DIED IN JAIL.—The unfortunate man, Joseph Woods, who lost both his legs a little over a year ago, while lying drunk in an unoccupied building near Georgetown, and who has been in jail here ever since, died yesterday morning. The Scott Act did not prohibit in his case.

CURLING.—Two rinks from the Milton club went to Jail on Friday, to play an equal number from St. Thomas for a Royal Caledonian medal and won it without playing a stone, as the St. Thomasites failed to put in an appearance and the match was given to Milton by default.

A couple of men who were here taking orders for "Wright's Dexter Hitching Post," left Acton and an unpaid board bill of $6 at the Royal Exchange hotel last week. Mrs. Campbell hopes this notice will put others on their guard respecting these dead beats.—Free Press.

Rev. Mr. Davy, of Georgetown, delivered an interesting address, the singing of the Milton choir was excellent, and Miss Andrews, of Milton, in her readings, fairly held her audience spell-bound. Rev. Mr. Boyd officiated as chairman with his usual ability.

A NEW SCHEME.—If a plausable gentleman calls upon any school teachers in this locality to explain that he is introducing a new and most valuable cyclopedia, which he would be pleased to have the teacher look over and then write his name in his book, as a reference, the intelligent teacher had better show the plausible gentleman the door, because that is the latest swindle. If any teacher's signature goes on the list, a big package of books will come in a few days to the teacher's address, and a few days after that another gentleman, equally as courteous, but much more dejected in his manner, comes with the teacher's certificate in an order book to collect a little bill of twenty dollars.

Their plan gives every member the privileges of a regular dealer. A large catalogue is supplied containing a list of over 3,000 standard works which will be supplied at wholesale prices. Having a paid up capital of $250,000, and the endorsement of the leading literary men of Canada, the success of the institution is already assured.

SCOTT ACT MEETING.—In the latter part of last week the town was billed for a grand Scott Act rally at the town hall, at which it was advertised that Messrs. O. E. Drury, M. P. P., A. F. Wood, M. P. P., and Samuel Ardistrong, M. P. P., with Mr. J. J. McLaren, Q.C., and Rev. W. McKay, of Woodstock, would appear and deliver addresses. Mr. David Henderson, M. P., Mr. Wm. McCraney, ex-M. P., Col. Kerns, M.P.P., and Dr. Buck had also been invited to do so. When Tuesday evening arrived the hall was comfortably filled principally with women and boys, voters being exceedingly scarce, but the M. P., all the M. P. P.'s and Dr. Buck failed to put in an appearance. The Rev. Mr. McKay and Mr. McLaren, however, turned up according to agreement. They are both fluent speakers, and did very well considering the weakness of their case. The ex-M. P. was also on hand and labored hard to second them. The meeting was very tame and there was none of the enthusiasm that marked the Scott Act rallies of former campaigns.

HIGH JINKS IN BURLINGTON.—The Village of Burlington is perturbed. The personnel of the Council was entirely changed at the January elections, but the new body went on doing business with the old officers until the 14th of the present month. The Council met on that date and appointed a new set of officers. The village clerk of last year and other officials had continued to do the work as usual, and many people think they cannot be displaced until the end of the present term. On Wednesday morning last, the Road Commissioner met one of the councillors, and it is alleged that in the course of conversation the village savant called the official a liar. The Road Commissioner hauled off and struck the councillor on the mouth. The councillor yelled murder, and the R. C. struck him again to make him shut up. Then the displeased commissioner (whose blood was fully aroused) walked down street and espied another councillor and intimated that he would like to speak to him. Councillor No. 2 remembered a domestic engagement that he had and made for his home. He had no desire to discuss municipal topics outside the Council Chamber. At the next meeting of the Council it is altogether likely police protection will have to be provided for the members of the village corporation, so strong does the feeling run with regard to the displacement of the efficient officials of last year.—Times.

HON G. C. MCKINDSEY and Mr. David Henderson, M.P. for Halton, started for Ottawa yesterday morning.

DIED.

GILLIES.—At Charles street, Hamilton, on the morning of Feb. 16th, David Gillies, Esq., of the firm of Buntin, Gillies & Co., in the 48th year of his age.

FISHER.—At his residence in Burlington, on Saturday evening, Jacob H. Fisher, aged 82 years.

WHITE.—At Merton, near Bronte, on Friday morning, 17th February instant, Lucinda Buck, wife of James White, Esq., aged 74 years.

The Scott Act in Michigan.

London Free Press.

After twenty years of prohibition, Michigan had in 1874, 6,444 saloons, or 1 for every 207 inhabitants. The tax law was passed in 1875, and in 1876, one year after it went into effect, the number of saloons had been reduced to 4,867, a decrease of 1,578. The 1877 a further reduction was made to 3,060. In 1882 six years after the law went into effect, the number had fallen to 3,401, or 1 to every 586 of population, a decrease of nearly 50 per cent. If the ratio of 1874 had been maintained the State would have had in 1882, 3,960 saloons, and would have to-day at least 10,000 instead of 4,308. It will be seen that the number for 1886, in spite of an increase of more than half a million in population, is 2,141 less than it was in 1874, when the State was under a prohibitory law.

The Counties to pay the Expenses.

Globe.

A bill which will be introduced by Mr. Hardy proposes to throw the cost of enforcing the Scott Act upon the municipalities, to the extent of the fines, so that the Government will not be called upon to contribute one-third of the expense unless the fines are insufficient to pay the cost of enforcement.

A company has been formed to carry on naval construction and armament, with Lord Hartington at its head.

The Association of Chambers of Commerce of the United Kingdom adopted a "Fair Trade" resolution by a vast majority.

At Scott Act Guelph last Saturday night two young ladies, living near Desmond Crossing found a drunken man lying right across the track, and by assistance just in time to drag him out of harm's way before a train went rumbering by.

The Independent Order of Foresters, whose transacting business through out the Dominion of Canada (their head office being in the city of London) will apply for an Act of Incorporation at the approaching session of Parliament.
