SECOND DAY

The Society and Directors are in luck this year as to weather and the fine day brought out the old time crowds giving a gate receipt of $360. As will be seen by the prize list there was keen competition in most lines, especially in young horses. Interest centred largely in the races, which are undoubtedly the chief drawing feature of these shows. Both the Free for all and the 2.50 trot gave race lovers a fine exhibition, in the former between Pearl Tipping and Vicky Klock and in the other between Robt. Scott's speedy "Paddy McKinley" and "Lady K." Five heats in the "Free for all," four in the 2.50, and five in the farmers' trot made a busy afternoon. The starter was Wm Caldwell, Judge, Wm Black, Time-keeper, John O. Moore of Wilson, N. Y. at present home on a visit and who we believe thinks we have some good horse flesh in Durham and near it.

A game of football was an interesting outside feature, between Durham and Pomona, the former winning 1 to 0. The Regimental Band rendered fine music at intervals afternoon and evening.

Inside hall on 2nd day we noticed that W J McFadden had a display of organs and pianos from the Doherty Co., Clinton, which found many admirers. On the other side Agent John Murdick drew crowds round his sewing machines, Cream Separators, &c.

THE CONCERT

The hall was filled to hear the Hewer Male quartette, new to Durham, but they have left a splendid impression. Their selections were admirable and their voices could not be excelled in power, pathos and harmony. Erne Saunders, the Comedian, kept the audience in laughter with his costumes and quibs and a word of praise should be given to the excellent accompanying The singing of the boys Adair, and Selby was a popular feature as it deserved to be and they were loudly applauded. The proceeds amounted to about $100.

The Show and the Concert of 1908 has left an excellent impression, and we congratulate the officials on their success, We thank the obliging and efficient Secretary, Mr. C. Firth for press courtesies.
