Here it is: Equal parts of CorrosiveSublimate and Sodium Chloride dissolved in one gallon of hot water. When dissolved add water to make 25 gallons. Spray every nook and crevice well; leave for two days then give a thorough coat of whitewash.

The correct proportions will gladly be supplied by calling at

AROUND THE VILLAGE

Miss Meadie Hincks is at home from the city at present.

Miss Berta Aldcorn Sundayed with friends in Swinton Park.

Dr. Kinsey, of Toronto, was the guest of Dr. Lane for a number of days.

Mrs Leece is holidaying at her home in St. Catherines, while Rev. Leece is attending conference in Toronto.

The work on the new C. P. R. bridge is making steady progress.

Mrs Lane and baby are visiting the former's mother in Port Elgin for a few weeks.

Our veteran fisherman, Mr Dongald McCormack, caught two (15 in. and 11 in.) speckled beauties with one throw of the rod. Where can this be beaten?

Neil McKinnon, Jr., is being congratulated upon having obtained "special proficiency" in his first year medical exam.

We noticed a gentleman taking one by one of a recently bereaved family out to his home. This, we consider real practical sympathy.

A large attendance greeted Dr. Margaret Patterson on Sabbath evening, June 7th, to hear a very interesting address on conditions in India, where she had laboured for ten years. On the following Tuesday she addressed the Women's Institute at the home of Mrs Sackett on Social Service work. Her practical commonsense talks must certainly leave a lasting impression. She was most kindly taken to Hopeville her next appointment, by Dr. Jamieson, of Durham, in his auto.

PRICEVILLE

Congratulations to the Editor for receiving the choice of the Liberal Convention held in Durham last week. And we hope to congratulate him in a more exalted manner on the evening of the 29th June, 1914, by addressing him as M. P. P. As it is a delicate matter for an editor to say anything concerning his abilities when placed in a position of honor as a public man to serve his country in his own paper, we take the liberty of giving a small historical sketch of Mr Ramage, as a public man, since the days of his boyhood when he was associate editor of the Priceville Courier when a boy of some 18 or 19 years of age. Personally we have known Mr. Ramage since and no one can point the finger at him but can say that he was a straight forward man in all his official capacities,—as teacher for a number of years and Editor of the Durham Review for over 20 years a paper that has a large circulation, not only in the County of Grey but also in far away provinces.

Mr Ramage is a man who always takes a great interest in the advancement of moral and religious affairs. As he is a strictly temperance man, he is a firm believer in abolishing that which tends to ruin a large portion of the human race both in body and spirit. We think that all who claim to uphold the principles of christianity, irrespective of any political differences, should cast their ballots in favor of Mr. Ramage on June 29th, 1914.

Mr. and Mrs. Park of Allan Park, visited at their daughters and son-in-laws, Mr and Mrs Mather, south line on Saturday afternoon and attended church on Sunday.

The Presbyterian church people found large accommodation for their horses on Sunday last by tying them here and there and all over as the old sheds are piled in a heap down near Black's shed. The old saying cannot be applied, "Don't throw out the dirty water till you get the clean in." But the contractors say they can have them ready in a month or so.

Good weather for killing weeds but not suitable for the growing crop. We are looking for rain but has not come so far. We are now in the middle of June and another month should be haying but it has to grow quite a bit yet. Fall wheat is heading out: Mr. Arch. McCuaig of Top Cliff has a 16 acre field of fall wheat which looks good and beginning to head out, and others have smaller fields equally as good.

Mr. Hugh McArthur, Cheboygan, U. S. A., is at present visiting his mother who is dangerously ill by having an attack of paralytic stroke.

Anniversary services will be held in St. Andrew's Church, Swinton Park on Sabbath June 28th at 2.45 and 8 p m when the preacher will be Rev. Jenkins Burkholder of Caledon. On Monday following the Anniversary garden party or entertainment will be held. Supper will be provided from 5 to 7 p m. The program will commence with games of football, baseball, etc. Rev Dr. Marsh of Holstein will be on hand with his limelight views and will take his audience on a trip to the skies. Come with him and get a glimpse of the workshop of the Almighty. See the great Sun spots and Sun fires 400,000 miles high and stars by the million.

HOPEVILLE
