PRICEVILLE AND VICINITY

PRICEVILLE

Mr. Donald Tryon accompanied by his sister, Dr. Mary Tryon and cousin of Detroit spent nearly two weeks at the old home, leaving again on Thursday of last week with their trusty colored chauffeur.

Mr. Hughie McLean successfully moved a building from across the river to the property of Mr. R. Parslow, straightened up another building on another property that was making a-beyance to the setting sun, and secured a new sill in the dwelling of Mr. Ray McLean by first jacking up the building.

Mr. Brock Patton, nephew of Mrs. (Dr.) Hutton and sister Mima Wright, is at present on a visit to them at the latter's home.

Our Football Club, rapidly improving met in a friendly game on Saturday night last and secured 4 goals to 1 for their opponents from Clarksburg. The benefit of practice in combination play and control was seen, in Priceville's kicking against the wind. The opposing Clarksburg team were a fine lot of husky agreeable lads. After lunch served by the boys in the hotel here they favored the company present with many musical selections vocally and instrumentally, having a guitar with them. A vote of thanks was tendered them, after which a social little dance was enjoyed. The teams lined up as follows: Burnett, McMeekin, Aldcorn, Renwick, Watson, Anderson, Walter Aldcorn, Frooks, McVicar, Conkey, C. McLean. Clarksburg: Bates, Shillan, Baughlin, Gillies, Place, Dowdell, Harper, Hewson, Murray.

The ordination of Mr. Norman McDonald as minister of the Gospel will take place on Tuesday, September 26th, in the new Presbyterian church after which he will be inducted as the new pastor called here in place of Rev. McIvor, resigned. Several ministers will officiate at this notable event, not often witnessed.

We are pleased to note the success of the Priceville pupils at the recent School Fair held in Flesherton. Miss Evelyn McDermid winning 2nd prize on "Pioneer Days"; Anna McVicar, 3rd, "Canada Today and in the Future"; Margaret McLean, "Wheat"; 4th; Mamie Teeter, "Sir Adam Beck" 5th; Marie McLachlan, "Sir John A. McDonald, 6th; Laurie Sutherland, 2nd, on "The Union Jack"; Jamie Sutherland, 3rd on "Fish." Tom Aldcorn, 4th on "Barn Fires and Their Prevention."

Budding singers there were and Kenneth Nichol came first place in this art, singing "Drink to me Only with Thine Eyes." Donald Scott of Flesherton, came second in the singing.

Winnifred McConkey had a fine, creditable display, combined in book form of pictures of farm stock, all nicely bordered. Aileen Karstedt won 3rd for cake, 1st for drawing; 2nd for apple pie; 4th for flowers. Isabel Karstedt won 1st for Dahlias, 4th for apples and 6th for sweet peas.

Two of our young men had occasion last week to borrow a car for a short while. The rightful occupants, in the manse at the time, were blissfully taking vows for life. Ceremony over, the nuptial conveyance had not been brought back, so inorder to reach a high noon dinner in time, the happy couple and friends were conveyed home by the clergyman and undertaker.

On the suggestion made by Robt. Knox, caretaker of the church, that this was the preferable time to put in wood for the winter, ten men and John Aldcorn gathered at the church Monday afternoon and enough wood was hauled and nicely piled in the basement for ten ordinary winters. A good job well done. While the wood was being handled, the holding of Anniversary Services in the near future was being discussed, but left undecided until after the induction of the new minister, Norman McDonald, which takes place next Tuesday, Sept. 26, in the new church at Priceville.

On Wednesday of this week the W.M.S. are meeting at home of Mrs John Lane.

On Friday morning last ,two of our neighbors, Mr Howard Watson and son George did a very unusual thing. They arose while it was yet night and started for the Hydro pond at Eugenia, that being the first day of duck shooting. They had some success.

We would just mention a very common job we noticed remarkably well done last week. A lad of 17 was told by his father he might go to work and take up the potatoes there were. Perhaps 15 rows, about 10 rods long. First he pulled all the tops and neatly piled them to one side. Then with a hoe he dug out the potatoes, which I thought were a very fair crop, clean, even in size and fairly numerous. We noticed that few of them were damaged with the hoe. Then he gathered them up and carried into the cellar. But as the preacher said at the conclusion of the whole matter, "It was nice to look upon the ground left so level and smooth, not a weed being left." We said a perfect job. Atta boy!

Threshing is the main occupation these days. The season will be of short duration this year with half of the amount of grain on the usual acreage. GAME PLENTIFUL IN ONTARIO HUNTING GROUNDS

Reports from the favorite hunting grounds of Ontario that game of every description is plentiful this year have created much interest amongst local sportsmen and a big season is ahead according to W. Fulton, Assistant General Passenger Agent of the Canadian Pacific Railway, at Toronto, who also announces that a heavy reduction has been made in railway rates whereby the individual hunter on the presentation of his license issued by the provincial department of game and fisheries, can avail himself of the low rate which in previous years only applied to parties of five and more. Such districts as Lost Channel, French River, Pakesley, Pickerel, Metegama and Sturgeon Falls are tempting with small game, moose, and deer and around Metagama especially bear are very much in evidence.
