ZION.

The weather for the past week or so has been very mild for this time of year and the roads are in excellent condition. So our teamsters are making good progress and hustling out big loads of nearly everything saleable. Amongst the number we might mention the following: Mr John Greenwood Jr., is drawing out oats and every day makes him twenty-five dollars richer; Mr John Robson is more than hustling out the logs for the new house, Mr W Timmins, Tom Timmins, Sam Edwards and a host of others are rolling out the wood, while Mr W Jack, R T Edwards and a few others are making ready for the hot months of summer and are drawing ice, some from Townsend's Lake, others from Durham and different points.

We are sorry to report the illness of Mrs T Blair, who has been very ill the greater part of last week. Dr Gun is in attendance and we are hoping to hear of our friend's speedy recovery.

Mr and Mrs Reed, parents of the late Mrs W Edwards are visiting friends around here these days. We are glad to say they both look well for their years.

Another visitor in this locality is Mr John Atcheson, of Waskada, Manitoba, staying with the Timmins family. It is sixteen years since John was in these parts, but those that knew him then, say he looks as healthy and strong as ever, so the prairie has agreed with him well. He is loud in his praises of the wheat province and would not live here again at any price.

Mr John Colbert visited with friends in Durham the greater part of last week and made the purchase of a new cutter and robe. They say it is a dandy.

Mr Sam Edwards sold his farm on the 8th con. of Glenelg, to Mr T Greenwood. We understand that Sam intends to leave for the West shortly.

Mrs John Love, Lauriston, sundayed at the old homestead and assisted the choir at the afternoon service in Zion's Temple. We are all pleased to see Ella here.

Mr Richard Davis, of Zion, better known as our Dick is working with Mr Robert Aljoe, of your town these days. He will find Dick to be a hustler.

Mull Corners.

Mr Will Quinn and his able gang of men are clearing out MacQuarrie's swamp. Charlie McCormick is darkening the sun with brush piles.

Mr Angus McCormick is visiting the parental home at present.

Mr Duncan McLean sold a valuable horse for the sum of $90.

Mr Duncan McQuarrie had Mr Bob Hall employed last week cutting wood.

Mr John Hewitson, from Lumsden, is visiting some of the people in this vicinity.

Mr George Caswell, who has been poorly all winter, is on the mend at present.

Mrs Sandy McCormick has been laid up for some time with a sprained ankle but is able to be around again.

Mr Willie Currie visited this vicinity lately. What attraction Willie?

There is a probability of losing Aberdeen P. O. as Miss McDonald is going to reside in Durham.

Mrs Donald McQuarrie is improving but very slowly.

Mr Wm Caswell, of Pinkerton, is visiting his brother George Caswell of this burg.

Glenelg Centre.

Weather in the past was gloomy, but now there is milder weather and more sunshine—perhaps a result of the Ross government having a majority of 7 with chances of three to five more.

Congratulations to the Priceville scribe on his happy ability to go back 50 years bringing before us the many changes which have taken place. We judge by the tenor of his remarks that his faculties and good judgment are still unimpaired.

Mr Jas White, formerly of Scotch Town, appears to have got a job in Cementville.

Mr Geo Binnie has presented himself with a fine new range stove which has no equal in this neighborhood.

Miss L Neil in company with Miss Mary M——, of the 4th, visited at J P Falaise's, of Gambol on the 4th inst.

Mr J P Falaise bought a cream separator from Agent Livingston and as it gives satisfaction more are likely to follow.

Lately struck our burg a Life Insurance Agent and by all appearance he has taken the life of one of our Centre boys.

The victories and defeats of the municipal election are now a thing of the past, but G. C. must be represented at the Board next year.

Mr A C McDonald, engineer, with son John, visited the old homestead recently.

Mr A Bell, Jr., of the grove, passed through here recently driving a dashing grey.

WANTED—SEVERAL PERSONS OF CHARacter and good reputation in each state (one in this county required) to represent and advertise old established wealthy business house of solid financial standing. Colonial Co., 334 Dearborn St., Chicago.

Balsam Valley.

Mr George Haw is not improving in health very much we are sorry to say.

John E Ferguson while chopping a small tree which was bowed by a large lodged one, was struck in the face as it flew back and knocked senseless, cutting and bruising his face up badly and breaking his nose. Dr Dixon was called upon who set the nose and put several stitches in his face. John got a hard blow but we hope when his face is healed that there will no scars left.

Miss Mary Eccles, who has been in Dundalk for the past month with her auntie Mrs Mossop resting herself after having gone under the operation for appendicitis, is at home again among her Boothville friends looking well and completely cured, which we are all greatly pleased to hear.

Mr Jno McQueen, of Boothville, is pretty well again. John is quite a checker player, but when the lad from Balsam Valley took three games on him hand-running.—Well, he just laughed.

The young people of Boothville school section are busy practicing for the entertainment which takes place next Friday night

Mr Jno Orchard is home again from London with a spry driver and a gay team of grays.

Mr Alex Calder leaves for Winnipeg next Wednesday. Safe journey Alex.

Born to Mr and Mrs Neil Cameron on Wednesday last a son. All are well.

BOOTHVILLE.

It is some time since there was a budget from Boothville so we must write or your readers will think we are snowed under.

We are having a spell of fine weather and every one seems to be enjoying it and busy getting their teaming done.

Mr Wm J Wilson has returned home from Port Hope where he spent a few weeks with his sister, Mrs Robt. Campbell and attended the funeral of her husband.

Considerable land has changed owners lately. Ed. Harrison bought the Peter Watson farm and Wm J Wilson has bought Sam Petty's known as the Pitt farm.

Before this reaches your readers, Mr Wm McLeod will be bound by wedlock bonds to his better half. Congratulations, Willie.

The Literary and Debating Society in the School House is well kept up and the house is crowded every night. The last debate was excellent and Boothville won by 40 marks. John Aldcorn and Arch McMillan acted as judges.

Mr Gilbert McQueen, of Duntroon, and his bride were on their tour and, after spending a few days with friends here, left to visit friends in Minto.

Miss Hubbard of Toronto, is visiting at Mr Donald McCannel's.

A little boy has come to stay at Neil Cameron's

Our blacksmith has been very busy during the thaw: when the stormy weather comes he is not so busy. To see that he is handy with carpenter's tools, just step across to Mr Hill's waggon shop and see what he has been making for the ladies. It is both useful and ornamental.

Willie R. keeps the road broken to the north.

Mr Fred Runciman is busy painting Mr. Findlay's new store.

We sympathize with Mr. and Mrs. McFarlane the death of their little child. She had recovered from a severe attack of whooping cough and although often at death's door, she lived through it and was gaining nicely when indigestion and inflamation set in and the little sufferer lasted only a few days.

Mr John Richardson, Swinton Park, died very suddenly at his home on Monday evening. He was in good health up to the time of his death. Mr Richardson was one of the pioneers of Proton. The Swinton Park Cor. will likely give the sketch of his life.

Misses Mary and Sarah Ann Clark went to Toronto last week.

Mrs. Arch. Clark is confined to her room with severe cold and rheumatism.

Mr. Neil McCannel, his mother and Mrs. W. McLeod visited friends at Brownsville and Boothville last week. Neil intends to attend the auction sale of his brother-in-law, F. McLeod of Sunnidale to-day, Tuesday.

A prayer meeting will be held at Swinton Park. Two elders will be elected.

Miss Annie McCannel had a driver to Swamp College.

Mr. and Mrs. Hill visited at the brick maker's, John Haw last Sunday.

We would like to know if Gib got home safe.

Live Stock Markets Toronto.

Trade at the Toronto Cattle Market today showed some improvement over that of the previous days of the week.

Export Cattle—The demand for cattle was very little better and showed little improvement, but the offerings were light. The quality of the stuff was only moderately good and prices showed practically no tendency to stiffen. About $4.75 per cwt was paid for the best stuff on the market and there was little or no fancy stock offering to fetch better figures.

Butchers' Cattle—Prices for this line of cattle were pretty well maintained, although the demand was no better than at recent markets. Doubtless the light run helped to keep prices in their place. The best cattle sold at about $4.40 per cwt.

Stockers and Feeders—Some stock was on the market to-day and sold at fairly good prices. The demand for good feed cattle of all kinds continues good and prices are about steady $3.75 to $5.00.

Sheep and Lambs—There was a fairly large run to-day and trade was generally good. Quotations continue unchanged, with prospects steady $3.50 to $5.40.

Calves—Good veal calves continue in good demand and prices are steady at $2 to $10 each, or 4½c to 6c per lb.

Hogs—The run was fairly heavy, with the demand light. Prices declined 10c per cwt for all grades of stock select $5 to $5.80.
