A TALLY WHAT.—Mr. Geo. Richardson, of Nelson, has wheat full headed out last Saturday and left several samples at the CHAMPION Office.

The best hose to get spring underwear, ties, scarfs, collars, shirts, gloves, braces, soft as hard felt hats, is at Treble's, cor. of King and James Sts., Hamilton.

STREETSVILLE has been erected into an outport of customs and warehousing port and placed under the survey of the collector at Toronto.

THE Review is agitating for a new cemetery for Streetsville, and says that the old one there is so over crowded that it is impossible to dig a new grave without cutting into one or more old skells.

FORGETTERS boys get 2 cents a head for all the cattle they can run into the pound and they raid the surrounding country and gather all the cows they can find on the road. The farmers object to this.

For good and clean cricket caps, cricket belts, football, boating Jerseys, white flannel slacks, you cannot do better than by one to Treble's, corner of King and James Sts., Hamilton.

MR. C. S. RACEY, of Milton, has been appointed general agent for Brown Bros. nursery, Rochester, N. Y. This nursery is one of the leading ones in the United States, and Mr. Racey will no doubt work up a large business.

CHIEF CONSTABLE BADCOCK is still rather lame from the effects of his eighteen-foot fall a couple of weeks ago at the raising of Mr. Jas. Allan's barn at Zimmerman, but we are happy to say is recovering fast. His escape with his life and without broken bones was almost miraculous.

For the spring trade Treble has just received an immense sock of English and American Felt Hats, in all the newest colors and late styles. Call and inspect his stock—corner of King and James Sts., Hamilton.

A couple of Milton youths went out for a drive on Sunday last. They used a covered buggy from Delivery stable, and when they returned the top of the rig was badly wrecked. The boys said the damage was caused by the buggy being upset by a gust of wind during the storm which took place in the afternoon.

Now the light, sunshiny days have come, cast off your old hats and ties and go to Treble's. He has some of the choicest hats and nobbiest ties imaginable at unheard of prices.—Corner King and James Sts., Hamilton.

LUKES NATURE.—Mr. John Cunningham, of Norval station, has a cow that has given birth to 5 calves within the last 8 months. She first gave birth to twins nearly 8 months ago and this week she beat her record by going one better—giving birth to 3 full grown calves, but unfortunately the last 3 are all dead. The twins will make a fine yoke of oxen some day.—Brampton Conservator.

ANOTHER large importation of Gents' Merino socks, suitable for spring wear, just received. Price and quality unsurpassed. Splendid value at 15 and 25 cents per pair.—Treble's, corner King and James Sts., Hamilton.

PLEADED GUILTY.—John Zimmerman, of Hamilton, late collector of taxes for the township of Nelson, appeared before Judge Miller on Saturday on a charge of embezzling $ of the funds collected by him. He pleaded guilty, but as he paid over $425 of the embezzled money to his sureties sentence was suspended, and he was allowed to depart, to appear for sentence when called upon.

BROKE HIS LEGS.—On Thursday last a young man named Suter, employed on the farm of Mr. Edwin Dalton, of Nelson, was engaged in burying a big boulder, which slipped into the hole he was digging to put it in, and falling on him, broke both his legs. The bones were badly crushed and the unfortunate man lay in the hole with the stone upon his legs for between two and three hours, as he was working alone and no one happened to go near him until that long after the accident. Drs. Buak & McGiannin are attending to his injuries.

A SUNDAY DRUNK.—Alexander Campbell, of Nassagaweya, was in Milton last Sunday, imbibed too heavy a cange of Scott Act whiskey, and misbehaved himself on the street. He was run in by Constable John Crow, and was paraded before Mayor Robertson on Monday. In the information it was stated "that the said Alexander Campboll is a vagrant, being drunk and disorderly on the streets of the Town of Milton contrary to statute." His worship fined Campbell $2 and costs or 15 days with hard labor, and the Nassagaweyan chose the latter alternative and went to Castle Vau.

General Sessions and County Court.

On Tuesday last the June sessions of the above courts was held at the Court House; His Honor Judge Miller presiding.

The following gentlemen were present on the grand jury:—A. Spiers (foreman), James Allen, S. B. Alton, M. M. Beattie, S. Beaumont, Jas. Brown, J. W. Bussell, Hiram Culp, Jos. Dice, W. F. W. Fisher, A. F. W. Freeman, D. Hutcheon, R. Kentner, William Lawson, William Ryder, Alex. Spiers. The judge charged the jury very briefly, who shortly after made the following presentment:—

To His Honor Judge Miller:

We, your grand jurors at the General Sessions of the County of Halton, beg leave to make the following presentment:

That in accordance with your directions we have examined the gaol, and find it and its appurtenances in a most satisfactory condition, reflecting credit on those in charge of the same.

We find that at present there are but seven persons confined here; most of these for short terms, on light offences; and congratulate your honor and the county generally on the comparative absence of crime within our county.

In view of the approaching completion of a system of waterworks in the town, we would recommend the advisability of the county authorities laying a pipe from the main street to the county buildings, in order to better supply said buildings with water and more especially as a precaution against fire.

We would further recommend that the county council take action to enclose and adorn the county property immediately in front of the buildings, rendering it available to the citizens of the town and county as a public park.

All of which is most respectfully submitted.

(Signed) WM. F. W. FISHER,
Foreman.

Milton, June 12th, 1888.

The first civil case called was:

KENNEY vs. GLASBY.

This was an appeal by Kenney against a conviction of $10 and costs made by Mayor Robertson on the complaint of Mr. Glasby, poundkeeper, Milton. Glasby, as he contended, held the vacant "Hampton" property by verbal lease from Mr. Charles Knees. On 15th day of May about 26 head of cattle were impounded and put on the above property, when Kenney came and drove them out. J. W. Elliott for Kenney and D. McGibbon for Glasby. Tried without a jury. Conviction quashed; each party to pay their own costs.

SPROAT *et al* vs. COTTRELL.

An action brought by the executors of the late John Sproat against the defendant for the non-performance of a covenant in a lease made between them to clean up 80 acres and seed same. The defendant claimed that possession was refused him by the parties that had purchased the wood timber from Mr. Sproat, who had to 31st Dec., 1887, to remove same. Verdict for defendant. Messrs. V. Chisholm and J. S. Fullerton for plaintiffs, and W. Laidlaw, Q. C., and M. E. Mitchell for defendants.

MCCLELLAND vs. ORR.

An action on partnership accounts, was referred by the judge.

Murder Will Out.

On August 26th last the people in Parkdale were startled when it became known that the body of Joseph Priestman, jr., agent of the Northwestern Masonic aid association of Chicago, had been found murdered and robbed a short distance from his house in Parkdale. An inquest was held and a verdict of murder rendered. Various theories were propounded to show that the deceased had committed suicide, but a majority of the people clung to the belief that he had been murdered. The police and detectives were completely baffled in their efforts to find a clue, and the affair passed out of the people's minds. It will, however, be strikingly revived again by the arrest of County Constable Alex. Smith and his wife charged with the murder of Priestman. Smith was the first one to discover the body lying on the sidewalk early in the morning of Aug. 26. The detectives are reticent as to the nature of the evidence they have against Smith and his wife, but hint that they have a very strong case.

Town Council.

A special meeting of the town council was held on Monday evening in accordance with following rather indefinite requisition, drawn up by Councillor McKay and addressed to nobody in particular:

"We, the undersigned members of the town council of Milton, request your Worship, the Mayor, to call a special meeting on Monday, June 11th, at 8 p. m., for the purpose of considering the change in the waterpipes, also to re-consider the report of the waterworks committee."

The requisition was signed by Councillors McKay, Johnson, Hemstreet, Jones, Speirs and Hunter.

Mayor Robertson was in the chair at the council meeting, and the following members were present:—Messrs. McCollom, Hunter, McKay, Johnson, Jones, Smith, Speirs, Hemstreet and Conway.

On motion the council went into committee of the whole to consider the report of the waterworks committee which had been adopted at the previous meeting.

The committee rose and reported the following amendments to the report: that the pipe be extended from corner of Thomas and Queen streets to corner of Hugh and Queen streets, that a hydrant be placed at the latter instead of the former corner, that enough pipe be taken from Victoria and Mill streets to run from Main to Mary street along Bell street, and that hydrants be placed at end of pipe on Victoria street and at corner of James and Mill streets instead of corner of James and Victoria streets.

Mr. McCollom moved, seconded by Mr. McKay, that the waterworks committee's report, as amended in committee of the whole, be adopted.—Carried.

On motion the council adjourned.

OMAGH, June 9th, 1888.

TO CHAMPION BASE BALL COLUMN:

A game of base ball was played at the Back Concession to-day between the Omagh club and the united clubs of Back Concession and Postville, resulting in an easy victory for the visiting team. The score ran rather high on account of the roughness of the ground.

Omagh	3 5 3 0 1 5 1 2	29
B. C. & Postville	1 2 1 2 0 1 0 0	7

As the Omaghs had another game to play in the afternoon they reserved their battery for it, but the substitutes did excellent work, striking out twelve men and only having two passed balls scored to them, while that of their opponents was not so good, only striking out three men.

In the afternoon they played the Oakville High School club, resulting in a victory for the students by a score of 14 to 6. By innings:

Omagh	1 1 0 0 1 1 2 —	6
Oakville H.S.	5 0 2 0 5 2 * —	14

The Omaghs intend playing the St. Ann's team on Saturday, 16th, on the grounds of the latter. —COM.

LACROSSE.

The Young Olympics covered themselves with glory last Saturday afternoon. They played two matches, the first with the Toronto Juniors, whom they defeated by four straight goals in 20, 20, 2 and 7 minutes, and the second with the Streetsville, who were also beaten four straights in 11, 13, 5 and 18 minutes.

Brampton leads the the seven clubs in the Central Distict of the C. L. A. in the race for the championship. This is the record so far:

LACROSSE MATCH.—The Olympics have made arrangements with the Torontos to play here on Saturday, June 23rd. As the home team are enterprising enough to bring such a fine team to Milton they should have a big crowd out to see the match. Ball faced at 3.30 p. m.

Drowning Accident at Niagara Camp.

NIAGARA June 18.—Private Herbert Young, of No. 6 Company of the 77th Battalion, who was drowned yesterday afternoon, was a fair-haired, blue-eyed boy of 21-summers, and lived with his father on his farm in Barton, Ont. His companion, when the accident occurred, Peter Brimmer, of the same corps, on being interviewed, said:—"Yesterday afternoon Herbert and I went in for a bath. He was a strong and daring swimmer and for some time was playing tricks in the water and shouting to me to follow him out. He called out several times in jest that he was drowning. At length, however, he swam out to mid-stream and all cried out 'I am drowning,' and in the twinkling of an eye sank out of sight and never rose again."

The body has not been recovered yet and it is not likely that it will be at this place, as there is a current of four miles and hour where Young went down. He has several relations in the 77th. The accident has cast a gloom over the entire camp.

Train Robbers Driven Off.

ALBUQUERQUE, N. M., June 13.—The Santa Fe passenger train had an unusual experience a few miles from Dorsey station on Monday night. The train suddenly stopped and eight masked men boarded the platform of the baggage car. Two of the robbers crawled over the coal tender and ordered the engineer to stop the train. The engineer complied but during the parley the fireman jumped from the cab and made his way back to the station, informing the second section of the train, on which were several detachments of United States troops going south. The section came up and the robbers fled to the mountains.

A Great Calamity Feared.

DULUTH, Minn., June 18.—Not only is there no abatement of the St. Louis river flood, but the situation grows more serious every hour and the impression deepens that a great catastrophe to Cloquet and its lumbering interests will occur. The water rose over a foot yesterday and it is still rising. If the jam breaks the logs will carry away all the houses on the island, 25 or 30 in number, and probably Nelson's mill. It rained hard last night.

The Bank of Hamilton.

At the sixteenth annual meeting of this flourishing bank the profits, after making allowance for all bad and doubtful debts, were $97,444. This allows the payment of two half-yearly dividends of four per cent. each and the transference of $20,000 to the reserve, making that fund $860,000. Mr. Colquhoun, the cashier, retires on account of ill health, and his place is taken by Mr. James Turnbull, a gentleman well known in financial circles in Toronto as possessing great energy and business talent. The shareholders at the close of the meeting passed a resolution authorizing the directors, should they see fit, to increase the capital stock of the bank from $1,000,000 to $1,250,000.

OREGON AND WASHINGTON.

No section of the country is to-day attracting as much attention as Montana, Oregon and Washington; Montana, because it now ranks first in the production of precious metals; Oregon, because of its rich valleys, and Washington Territory by reason of its mild climate, timber, coal, minerals and wonderful production of fruits and cereals. The rapid growth of Spokane Falls, with a water power exceeding that of Minneapolis; Tacoma, on Puget Sound, the terminus of the Northern Pacific Railroad, with 12,000 inhabitants; Seattle, 80 miles distant, an energetic and thriving city, mark this section of the Pacific Northwest as one that offers peculiar inducements to those seeking new homes.

By writing Chas. S. Fee, General Passenger Agent, Northern Pacific Railroad, St. Paul, Minn., he will send you illustrated pamphlets, maps and books giving you valuable information in reference to the country traversed by this great line from St. Paul, Minneapolis, Duluth and Ashland to Portland, Oregon, and Tacoma and Seattle, Washington Territory. This road, in addition to being the only rail line to Spokane Falls, Tacoma and Seattle, reaches all the principal points in Northern Minnesota and Dakota, Montana, Idaho, Oregon, and Washington, possesses unequaled scenic attractions, as well as superior train equipment, such as dining cars, and colonist sleepers for the use of intending settlers, neither of which conveniences are to be found on any other line ticketing business to the States and Territories 47-10ms.
