WE beg to call attention to the advertisement of T. H. Watchorn of Durham Woollen Mills.

THE Presbyterian and Methodist S. Schools pic-nic to-day at Holstein. They go by train which, to the youngsters, is a treat in itself.

MR. J. A. Hunter, Upper Town, has leased the Durham Woollen Mills and will take possession on the 15th of September next.

LEATHER Fly Nets and Binder whips cheap at Thos. Smith's, Lower Town. Call and see them. b

THE stonework in front of the Presbyterian Church has now a freshened up appearance since Mr. Wm Ritchie and his men have overhauled it.

GLAD to see that Mr. Eva, has so far surmounted his long aches and pains as to mount to the North end of the town. Hope he may long be able to do so.

THE most successful system of doing business through the mercantile world to-day is that of the cash system, which the Messrs. McKechnie are now adopting.

Miss K. McCormack, of Glenroden, gave us a call the other day. She taught three years in Holland Tp. and wrote at the recent 2nd Class Examination. We wish her success.

MASONRY.—Mr. Michael McMillan has finished another fine job on Mr. Joan McLachlan's premises, Durham Road. As a mason very few can compare with Mr. McMillan. He is now ready for another contract.

WE direct the attention of our readers to the advertisment of N. G. & J. McKechnie referring to the adopting of the cash system of doing business, a change that will be heralded by the general public with a spirit of satisfaction.

THE picnic in connection with Lawrence's Hall S. S. was held in Mr. Jas. Etor's bush on Friday last. Mr. Hewson the Superintendent and Rev. Mr. Connor were on hand. There was no speaking but plenty of chat, tea, and enjoyment in spite of the shower.

THE Mt. Forest *Representative* will no doubt have observed by this time that the statement it made last week, that Mt. Forest had a higher percentage pass the Primary than any school in the section, is wrong. Witness:—Mt. Forest, 14 out of 28.—Durham, 14 out of 22.

THE Patron Picnic at Bunessan last Thursday passed off well. The speakers were Mr. McNichol, M.P.P., Mr. Wm. Allan, Patron candidate for the Commons, Messrs. Hunt, Binnie and some others. Every one was welcome, and most went home pleased we believe.

A new departure. We are pleased to observe that the Messrs McKechnie have adopted the cash system of doing business, in their different establishments.

The Messrs McKechnie in changing from the credit system to the cash have adopted as their motto. Large sales and small profits, this we believe is what the public want.

Mr. Geo. Kress, who is engaged at the building of the new school house in south Glenelg met with a serious accident on Tuesday. A scaffold on which he was standing gave way, he was precipitated to the ground, and received a severe cut on the head, which had to be sewed up. Two others on the scaffold fell also, but got no mishaps.

Mr. John A. Graham, teacher of Edge Hill Academy, sent up three pupils to the late Entrance Examination. Two of them passed and the third was close. This is good, but the fact that Maud Banks, one of these two, took the highest marks in South Grey, is worthy of notice, and speaks well for both pupil and teacher. Congratulations Mr. Graham.

From the Wawanesa *Enterprise* published in Manitoba, we clip the following notice of a townsman:—Mr. J. Cameron, representing the McLean Publishing Co. of Toronto, gave us a pleasant call to-day. He speaks highly of the country round Wananesa, which he says has the best crop prospects of any part of Manitoba he has visited, and he has been all over the Province. He reports good success in canvassing for his firm's trade publications.

We have great pleasure in announcing to our readers that Mr. Ramsay the famous Comedian who gave so enjoyable an evening entertainment last April will again appear in Durham during the month of October. Ramsay is at present making a tour of the world. He proposes to give us the benefit of his observations with lime-light views of famous places and in addition to give a variety of London songs and cries which have never been produced on this side of the Atlantic before. All arrangements will be made by the Mechanics' Institute.

Archie McDougall of the REVIEW staff has been under the weather for a week past.

Mr. W. B. Vollet is an Oddfellow and a goodfellow. That's how he is off to Kingston this week to attend a meeting of the Grand Lodge.

TO CLEANSE THE SYSTEM.—Effectually yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds or fever, use Syrup of Figs.

TOWN COUNCIL.

The Town Council met last Monday night, all the members present. Council in committee of the whole considered and passed by law No. 287 authorising the borrowing of $1,000 to meet current expenses. A number of small accounts for printing, street repairs, etc. amounting to $158.81 were recommended to be paid, while two accounts of $4 each for use of room for polling booths was deferred. The school board made application for $. 0 which was granted. $300 was also passed to meet the county rate. Council adjourned till Friday.

CRAWFORD.

Mr. Editor, we learn there is a new man at the helm. At first it was the general opinion the REVIEW would come to us no more. Mr. McArthur, as a general in an honorable position had many friends. However the REVIEW still comes to hand full of news of the day.

The people here are busy harvesting. The hay crop was light, fall wheat very good, peas and oats light and potatoes very small. As for turnips we will give them time to grow.

Miss Jessie Coutts, who has been some time in Toronto is home at present looking hearty. Glad to see you Jess, also Miss Cassie Boyle who has made the city of Toronto her home for four years spent a couple of weeks with friends in this part, and then returned to resume her work in a Registry Office.

Mr. Alex. Hopkirk has his barn finished, one of the best in the township, Val Sacks being the contractor. He is a hustler and a favorite with the fair sex. They took their flight to Mr. Jno. Clark's of the 2nd Concession, and these good swings are over.

On Tuesday of last week we had a call from Mrs. McCannel, sr.

Mrs. McPhail, Miss Flora and Mr. Neil McCannel, who were on their way home to the vicinity of Priceville, from a wedding near Burgoyne. They also gave a brief visit to Mrs. McDonald of the 8th con. Mr. McCannel had a harvest home awaiting him.

Mrs. Davidson, of Port Hope, is visiting at her parents, Mr. Jno. Brown's. Mrs. Davidson's health has not been good and, when she was advised to go to a healthy country, Bentinck was the spot she chose. It is worthy of the praise Mr. Jansen gives it.

Much needed and much appreciated were the showers of last week.

We observed your invitation as to calling and will take the opportunity of calling soon to see you and your staff.

SCOTCH TOWN.

Well Mr. Editor, pea pulling and and berry-picking has been in full bloom for the past week or ten days.

Mr. John McMillan, we are pleased to state is recovering after a severe attack of inflammation.

After a month's visit among friends in this part, Miss Tena McMillan leaves for her home in Williamston this week. Tena made many friends while here and will certainly be missed.

Miss Maggie McLean and Hattie Orr, of the Queen City are the guests of friends at Batchlors Corners, at present.

Miss Harvin, of Toronto, is at present the guest of Miss Annie Morrison.

The upset folks are improving nicely.

Misses Violet McDuff and Ena McIntyre, of Markdale were the guests of Misses M. McIntyre and M. F. McLellan for a couple of days last week.

Mr. J. Black arrived home from Brantford on Friday last. He reports times very dull down in that section.

Mr. Jim White gave an invitation picnic in McMillan's grove to a select few. There was a hoedown in the evening.

Messrs. Jim McDougall, of Balsam Valley and John Pierson are pea contracting on our line. An eight acre field justs stands them two days. They are hustlers.

Two young men a short way north of of here had a narrow escape from being eaten alive by a mad pig.

BALSAM VALLEY.

Haying is all done now and a few are starting their binders this week.

Mr. Geo. Haw was laid up for a few days having hurt his back by a fall he received while leading a horse. He is able to be around again.

One night last week a rather suspicious looking character visited Balsam Valley lately. He did not molest anyone and took his departure through the the big swamp to Glendougall Mill.

A man is going around now, selling binder twine on commission but meets with very few sales. He got tangled in it himself and wishes he had stayed at home, especially on dark nights.

Chief Carson and T. Harris paid Balsam Valley a flying visit last week and we guess some will wish they had stayed at home.

Miss Christy McDonald accompanied by Miss Willard from King Township, are visiting at the old homestead at present.

What we may expect:—The cigah man to be down in the mouth when he returns to the city. And the twine man to carry a stick feeling for a trap along the road. And J. R. W. to get a piece of wire across his neck some night before long. Have a cigah? Eh boss! You Know I'm from Toronto.

[The foregoing correspondence was received when our last issue was off.—Ed.]

PROTON CENTRE.

Review Correspondence:—Well Mr. Editor the haying is over and the harvest is about ready to commence if the weather remains favorable for it.

Mrs. A. Bryce has returned home after a week's sojourn at Day Break.

Mr. and Mrs. W. J. McLean were the guests of Mr. S. McLean on Sabbath last.

Mr. J. Coulter was visiting friends on the 8th con. last Sunday.

The L. D. S. are still holding preaching services at 7.30 p. m. every Sabbath in J. G. Batchelor's house. There is quite a crowd attends.

It is customary round here for people to go to prayer-meeting in the evenings and fight and race horses on their way home from them. We think it would be more suitable for such people to remain at home.

M. P. Fullerton has the milk drawing of the 9th and 10th concessions.

Mr. G. Woolsley is erecting a new frame mill, it will soon be ready to raise. When finished it will be a credit to the farm. Mable.

GREENSIDE.

Haying is now over and the fall wheat is all harvested. The spring crops are beginning to color and soon the sound of the binder may be heard in every direction.

Miss Katie Bell is visiting friends in Toronto and elsewhere.

Mrs. John McKelvie of Durham was visiting some of her old neighbors in Egremont, last week.

Mrs. William Brown, who was hurt some time ago is now recovering.

The event of the season in the barn line was the raising of Mr. Taylor's new barn, which took place last Tuesday. The Dromore correspondent will no doubt give full account of it next week.

The frame of Mr. Thos. Daily's new barn was raised last Thursday. With the exception of a few sore heads and anothersquable, every thing went together without a hitch. Mr. Atcheson and James Baird were captains. James won by being the rafters ahead. A friendly game of foot ball was played after tea, which ended the fun for that day.

Mrs. John McKenzie, who has been seriously ill for some time is now recovering under the care of Dr. Park of Durham.

Only a small number of the Patrons in this vicinity attended the convention held in Durham recently.

HOPEVILLE.

Mr. James Allan, of Edge Hill has been paying his sons here a visit.

Mr. John Hannah of Kimberly stayed a few days in our village last week.

Mrs. Scriminger is home from Toronto staying with her parents Mr. and Mrs. David Sturick.

Mrs. Wright, and children, of Chatsworth, are visiting at her mother's Mrs. McLean, of the 10th con.

Mrs. Glenister and children, of Toronto are up for a two week's stay at her mother's Mrs. Dingwall.

Mrs. M. A. Coulter, of Ingersoll is visiting at Coulter's and Copeland's, on the 14th con.

Mr. Burnet has returned home and reports having a good time in the Southern part of Ontario, he did not travel as far as was reported.

Great preparations are being made for the chosen friend's pic-nic on the 8th. Meetings are held every few nights makarrangements for it. One old lady in Ventry neighborhood travelled seven miles to attend a meeting on Saturday night, she was stormsteed and had to stay till Sunday before she got home, but she had a good smart daughter that can do up things right.

The following from the Flesherton 'Advance' might tempt an answer from Durham:—

THREE QUESTIONS.

To the Editor,

DEAR SIR,—Will you permit me to ask three questions through your valuable paper, concerning our school as it opens so soon.

1. Is it right to crowd three little children into one seat to the discomfort of all?

2. Is it right to give one teacher from 70 to 80 little restless children to teach? Can she do herself or them any justice?

3. Is it right that the school rooms should be scrubbed only once a year? Can our children have good healthy lungs under such conditions?

"Only the Scars Remain,"

Says HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., who certifies as follows:

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc., none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old

Mother Urged Me

to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."
