THE HOLSTEIN FAIR.

The Holstein Fair on Tuesday was a great success. The exhibits in every department were of the best variety. The butter was specially commended by the judges, and Mr. McPheter, of Clyde Ont., who had charge of the judging of the horses, gave a voluntary expression of opinion to the press that the exhibit was quite as good as at any show he officiated at this year, and the classes were all well filled. We understand from Secretary Sharp that this was a record breaking year in the number of entries. The weather in the froenoon was excellent, but the rain, which began to fall about three o'clock, marred the closing hours of the exhibition without injuring the gate receipts. The concert was attended by a packed house, who were well pleased with the entertainment.
