine o'clock) other dealers had got the start of him and every one of his usual patrons had been well supplied. He took up his basket and went home in disgust, vowing that as "every Tom, Dick and Harry" had gone into the business and there was no profit in it, he would quit it.

Changed Hands.—Mr. Robt. Bradley, late lessee of the Thompson House, having sold out to Mr. Neil McDougald, has emigrated to the other side of the lake, leaving our didn't-know-it-was-loaded license inspector disconsolate over the non-payment of $150 imposed on Mr. B. for violation of the Scott Act. Mr. McDougald is reported to have said that though his predecessor got away with all the profits of his liquor trade, he will run a straight "temperance" house, as he finds that there are so many competitors in the "badge" business in Milton that the profits are not large enough to pay for the risk a hotel-keeper, who is closely watched while shebeens are winked at, runs of being fined.

Drunk and Disorderly.—William Campbell, of Silver Creek, got full on Milton shebeen whiskey on Saturday evening and took it into his head to call at the house of a family in the west end. His visit was not appreciated and he was requested to take his departure, but he persisted in remaining and making himself as obnoxious as possible. Chief Constable Bradley was sent for and ran him in. William remained in jail over Sunday, and on Monday morning was brought before Mayor Hannant, who ordered him to pay the chief constable's fees, $2.50, and let him go in consideration of this offence being his first.

NEVER TRIED IT."

What! Never tried Johnson's Tonic Bitters! Then do so at once, it's positively the best general tonic on the market. I've often heard of it but thought that it was to be placed on the list of the many trashy preparations that flood our market, but since you recommend it so highly i'll give it a trial. Do so, it's good for any complaint in which a tonic is benefit, and can be taken by man, woman, or child, 50c. and $1 per bottle at H. Watson's drug store, Milton.
