SOUTH BEND

Mr. and Mrs Wilson and the former's mother of Hamilton, called at Mrs. Rawn's last week. They had been motoring as far as Markdale.

Mrs W. H. Sim, Yeovil, visited her sister here this week.

There must be something inflammable about the air or ground of the south end of the Bend, as there is a barn or house burned every year. Mr Barney McAulay is the unfortunate one this time in having his barn burned last week. It is a hard outlook for his stock with the whole season's crop consumed. However we are glad to hear it was partially covered by insurance. It is wise people that keep their buildings insured, as we never know when a fire may take place.

The many friends of Mrs Val. Eurig will be glad to know that she is improving nicely from her recent illness. Also that Mr E. H. Halliday is expected to be able to leave the hospital and return home the beginning of the week.

Everyone is looking forward to having a good time at the Letter Breen Anniversary next Sunday and the fowl supper on Monday evening. A good program and supper is assured.

Rally Day services at Letter Breen on Sunday were well carried out, the children doing their part well. Mr. Wesley Halliday took charge of program.

This section feels very proud over the good showing at the School Fair in Holstein last Tuesday. They succeeded in winning 3rd prize for parade and thirty prizes for exhibits, amounting to $10.75. Eight 1sts and seven 2nds is splendid with seven schools to compete with and the first time to enter. The following are the names of the sucessful pupils:

Earl Hunt, 1st for pets and shingling seat; 2nd for mangels; 3rd for lamb; 4th for onions; 6th, brown eggs.

Frank Cowan: 1st, writing; 3rd, sheaf; 4th, map and carrots; 5th, grain.

Gladys Rawn: 1st, bread; 4th, apple pie, 5th, clothes pin apron.

Murray Dowling: Three 1sts for heavy colt, driving and bird house.

Parker Eurig: 1st lamb; 2nd colt; 5th, potatoes.

Gladys Halliday: 2nd, oatmeal cookies; 2nd, weeds.

Jean McKenzie; 2nd, drawing; 2nd weeds and seeds.

Muriel Halliday; 2nd cosmos; 3rd, bread.

Olive Wright; 3rd, brown layer cake

Kenneth Dowling, corn

Keaneth Dowling; 3rd, corn

George Moyer; 4th, cosmos.

We congratulate both teacher and pupils as their prizes were not won without some extra work outside school hours and hope they may do even better next year.

The thrashing was all finished up on Saturday for this year and all feel thankful for the bountiful harvest God has given. There was a very good yield of grain and plenty of fodder for the stock. The severe frost lately did some damage to the corn that was not cut.

DROMORE

The marriage of one of our popular young ladies took place at the home of her parents, Mr. and Mrs John Renton, Dromore, on Wednesday the 19th inst. at 12.30 when their second daughter Eva became the bride of Mr. Alex. Milne Jr. only son of Mr. Alex. and the late Mrs. Milne.

During the playing of Lohengrin's Wedding March by Miss Agnes Renwick, the bride entered the parlor, escorted by her father, and took her place beside her future husband, before Rev. W J Burnett, who conducted the marriage ceremony.

The bride was dressed in white silk crepe and wore a tulle veil with a coronet of orange blossoms and carried a shower boquet of Ophelia roses. She also wore a rope of pearls, the gift of the groom. After the ceremony and congratulations, a dainty wedding breakfast was served, the table being prettily decorated with pink and white flowers and centred with the wedding cake.

The immediate friends of contracting parties only, were present. The groom's gift to the organist was a beautiful ivory manicure roll and to Misses Bessie Drimmie and Bena Bunston, ladies in waiting, pieces of china. The bridal couple took the afternoon train from Mt. Forest for Toronto, Niagara Falls and Buffalo. The bride's travelling suit was of navy blue tricotine, embroidered with grey. On their return they will take up residence on the groom's farm just east of and adjoining Dromore.

Congratulations and best wishes are given to the popular young couple and the section and many more, wish for them much happiness in their new relationship.

Miss Peart of Tavistock, was a recent visitor at the home of Mrs Robt. Renwick, Jr. and other friends.

Mrs Walker (nee Janet Hay) is visiting at the home of her mother, Mrs Wm. Hay.

Mr. W H. Hunter has recently been filling silos for R. Taylor, Stanley Williams, R. Keith, W. Wells and others with his kerosene tractor.

Mrs. Joseph Moore has returned after waiting upon her sister, Mrs P. Muir, in her last illness.

The Dromore Branch of Women's Institute will meet in Russell Hall on Wednesday afternoon, Oct 3rd at 2.30 o'clock. The Holstein branch have and take charge of the meeting and an interesting program is assured. We would like to see every lady of the community present.

BORN

McFARLANE—At Tregarva, Sask., on Sunday, Sept. 9th to Mr. and Mrs. Andrew McFarlane (nee Rita Sharp, South Bend) a daughter.

HYMENEAL

ROTHWELL—PINDER

The home of Mr. and Mrs. W. T. Pinder, Holstein, was the scene of a pretty wedding on Wednesday, Sept. 19th, at 12.30 noon, when their eldest daughter, Grace May, was united in marriage to Mr. Frederick Rothwell, youngest son of the late Mr and Mrs Alfred Rothwell, Toronto. Rev. L. E. West officiated.

The bride, who was given away by her father, looked pretty in a gown of silver grey canton crepe and carried a boquet of sweetheart roses and maiden hair fern. She also wore the groom's gift, a rope of pearls. Miss Gertrude Pettigrew of Toronto, played the wedding march. After the luncheon, the happy couple left on the afternoon train for Toronto where they will reside on 94 Kenneth Ave.

Those who were present from a distance were, Mrs Williamson and daughter, Miss Jean, Mrs W A. Bell, Mrs Lettee of Toronto and Mr. and Mrs. Fred Wilton of Walkerton.

Holstein Fall Fair

Another Successful Year

All roads led to Holstein on Wednesday last, where the "World's Fair" was being held. The Directors seem to stand in good with the weather man for on both days ideal weather prevailed, indeed, if anything the second day was too hot.

The township as usual turned out in large numbers, the gate receipts amounting to about $260.00 which equals last year at least. The Hall was filled with choice specimens of the products of farm, garden and home.

The space allotted for ladies' domestic culinary work proved too small this year. Vegetables did not suggest a dry season as we had last summer; the samples of grain were not as numerous as in some past years and fruit too has been better, but the showing was good for the season. Ladies' fingering work upstairs seemed an excellent assortment, but we heard one lady say it was not up to Durham.

The feature of the Show is the splendid exhibits of cattle. The Judge informed us he had examined 169, half of them thoroughbred and he found amongst them animals of first class quality.

Keen contests took place in most instances and we refer our readers to the prize list for the winners. The shady show ground with the maples taking on their beautiful fall adornment, was a good place in a hot day.

The concert was described to us as "an unqualified success." How could it be otherwise with such talent as James Fax and the three brilliant entertainers accompanying him? As a humorist Fax is clean and easily the "daddy of them all" as one enthusiast put it. Every seat was sold and the aisles "chaired."
