Dornoch

Harvesting is a thing of the past and now the busy hum of the thresher is heard on all sides. The farmers are wearing broad smiles these days as the yield of grain is large and of excellent quality.

Rev. N. A. accompanied by Mrs McDonald and family returned to the manse this week after enjoying their annual vacation with friends in Sutton and Mt. Forest.

Miss Ruby Alexander of Allan Park, spent a pleasant week at the home of her uncle, J. H. Alexander of Bentinck.

Miss Susie MacIntosh left this week for the Queen City after a two month's recreation at her home in the village.

Mrs Thomas McKnight, accompanied by Miss Lysla, visited relatives last week in Toronto and took in the sights at the Canadian National Exhibion.

Mr C. R. MacIntosh, B. A. left on Labor Day to resume his duties as Principal of Perth Model School after an enjoyable holiday in Dornoch, Sault Ste Marie and Chesley.

Mr H. Hunt, our genial merchant spent last week in the Queen City purchasing goods for the fall trade and taking in the sights of the big Fair.

Mrs Charles Heft of the Canadian Sault, accompanied by Master Ross, is visiting at her former home south of the burg.

A winsome lady is Miss Alice Corlett, who returned to Chicago on Tuesday last, after a pleasant fortnight's vacation at the old home in Bentinck.

Mr Carrol Hunt left a fortnight ago to spend a term at the Owen Sound Collegiate Institute. Carrol is a bright popular youth, and we wish him the success which he merits in his new sphere of activity.

Mrs Wm Smith Sr. and Mrs Wm Smith Jr., leave the latter part of week to spend a fortnight with friends and relatives in and around Tilbury, Kent Co.

A sad death occurred in Holland on the Monday preceding last when the spirit of Miss Catharine Pryle winged its early flight to the land of the hereafter. Deceased was in her usual health until Sunday morning, when a fatal illness set in and extinguished the spark of life as the chilling frost nips the blushing rose. Miss Pryle was a bright bonny young woman of twenty-five summers, popular with all on account of her possessing "the ways that win, the arts that please," and her premature demise, in the blush of promise, is an extremely regrettable occurence. The remains were interred in the Roman Catholic cemetery on Friday last followed by an unusually large concourse of sorrowing friends and relatives, whose hearts with anguish keen, are almost rent in twain.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach, means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This explains why Dr Shoop's Restorative is promptly helping Stomach, Heart, and Kidney ailments. The Restorative reaches out for the actual cause of these ailments.—the failing "inside nerves." Anyway test the Restorative 48 hours. It won't cure as soon as that, but you will surely know that help is coming. Sold by MacFarlane & Co.

Swinton Park

Harvesting is over and threshing begun. Grain is turning out well and of excellent quality.

While repairing his outfit before starting out threshing Mr J. Ferris had the misfortune of getting his thumb and first finger badly crushed and is unable to take his place at the engine. Jack Hill who is an expert engineer is taking his place for the present.

Messrs George Watson, Wm Aldcorn and R. Kennel took in Toronto Exhibition sights last week.

The young people of Swamp College and Swinton Park have organized a Literary Society and held a very successful meeting at the Park last Thursday evening. The next meeting is to be held at the college.

The Bachelor's club has been reorganized for the fall and winter. At the first meeting on Saturday 4th a large number of old members were present and a few new ones initiated in the usual manner by taking a round with the gloves at President J. Porter.

Saturday evening last there was a fine attendance at Swinton Park to witness the five mile race between R. J. McNulty and W. Black on foot and R. Campbell with horse and cart. On the start the boys took the lead but as Bob got his horse down to its work he soon flew past them before the first mile and a quarter was made. When they were about 20 minutes gone all eyes were on the hill to the east, being the direction from which they were come, and soon the words were heard, hear comes Bob and the horse, who came in at his ease making the five miles in 24 minutes when the boys came in sight, Black finishing in 27 min. 40 sec. and McNulty finishing in 28 min. The race was strictly for sport no money being up and Campbell is now ready to trot anything at all, biped, quadruped or centipede from Tommy Longboat to the five-legged bronco of Arizona.

Hopeville.

Another foot race in Proton is over between two young men and a horse trotting in a sulky, for five miles, on Saturday evening, Sept. 11th.

The race had been arranged for some time between Robert Campbell and his horse and cart, and Will Black, who won the five mile some time ago here, and young McNulty, who has won money at previous races. They started on 16th con. at 7 sideroad, then south to 14th con. (Beer Street) then along Beer Street to the 12th sideroad, Campbell's Corners, thence north to 16th con., to the place of beginning. The race was won by Campbell and his horse, being in 3½ minutes before the runners who were one-half mile behind then. Black was a little ahead of McNulty.

Another race is talked about here or rather a special prize is given for the best outfit of a horse and buggy. It is open only to aged bachelors and young widowers. One party living near is seen often driving out in the evenings with his buggy well decorated; others that we hear of are: a Councillor, a saw-mill man, a contractor and engineer, also a party on Beer Street.

The harvest is all about in, only some flat land left. The threshing machine is going now and grain is turning out very well.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good!! Hereafter for this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding
