BY-LAW NO. 167.

A By-Law to aid and assist the Toronto, Grey and Bruce Railway Company by giving Four Hundred Thousand Dollars to the Company, by way of bonus, and to issue debentures therefor, and to authorize the levying of a special rate for the payment of the debentures and interest.

WHEREAS by the Act of the first Session of the Legislature of the Province of Ontario, passed in the thirty-first year of Her Majesty's Reign, incorporating the Toronto, Grey & Bruce Railway Company, it was provided that any Municipality or Municipalities through any part of which or near which the Railway or works of the said Company shall pass or be situated may aid and assist the said Company by loaning or guaranteeing or giving money by way of bonus or other means to the Company, or issuing municipal bonds to or in aid of the Company or otherwise in such manner and to such extent as such Municipalities or any of them shall think expedient, provided always that no such aid, loan, bonus or guarantee shall be given except after the passing of By laws for the purpose, and the adoption of such By Laws by the ratepayers as provided in the Railway Act:

And whereas by the Act of the Legislature of the Province of Ontario passed in the thirty-third year of Her Majesty's Reign, Chapter forty-one, power is given to any portion of a Municipality or County Municipality to grant a bonus to the said Company for the purpose of aiding in the construction of their Railway:

And whereas the said Company have asked the Councils of the Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, (being a portion of the County of Grey) to grant them a bonus for the purpose of aiding in the construction of the said Railway, and the majority of the Reeves and Deputy Reeves thereof have petitioned the County Council of the County of Grey (of which County the last named municipalities are a portion) to pass a By-Law in pursuance of such request, and of the powers given by the said Acts to grant a bonus of Four Hundred Thousand Dollars for the purpose of aiding in the construction of the said Railway, and it is expedient to grant the same.

And whereas, for such purpose, it is necessary to levy and raise from the said local Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, the said sum of Four Hundred Thousand Dollars, in the manner hereinafter mentioned:

And whereas, it will require the sum of Forty-Four Thousand Dollars to be raised annually by special rate on the whole rateable, real and personal, property of the said Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, for paying the said debt of Four Hundred Thousand Dollars and interest on the debentures to be issued therefor as hereinafter mentioned:

And whereas, the amount of the whole rateable property of the said Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, being for the year One Thousand Eight Hundred and Seventy, is $3,486,000:

And whereas, the whole amount of the rateable property of the County of Grey, irrespective of any future increase of the same, and also irrespective of any increase to be derived from the temporary investment of the sinking fund hereinafter mentioned or any part thereof, according to the last revised and equalized Assessment Rolls of the said County, being for the year A. D. 1870, is $5,835,000:

And whereas, the amount of the existing debt of the said County of Grey is the sum of $236,443.32 for principal, and for interest the sum of $124,590, and there is no interest in arrear; and the proportion of the said last mentioned debt chargeable to the said Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, and which they will be expected and have to bear and pay is for principal the sum of $141,258.16, and for interest the sum of $74,384,00, and no interest in arrear:

And whereas, for paying the interest and creating an equal yearly sinking fund for paying the said debt of Four Hundred Thousand Dollars as hereinafter mentioned, it will require an equal annual special rate of 12⅔ mills in the dollar on the said sum of $3,486,000, being the revised and equalized assessment for the said Municipalities as aforesaid in addition to all other rates to be levied in each year:

Be it therefore enacted by the Municipal Council of the County of Grey, that it shall and may be lawful for Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel being a portion of the Municipality of the County of Grey, to aid and assist the Toronto, Grey and Bruce Railway Company by giving thereto the sum of Four Hundred Thousand Dollars by way of bonus.

2. That for that purpose the Warden of the County of Grey shall cause any number of Debentures of the County of Grey to be made for such sums of money as may be required for the said purpose, not less than twenty dollars each, and not exceeding in the whole, the amount of Four Hundred Thousand Dollars; which said Debentures shall be sealed with the seal of the said County Municipality of Grey, and be signed by the Warden, and countersigned by the Treasurer of the County of Grey, and shall define the portion of the said County Municipality of Grey, namely: the said Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, for and on account of which they are issued.

3. The said debentures shall be made payable in twenty years from the day hereinafter mentioned for this By-law to take effect, at the Bank of Toronto in the city of Toronto, and shall have attached to them coupons for the payment of interest at the rate and in the manner hereinafter mentioned.

4. That the said debentures shall bear interest at and after the rate of six per cent per annum from the date thereof, which interest shall be payable half-yearly, on the first day of August, and the first day of February in each year at the said Bank of Toronto in Toronto.

5. That for the purpose of forming a sinking fund for the payment of the said debentures and interest thereon at the rate aforesaid, an equal special rate of twelve mills and five-eights of a mill in a dollar, shall in addition to all other rates be raised, levied and collected in each year upon all the rateable property in the said Municipalities of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, according to the last revised and equalized assessment rolls as from year to year revised and equalized for the said Municipalities by the County Council of the County of Grey, or otherwise revised and equalized as the law directs, during the said term of twenty years from the coming into effect of this By-law, unless such debentures shall be sooner paid.

6 This By-law shall take effect on, from and after the first day of February, in the year of Our Lord, 1871.

7 That the debentures to be signed and issued as aforesaid, shall be delivered by the Treasurer of the said County of Grey to the Trustees appointed (or to be appointed) in accordance with the tenth section of the said Act, incorporating the said Toronto, Grey and Bruce Railway Company.

8. And it is further enacted, by the said Municipal Council of the County of Grey, that the votes of the electors of Egremont, Normanby, Glenelg, Bentinck, Holland, Sullivan, Derby, Sydenham, Owen Sound, Sarawak and Keppel, be taken on this By-law at the following places, that is to say:
