extra help at Christmas time. Last year just over \$3,000 was raised and the money went to a local father raising three small children after the sudden loss of his wife, and to a single mother of four who was nominated by Links2Care.

The last sum was used to create The Downtown Music Scholarship which was awarded in June to Madelaine Lake, a graduate from Georgetown District High School now majoring in Saxophone and Vocals at Western University. She will be joining the cast).

This year the proceeds will go to support a local family from Acton. A single mother who is raising two children after the recent loss of her husband. Links2Care will also be nominating a family.
