1848 — A DIAMOND WEDDING — 1908

MR. AND MRS. ARCH. LITTLE, DISLEY, SASK.

Many of our readers will recognize the well-known features above, to whom it has been given to see the 60th anniversary of their Wedding Day and still in fair health at the the home of their son Adam. The photo was taken on the 9th of November, the wedding day, when around them were gathered in the hospitable home of Mr and Mrs Adam Little, many of their immediate neighbors and other friends. Among these were Mr and Mrs John Campbell, Mrs Pettigrew, Sr., Mr Robt. Morice, Mr Jno. Pettigrew and sister Lizzie, known to South Grey people. There was a splendid display and a most agreeable time spent with the patriarchal bride and groom on whom were showered many good wishes.

Mr Little was born 83 years ago in Dunfriesshire, Mrs Little (a Miss Turnbull) in Forfarshire one year later. They crossed the ocean in 1841 were married in Galt in 1848 and came to this neighborhood in 1859. Three sons and five daughters were born unto them and are alive to this day rejoicing that to their parents has been granted such a long lease of useful life. They are Archie and Adam of Disley, Robert of Thornbury, Mrs T. and Mrs S. McComb of Durham, Mrs E. W. Clark, Brantford and Mrs P. Simons, Hamilton.

Ten years ago we recorded their Golden Wedding, and we close now as we did then, in the same words, but with added emphasis to a still rarer event:

"The REVIEW joins heartily in the good wishes and congratulations so appropriate to the celebration of so rare an event and hopes the evening of their lives may be spent as a glorious sunset."

North Egremont.

A 15c admission, $22.00 crowd attended the S. S. Social held at the Ebenezer on Townline Glenelg and Egremont where a long program of music and recitations were rendered by the scholars, everyone nearly we think taking part. Addresses were given by Revs. Mr Matheson, Mr G. Kendall and Mr Dynes. In the absence of the Pastor, Rev. Mr Berry (detained through sickness), the chair on motion, was taken by Mr Geo. Lothian who filled the position very acceptably. A choir made up from the Dromore and Hall Organization furnished music for the occasion, Miss Mary Ramage presiding at the organ. Miss Clara Hooper playing for the scholars. Miss Mabel Berry sang two solos acceptably. To enumerate the various performers is beyond our ability suffice to say they were all fairly well rendered.

Our ratepayers are evidently hopeful of the future prosperity of the country under the continued good Government of Sir Wilfrid Laurier several of whom may be mentioned. Mr J. M. Lawrence getting the Wilson Farms. Mr Philip Lawrence that of Mr Wm Davis. Mr Thos. Harrison Jr the other farm of Mr Orchard, Mr Harrison while on a visit to London last week made the deal. He is doing a good business with his saw mill having several good contracts on hand.

Miss Maggie Hamilton was home from the Northern Business College Owen Sound last week end.

Miss Maggie Myers left for Toronto a week ago last Saturday.

Mrs R. P. Legate and family together with Mr and Mrs Robt Wright and family spent Thanksgiving at the home of the children's grandparents, Mr Legate and Mr and Mrs Coleridge.

Mr Gordon Geddes and Miss Robena Geddes recently paid a visit to friends in Galt returning last week.

Rev. Mr Berry held services at the Hall on Sunday last at 3 p. m. when the good attendance would warrant the holding of alternate services with the Ebenzer.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the Stomach or stimulating the Heart and Kidneys is surely wrong! Dr Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs" said he. Each inside organ has its controlling or "inside nerve" When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr Shoop's Restorative. A few days test will surely tell! Sold by MacFarlane and Co.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential.
Dr. Shoop's Night Cure is the Local.
Dr. Shoop's Restorative, the Constitutional.
The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood allfulness.
The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well
