SWINTON PARK

Sorry that the newly established home of Mr and Mrs Wesley Heard, has been sorely afflicted during the past three weeks. First Mrs Heard, (nee Allie Harrison) had a severe attack of quinsy and for several days was under the Dr's care before she showed signs of recovery. Wes was stricken with blood poisoning, started from a scratch on his hand and which has been very serious. He is at present we believe, considered slightly improved but still far from well.

Mr Neil McLeod is also under the weather these days. Something unusual with Neil and we hope he may soon be around again.

Mrs Robt. Knox is spending the week with her daughter Mrs Mead, Durham Road, while Mr Mead is taking in the Fat Stock Show in Toronto.

Mrs John Renton and son Arthur of Dromore, spent Monday evening with Mr and Mrs John Aldcorn, kindly enquiring after friends in the West.

Mr J. H. Richardson is suffering from neuralgia in the face.

The 20th day of November is the day appointed for a joint meeting of the Priceville and Swinton Park congregations to be held in Priceville church for the purpose of giving a call lto a minister. These are troublous times in that matter as in all others but we hope for satisfactory arrangements.

Some of the Swinton boys attended the shooting match in Hopeville on Saturday last but so far we have not been invited to eat any fowl.

Mr and Mrs Jas. Kennedy and little daughter from Shelburne, visited Mr and Mrs Jno Aldcorn Sunday last.

We notice in our graveyard that two nice monuments were placed while we were in the West—one to Mr Joseph Phillips, the other in memory of Mr Archibald Campbell, son ofMr Donald Campbell, now of Orangeville. There are also two newly made graves this fall, both old people and long residents of this place, namely Mrs Hardy Sr and Samuel Kinnell's.

Rev. Mr Matheson Eulogized

"The Forester," organ of the I. O. F., published in the November issue, an excellent cut of Rev J. A. Matheson, B. D., formerly of Priceville. He is a veteran member of the I. O. F. The Forester says :

Brother Matheson was born a little more than half a century ago in Boulardarie, Cape Breton, N. S. He received his early training in the Sydney Academy. He is a graduate of Dalhousie College and later of Pine Hill Presbyterian College, where he won the degree of B. D.

His first charge was in High River, Alberta, where he joined the Order, and served with fidelity and success for six years. Coming to Ontario he was minister of Priceville for over 20 years and financial Secretary of the Court there, until he moved to his present charge at Mono Mills.

He is an ex-chaplain of the High Court of Central Ontario. He was unanimously elected to the Moderator's chair of the Synod of Toronto and Kingston at its annual meeting in October last. He is also Clerk of the Presbytery of Orangeville, a position that he has occupied for eleven years.

Our Brother is a fine type of the village and country pastor, who seeks service rather than distinction and plays a very important part in moulding the character of the community and promoting that righteousness that exalts a nation."

How the Carter Scholarship Originated

The Carter Scholarships were established by the late J. I. Carter of Sarnia. The scholarships were first awarded in Sarnia but were later extended to all the counties in Western Ontario. They are cash awards of one hundred, sixty and forty dollars, provided by a fund left in the will of the late Mr. Carter. It is entirey a county competition since there are three scholarships for each county.

IN DAYS OF YORE

15 YEARS AGO

From the Review fyle of Nov 19, 1908

Mr John Clark left for North Bay Tuesday morning where he will be assigned high constable duties in the new northern regions traversed by the G. T. P. and will likely be absent for several months.

HUNT—In Durham, on Friday, 13th Nov. Mrs John Hunt, after an illness of five or six weeks duration.

Mr Lawson of Vancouver city is spending a few days in Varney vicinity, visitng old frends and trying to sell the property of his father-in-law, Wm. Smih, who has taken such a fancy to British Columbia that he intends to make it his permanent home.

On Tuesday noon the 10th inst, the dwelling house of Donald McDougall, lot 45, con 2, SDR, Glenelg, was completely destroyed by fire. By the time Mrs McDougall had noticed it, it had too much headway to be extinguished. The wind being favorable the barn escaped without any danger. Under the circumstances Mr McDougall was lucky to secure a vacant house on Mr Neil McKinnon's place alongside, being the late Mrs Jas. McDonald's.

On uSnday and Monday, 8th and 9th, Hampden had gala Jubilee days when the past was recalled with loving hearts and the future looked forward to with confidence. Rev J. R. Craigie, Toronto and Rev W. C. Dodds of Rockwood, both former pastors ,conducted the Sunday services. On Monday evening Mr Arch Park had the honor of the chairmanship.

25 YEARS AGO

From the Review fyle of Nov 20, 1898

Follis—McIntosh—At the residence of the bride's parents on Oct. 5th, by Rev J. Little Mr John Wesley Follis of Owen Sound, to Maggie, eldest daughter of Mr and Mrs Alex. McIntosh, Dornoch.

Mr John Lambert of Guelph has been in Durham laying cement walks for the Guelph Paving Co. He took to Guelph with him a sample of the marl from the farm of Messrs McKechnie, 600 acres in and adjoining the town.

Last week at Edge Hill Mr Joseph Firth Sr. at the age of 87 killed and dressed a beef without any assistance, only to have help to hang same.

The sale on Wednesday last of Mr H. Parker's thoroughbred stock was largely attended, the fame of his stock and liberal advertising bringing many from a distance. 39 head were sold at about an average of $60 each. The highest price realized for one beast was $150. The auctioneer was a Mr Gaunt from St. Helens, Ont. and was well read up in the various points of the good families. There were no fewer than "12 wise men from the East" present, among them being Wm Aldcorn who bought 2 head and Neil McMillan 1, both of Swinton Park : Jno. Watson, 2 heifers and A. McIlvride, bull and heifer, Proton Station: A McCuaig and W. Nichol, each a cow and calf : And. McIlvride, Sr. each a cow and calf. Wm Mountain, Alex McDonald, T. Scarf, S. Wright, Arch. Hunter, Thos Mighton, each took home a cow : Arthur Johnston, 2 cows : W E McAllister, a heifer: Wm Scarf, 2 heifers : Harry Willis, bull calf : Wm McLellan, 2 heifers. Mr. Parker's enterprise in supplying so many hgh class animals should meet with its reward.

Warden's Salary Remains the Same.

At Tuesday's session of Grey County Council in Owen Sound, the salary of the Warden was kept at $200.00. Reeve McCuaig of Glenelg, brought in a bylaw to reduce it to $100, but after considerable discussion it was thrown out in committee of the whole by a vote of 16—7, in favor of amendment to keep it at the same figure as formerly.

Mother Had to Be Parted From Baby Boy

Little Jack is in a distant city. His mother is many miles away, and true to the old saying about distance making the heart grow fonder, Jackie's mother longs and longs for a sight of her little man. Now if it were only a case of miles and dollars she might somehow or other come home occasionally, but it's more than that. She has consumption.

When she thinks of the once happy triangle—mother, father and child—its mighty hard to keep from tears. She won't let Daddy bring Jack down to see her, despite the tug at the heart strings. "No," she says, "Jackie must not come, he might get consumption, too." So Jack lives with his grandmother, Daddy works in a machine shop, and mother is faithfully obeying doctor's and nurse's orders at the Muskoka Hospital for Consumptives. She hopes to be home for Christmas—healthy and happy.

Contributions to aid Muskoka Hospital in its work may be sent to Hon W. A. Charlton, 223 College Street Toronto.
