Mr. Jas. Livingston has sold his farm to Mr. Robt. Johnston.

### TRAVERSTON.

Crowded out last week.

'Tis delightful weather for working in the woods the past few weeks.

Seldom has there been a more soul-stirring and deeply impressive sermon in Zion than that delivered by Rev. W. W. Prudham on Sunday last.

Mr. Albert Cook, and his sister May, of Maple Hill, spent the week-end among the following kindred families: Thos. Greenwood, W. J. Greenwood, W. J. Cook, T. Glencross, J. McNally and your scribe's home. Albert is a hustler.

Mrs. Louis Frook of Proton drove her mother over to the old home on Saturday and remained over until Monday.

A week ago Saturday while Mr. G. Timmins was coming home from Durham, a couple of bags of chop fell off his load while coming up the hill at the Darkey's Corner. When he was replacing them, his team took fright and ran away, the wheel passing over his leg. They ran into a telephone post in front of the Staples farm and were caught there. The following Thursday, one of the team, a fine $200 mare, died from internal injuries received. Mr. Timmins is recovering from a badly bruised leg.

The sad news came to the Robson home on Friday last of the death of the bright little daughter of Mr. and Mrs. Geo. May, in Toronto. She was over a year and a half old, and was sick only a week from convulsions, followed by meningitis. The funeral took place on Monday, and many hereabouts sympathize with the young parents.

Mr. and Mrs. W. Macfarlane of near town spent the first of the week at the home of Mr. M. J. Davis.

Mr. Ben Walden and son of Markdale, were guests of Mr. and Mrs. John O. Greenwood the first of the week.

After five years' residence in Dakota and Alberta, Mr. Herb. Peters arrived in Durham from Calgary on Thursday evening of last week and gave his kindred and sisters a genuine surprise. He was one of the popular boys in the bygone years, and judging from his manly appearance will be much more so now.

Mr. Robt. Milburn was able to be out on Sunday among his relatives, the Peart families.

A few from this neighborhood attended the big Sunday school convention in Durham last Friday and were deeply grateful for the kindly hospitality of the town folk and much impressed with the subjects so ably discussed by the various speakers.

Mr. Will Reed, of Oxford, Mich, recently bereaved of his life partner, is at present on a visit to his sister, Mrs. A. G. Blair.

It isn't all fun being a Municipal father. We were over to the township hall for a few minutes at the close of the big day's work on Monday, and we'll venture to say they were more fagged out than if they had been chopping all day. 'Tis a heavy day, too, for both the clerk and the treasurer, both of whom are underpaid officials. It is uncertain as yet, whether there will be an election or not.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever: nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

### EGREMONT COUNCIL.

Council met December 15, minutes adopted. The report of the M.O.H. was read, also the report of the secretary of the local board, which showed the work that had been done during the year. Said reports were adopted by council. The sanitary inspector presented his bill for three days' services amounting to $9, and 50c. for burying a dead animal. On motion of Robb and McRobb, the account was paid.

A claim for damages from C. Sockett on account of water flowing onto his land was disposed of on motion of Lothian—Ferguson, that this council does not think they are legally entitled to pay any damages.

Robb—Lothian—That J. Caulfield be refunded $1 dog tax, being an error.—Carried.

Lothian—Ferguson—That W. O. Pinder be refunded $6.30 error in assessment.—Carried.

C. W. Robb paid into council for tile, $1.50 from S. Peckover, and $4 from J. McEachern.

The road reports were all given in detail. Com. Lothian reported having spent $26, and had examined and passed 155 rods of wire fence for S. Williams. Amount, $38.75 and $3.50 commission fees were paid.

Com. Ferguson reported having spent $13.70 in his division, and $1.50 commission fees were paid.

Com. Robb showed that he had expended on roads and bridges $21.75, and wire fences, $33; commission fees $3.

Com. McRobb showed he had expended $84.44 on roads, chiefly ditching, and had expended and passed for wire fences $68.45: commission fees, $5.

Council settled with P.V. trustees as per agreement, $119.55, said agreement to continue for 1914.

Council made a grant of $75.00 to be expended on Proton town line as soon as possible.

Messrs. McInnis and Swanston were paid $2.50 each for the apprehension of dogs suspected of killing sheep, under the reeve's orders.

By-law No. 280, for conducting municipal elections, etc., was passed. The only changes from last year are: John Brown, D.R.O., Division 1,; W. Coburn, Poll Clerk Division 3, and J. McLachlan, Poll Clerk, Division 5. Deputy Returning Officers will get their books on nomination day. There were 11 16-inch tile supplied to Normanby for culvert on town line.

J. Wilson, G. Lane and W. J. Philp, pathmasters, were paid respectively $2.75, $2 and $4 for work done in their respective road beats.

The financial statement was read and adopted and 200 copies ordered to be printed. Sundry accounts, amounting to $275.13 were paid on motion of Lothian and Ferguson.

Ferguson—Robb—That the reeve vacate the chair and deputy-reeve Lothian take his place.—Carried.

The deputy-reeve then read the following:

To the Reeve, Mr. John R. Philp, of the Township of Egremont.

We as your Board of Fellow-workers, are desirous of expressing our feeling of gratitude to you for the kind, courteous and able manner in which you have presided over the affairs of this township. Kindly accept our thanks. From your Fellow Councillors.

The reeve replied in his gentlemanly way, expressing his pleasure of presiding over the deliberations of the council, when such harmony prevailed, and made special mention of the source of strength that both treasurer and clerk had been to him.

Council then rose.

—D. Allan, Clerk.

### PRICEVILLE.

1913 will soon be numbered with the past. The years are fast rolling by, and it shows that time is fast drawing to a close with a large number of the inhabitants of this world. The weary travellers who have trod this earth for four score or may be ten more years, in some rare cases will have his or her doubts as to the prospects of seeing the close of 1914. In giving a backward look as far as the 1st of January, 1913, up to the present 19th of December, we find many changes, loss of life and property. Old, young and middle-aged all alike shared the same by being cut off as cumberers of the earth. So, on this Christmas and New Years morn, there will be sorrow in many homes, while there may be gladness in others by having friends with them to share at their Christmas and New Year's festivities. In this town, many have passed away since the closing year came in, and sad recollections of the past will be brought to their memory; but the living must pass on as time permits them and the world goes on heedless of all these happenings.

Some way, it doesn't look as if it was so near Christmas and New Years, but it's a fact all the same.

Our town, like every other place of its kind, is making preparation in some way or another, to celebrate the coming holidays.

The annual entertainment of our Sunday school will be held in the Presbyterian church on Wednesday evening, December 24, when a good time is expected.

Business places are busy, each place attending to its particular class of merchandise.

Mr. McLeod is getting along fairly well with his new mill, and hopes it will be in running order by the middle of January.

We were just reading that lengthy poem on church bazaars and box socials, and it contains a lot of good ideas. It just brought to our memory a poem a near friend of the writer wrote long years ago, about a church bazaar which was held in the new church when the old one was abandoned. It ran like this:

"Success to the members of Vanity Fair,
Which goes by the name of St. Andrew's Bazaar.
May Wisdom's good counsel be never denied,
May honor and virtue stand firm by her side.
I reverently thought of the old house of prayer
To which our forefathers did often repair;
But change would persuade me 'twas sacred no more.
Yet embalmed in my heart lies the temple of yore."

This is all we can memorize of the poem, which was a long one, too. In the time the old kirk of some 75 years ago was in use, there were no such things as concerts, tea meetings, box socials etc., but time has changed. So our good friend thought that making the Lord's House a house of merchandize was going beyond the bounds of raising funds to support the church, and in reality it's not much short of being a fact.

Priceville is honored by one of its young girls, Miss Myrie McLean, winning the gold medal at the Owen Sound Collegiate.

Robt. Shortreed and D. McLachlin are regular in attending to their routes in delivering mail.

Otto Konold only threshed on Friday last, the 19th inst. Otto has a new kind of oats, which he prizes very much.

A number from here took in the Durham Fair last Thursday, and report the fair a good one.

Teachers will be hanging up their knapsacks for a week or ten days, which to them will appear shorter than the rest of the days.

Wishing the Editor and assistants a pleasant Christmas and a prosperous New Year, we will adjourn for this week.

## Poor Blood is Responsible

for much sickness and suffering because its quality determines our resistive power. With poor blood we are languid, susceptible to colds, lack natural energy and ambition, and the gradual decline of strength makes prompt and careful treatment necessary. Drugs or alcohol cannot make blood and must be avoided.

SCOTT'S EMULSION is nature's grandest blood-maker because of its wholesome medical nourishment, so carefully predigested that it assimilates without taxing digestion and quickly increases the red corpuscles of the blood, strengthens the organs and tissues and upbuilds the whole system.

Absolutely nothing compares with SCOTT'S EMULSION to purify and enrich the blood to overcome or avoid anaemia. It is totally free from alcohol or opiates and your health demands the purity of SCOTT'S.

### DON'T DOPE WITH ALCOHOLIC "TONICS"

This is honest advice for you who are run down and sick—don't dope with alcoholic "tonics." We are backing this advice with our personal guarantee of satisfaction to you, or your money back.

There are a lot of so-called "tonics" on the market that do not depend for their short-lived popularity on any real merit they possess, but for the fact that the alcohol in most of them and the dangerous or habit-forming drugs in some of them give a few moments' exhilaration and liveliness after a dose is taken. After a while, even this effect ceases to take place, and the unfortunate patient, worse off than before, turns for relief to something else.

Don't dope yourself with such stuff. Take real medicine that will do you good, that will supply to your system the strengthening, disease-relieving, and disease-resisting ingredients it needs. Take Rexall Olive Oil Emulsion and get well and keep well. It is a real blood and nerve-food medicine. It contains no alcohol nor any other dangerous or habit-forming drugs, but is made entirely from ingredients needed to build up the strength and health of the ailing.

You who are weak and run-down, and you who are apparently well now, but are liable to suffer from various cold-weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies is for freedom from sickness of you and your family. Pleasant-tasting—unlike the cod liver oil preparations, you'll be as enthusiastic about it as we are when you have noted its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Macfarlane & Co., Durham, Ont.
