A number of our youth and beauty spent a social evening at Mr John McMeekin's, Thursday.

Miss Minnie Sinclair, Toronto, is visiting her brother Duncan, North Line.

Sorry to hear Mrs Duncan Sinclair is ill with pleurisy. Her many friends wish her a speedy recovery.

A euchre party was held at Mr. John Nichol's, Jr. Friday evening, and all report a pleasant time.

There appear to be a lot of colds and sore throats going the rounds. Mr Alfred Hincks had to close school for a few days owing to ill health.

The assessor, Mr Fred Boland called at the various homes last week.

Sorry to hear of Mrs Arch. McLean's illness. Nurse —— of Durham is in charge.

There was a pleasaant time spent on Wednesday evening at Guild, in the Hall, as it was social night. There was a good program and contests, and lunch was served, which brought the evening to a close.

The funeral of the late Mrs McQuarrie was largely attended on Tuesday last. The funeral service was held at the house and was conducted by Rev. Mr Sutherland. The pall bearers were Dan Campbell, H. McLean, Duncan Sinclair, Dinnis Keelin, and Jack Gilbert (a brother-in-law of Toronto) and Norman McIntyre.

The St. Columba choir, one week later than at first anticipated, owing to weather conditions, journeyed to the home of Mr and Mrs John McKechnie, and spent a pleasant evening together on Friday evening last, a little apart from the usual routine and felt, coming home, the force of the storm then commencing. A vote of thanks and appreciation was tendered the host and hostess for warm hospitality shown.

Miss Doris McLean came home Saturday from Toronto, on a visit to her parents.

On Tuesday evening, March 8th, Mr T. S. Cooper, Agricultural Representative at Markdale, will give an illustrated entertainment, under the auspices of the Y. P. S. of St Columba, with moving pictures and other views.

The members of the Women's Missionary society are holding their day of prayer on Friday at 2.30 p. m. to which all ladies are cordially invited.

We were pleased to welcome on Friday Mrs Thos Bothwell (nee Minnie Hooper of Islay, Sask. looking the same as ever through 21 years sojourn there, which would indicate the climate agreed with her. Her eldest son is now teaching and the eldest daughter qualifying.

Miss Martha Watson left Friday on a visit to her sister in Egremont, Mrs Geo. Drimmie, 16th con.

The new mill now owned by Mr. Wright, is now in operation, chopping every day.

Miss Lottie McLaren, sister of Mrs (Rev.) McCormack, left on Wednesday for Toronto, purposing taking in the Mendelssohn choir concerts there.

Miss Vicky McMillan, teacher, near Shelburne, was home over the week end on a visit to relatives here.

SWINTON PARK

We were sorry last week to learn of the death of two of our old school pupils in the Park. One best known here, Wm. Paton, who lived the greater part of his life here and took part in all the activies of the place. In the old log school Mr Paton got his education and when grown up he became a member of the church here and took a great interest in its progress. A few years ago he removed to Flesherton. The people of the Park express sympathy to the bereaved daughter and son in Flesherton.

The other death was Miss Mary Alice Dillon, step daughter of the late Thos. Meagher of lot 8 con 17, on which the school of those days stood. Mary came to Proton a little girl, some 50 years ago and is well remembered by the school mates of that time. She later became the wife of a Mr Ryan, near Ayton and there about two weeks before her death met with an accident while out driving wth a number of ladies and was thrown from the sleigh and fatally hurt. She was taken to a Toronto hospital and died there. The funeral was held Thursday last in Ayton. Many old acquaintances will sympathize with the bereaved ones.

Mrs John McMurdo, Dromore, spent last week with her parents, Mr and Mrs R. Knox and waited on her mother, who has not been well of late. Mrs Margaret Knox came home from the city Saturday last.

Mrs Bert Martin and son Everitt, visited at Vandeleur and Markdale last week.

Miss McIntyre spent the week end at her home in Dundalk.

Mrs Howard Watson and son Leslie, visited in O. Sound last week.

Mr Ernie Philipps is enjoying a short holiday at his home here.

The Boothville checker players were welcome visitors at John Aldcorn's Friday night last. They are trying to learn us to play but we are too old and stupid. However we enjoy the company of the Boothvilleites.

We notice in last week's Review, that the good people of Priceville have wood to burn. Some can see two piles, some only one. But we hope all will be comfortable.

HOPEVILLE

Mr Geo Sturrock and son Alex from from near Toronto, arrived Saturday on a visit to Mr and Mrs Geo. Sturrock.

Mr Will Burnett was a caller in our burg last week.

Mr and Mrs Jno. Sinclair visited the first of the week with relatives at Yeovil.

Mrs Walker, Proton Stn,. is spending a while at Thos Walton's. We are sorry to know that Mrs Walton has poor health at present.

Mr Milton Gillies is busy buzzing up a supply of wood at nearly every home in the vicinity.

The regular monthly meeting of Hopeville W. Institute will be held March 9th at the home of Mrs Fred Sageman. Program:

Paper: "An intelligent wife can make her home pretty much what she pleases."

Roll call; Suggestions for spring cleaning. Cake competition by four young girl members.

The United W. M. S. will meet Friday, March 4, at the home of Mrs Jas Mitchell. 'The world day of prayer' will be the theme observed.

Sales and movings seem to be the order of the day. Mr Jas Sturrock's sale last Friday was well attended and good prices realized.

Due to poor health, John Bittorf is having a sale Wednesday of this week. They intend to move shortly to take up residence in the village, in Geo. Gilkes' house.

Messrs A. and R. Stewart are making preparations to put up a garage in the spring.

Mr Douglas Kendell of Knox College supplied the pulpit in the United Church Sunday, in the absence of R. W. Paton. Much sympathy is extended to Mr Paton and Miss Mary, in the death of their father, Wm Paton, of Flesherton. Deceased was well known here in pioneer days coming a long disance with his parents from their home in Artemesia to worship to worship at Esplin church. Such was the zeal and devotion of many pioneers under great difficulties. "Laying up treasures in Heaven."

NONE AS GOOD AS PRESENT

Talk about the "good old days!" No days were ever so good as the present ones. You live better than any of the kings of old. Where you switch on the electric light, he had a smoky torch. You go to bed on springs; his couch rested on planks. A few overworked minstrels were the best he could get together when he wanted music. You turn a dial and a great symphony fills the room. And today a thin copper wire carries more power than his sceptre ever boasted. You have a thousand kingly comforts that the emperors of distant days never knew.

To what magic power should you offer thanks? Turn the pages of this paper to the advertisements. Advertising tells you about each new invention, every improved product that comes on the market. It describes what these new products will do, where to get them and how much you should pay for each one. It helps you purchase wisely and economically. Through it you hear—far sooner than the fastest courier of ancient times—what's new. Read the advertisements. They are couriers of comfort and economy.—Ex.

Advertising impresses your name and business into the public mind so that when people think of anything in your line, they connect your name with it. The business that is advertised keeps in contact with hundreds of homes every week.

DO YOU REMEMBER?

DO YOU REMEMBER when Durham boasted of a market?—where ex-Mayor Calder's residence now stands? All produce, wood, etc., had to go there first and be passed by the clerk, Mr Easton before delivery. Didn't last long.

DO YOU REMEMBER when the schools were on the Garafraxa St. hill? Do you remember what a sure shot Tom Moffat was with a snow ball? "Do you see yon laddie," he would say. Then "Biff", the laddie got it in the lug.

DO YOU REMEMBER when the Cement Co. held a picnic at Wilder's Lake? The Cement Co. against the town in a tug of war? The town braves won—the fat man's race was won by John A. Black, Tim Moran, second and Tom Swallow third.

DO YOU REMEMBER when the sports were held on May 24th on the ground where the Town Hall now stands? Norman and Arch'd McIntyre, Sandy McDonald, Bill and Alex. Burt and Jim Innis were the prize winners. Nat Whitmore took the pole vault, Jack Rose took the flag off the spring pole over the river. The step dancing was on the platform at Woodland's store—Bob Devlin took first prize, Geo. Wilson was violinist.

DO YOU REMEMBER when Ben Nevis Camp, Sons of Scotland, celebrated July 1st and made a lot of cash? With this money they offered to buy the then vacant lot on Queen St., where the Town Hall now stands and present it to the town for a Park and were laughed at by certain parties who said "A nice looking Park, this is." This could be made a much nicer place than it is now. The Soldiers' Monument would look O. K. there.

Subscribers are reminded that when remitting subscriptions to the Review by cheque that exchange should be added. Bank money orders or express money orders do not need the exchange, neither do postal money orders or postal notes.
