

Running with Santa

Teah Cook, 12, of Centennial Middle School (left) and friend Ryan Baldwin, 14, from Georgetown District High School, suited up with hundreds of fellow jolly joggers for the annual Santa Run in Hamilton Sunday. The streets of Hamilton were painted red in a stream of Kris Kringles hoofing the five-kilometre route without a reindeer in sight. The pair hope their efforts will spark some interest for more participants to join in the fun next year. The local teens won medals, finishing first in their respective age groups.
