Dornoch

Mrs Robt. Nickell, accompanied by her two bonnie daughters, Marjorie and Marguerite, leave this week for their home in Rockwood after an extended visit with her parents, Mr and Mrs Duncan Campbell of Bentinck.

Having disposed of his farm, Mr D. A. Smith is spending this week around Tilbury, Kent Co. with a view to purchasing property in that locality. Mr and Mrs Smith have been estimable citizens and their removal will be a decided loss to moral and social welfare of the community.

Pre-eminently popular among the young people is Mr James Moffat, an auspicious youth of Bentinck, who spent a pleasant fortnight visiting friends and old acquaintances in and around Clinton, Huron Co.

Mrs Wm Smith Sr., returned to her home in the village a fortnight ago after spending the fall and winter months with her daughter Mrs Robert Mills of Valetta and with her son Rev J. F. Smith of Tilbury, Kent Co.

A winsome lady is Miss Sarah Young of Glascott, who spent a pleasant week with friends and acquaintances in this locality.

Mr Mack Jones the genial clerk who catered to the wants of Mr Hunt's numerous customers a couple of years ago, came up from the Queen City this week for a few well earned holidays. Pleased to note Mack's continued progress, socially and financially.

Scotty, the one-eyed wonder was disposed off last week for a fabulous figure to a dealer in curios, from one of our Northern burgs. Scotty, as his name implies was recently imported from the land of the heather, and possesses all the requisites, essential to becoming a money-making proposition in some menagerie, for he can perform almost any feat, except climb a tree.

Latona Dramatic Society may feel justly proud of the brilliant success which pervaded every feature of the entertainment held in the school house on Friday evening last. The weather conditions being perfect, the commodious building was filled to its utmost capacity, a goodly number being present from outside points. Dr J. L. Smith occupied the chair and discharged the duties incumbent with such an office in a highly creditable manner. The children acquitted themselves with honor in their recitations, drills, singing, etc, their patriotic choruses being highly appreciated. The young people of the section rendered several extremely humorous dialogues, which elicited prolonged applause from the audience. The genial Pat Malone was in fine form, his violin selections being characterized by that melody and harmony which only the higher artist possess. The various accompaniments executed by Miss Minnie McMitchell, of Williamsford, showed the possession of a gifted touch, and were the subject of much favorable comment. The boxes were auctioned by Mr McMitchell, but these exquisite specimens of handiwork did not bring the fabulous prices usually paid and consequently the proceeds were not so large as formerly, being in the neighborhood of $50.00.

Have you a pain—of any kind, anywhere? Stop just a minute and think! It matters not whether it be womanly pains, head pains, or any kind of a pain, one of Dr. Shoop's little Pink Pain Tablets will surely stop it in 20 minutes. Formula plainly printed on the 25c box. Sold by MacFarlane & Co.

Horse buyers visited here last Saturday and bought some horses. The people are raising good horses now.

Considerable moving about is being done by our farmers; the Troup brothers got tired of batching here and have rented the farm to Dougal McColl, who has moved from the Scrimmger farm to their farm, many others renting and selling and going west or north.

Miss Fettes, of the 11th Con., who was in the Guelph hospital, is home and better.

Easily Mixed Kidney Recipe.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease.

Fluid Extra Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparille, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Mulock

A failing tiny nerve—no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was was wrong to drug a weak or failing Stomach, Heart or Kidneys. His prescription—Dr Shoop's Restorative—is directed straight for the cause of these ailments—there weak and faltering inside nerves. This no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by MacFarlane & Co.

North Egremont.

Miss Davis, of Glenelg, visited her cousins and uncle and aunt here last week, Mr and Mrs W. P. Watson.

Mr John Calder's sale passed off very successfully on Wednesday last, implements realizing a higher figure than usually obtains. Stock also went high under McPhail's hammer, cows bringing an average of $50.00, one as high as $52 50. He leaves shortly for Alaska, his wife accompanying and the community sends good wishes with them.

Mr John Hornsby, we are glad to report, is so far recovered from his recent indisposition, as to be out again.

Mr John McQueen, agent for the Bell Organ Co in your town, recently installed a fine Bell organ in the home of Mr Wm Lawrence, Jr., Lot 6, Con. 21. It is equipped with the fine pipe tone effect, a recent acquisition of this well-known firm.

Born—to Mr and Mrs Thos Brown, last week, a daughter. Congratulations.

On Friday last, the 12th inst., Priceville choir, together with some of their friends, met with the Dromore choir at the home of Mr and Mrs Wm. W. Ramage, when a mutually pleasant evening was spent. The choirs in turn rendered sweet music, interspersed with pleasant social chat and in one or two pieces massed their voices in grand chorus. At midnight a supper was served the menu including oysters and other delicacies and about 2 a. m. a very pleasant gathering broke up.

This community was greatly grieved last week to learn of the sudden death of young Herbert Lawrence. Home for a holiday during a slack season in his business at Toronto, and anticipating a pleasant and sociable time, he went out to assist his brother in cutting down a tree, when a limb, breaking, came down upon his head crushing his skull and rendering him insensible. he lived for about an hour afterwards, his brother went home for assistance, after making him as comfortable as possible, but he never rallied. To the sorrowing father and mother and family we extend deep symyathy.

Nothing in the way of a Cough is quite so annoying as a tickling, teasing, wheezing, bronchia-Cough. The quickest relief comes perhaps from a prescription known to Druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub, give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by MacFarlane & Co.

Sackett's Corners.

Mr Editor please excuse our laziness this last couple of weeks. As the la gripe gave us all a call. Perhaps it took us a little long to get over the Bachelors' Ball, at Dromore which was a great success and was attended by all the youth and beauty of this vicinity.

As the larger stars do not always eclipse the smaller ones nor does the larger parties the smaller ones. As those will tell you who attended the welcoming party at the new bride and groom, Mr and Mrs W. J. Eccles. As the young ladies who attended from this corner said they had a very swell time.

We are sorry to hear that Miss Margaret McDougall who has not been very well of late, is not improving very fast.

We regret to say that Mrs Sandy Ferguson is very ill at present but hope to hear of her speedy recovery.

Mr S. Williams had a very successfull wood bee which ended up in the usual way and one of our young ladies may be heard sadly singing "I'm ower Young to Marry Yet."

Mrs Fathergill and Miss Leopard, of Euphrasia, were the guests of Mrs S. McMurdo last week.

Miss Eva Ferguson of Galt is at present visiting her aunt Mrs Geo. Sackett.

Mr and Mrs J. L. Ferguson and Mr and Mrs Wm Sackett spent a very enjoyable evening with friends on the nineteenth last week.

A number of our young people attended Hopeville church on Sabbath evening. The Rev. Mr Gibson must surely possess the power of drawing the young people out as we always hear of large crowds attending the Sunday evening services.

To the Editor DURHAM REVIEW:

I also wish to thank Mr George Campbell and my many friends for their kind sympathy and substantial aid.
