LIBERALS? RALLY?

The executive of the South Grey Liberal Association have called a Convention and Public Meeting on Saturday the 29th inst. Judging from the hearty manner this announcement has been received, we may expect a rousing demonstration to meet the three eminent gentlemen who have consented to accompany Dr. Landerkin, the popular member for this riding to his own constituency, there to discuss the issues of the day with the electorate. Mr. Gibson of Lincoln and Mr. Mulock of Toronto, are both well known by an excellent public record, while the Hon. Mr. Fraser, from Nova Scotia, has acquired a Dominion reputation as a statesman and speaker. All classes and parties of South Grey are invited. That there will be a meeting worthy of the great cause these gentlemen represent we have no doubt. Saturday the 29th inst. Arrange to be there.

LOCAL AND GENERAL.

Ben Nevis Camp meets on Friday, 28th inst.

Mrs. R. McFarlane, we regret to hear is under the Doctor's care.

Dr. Jamieson paid a visit to Toronto Monday and Tuesday last.

Miss B. McRae of Chatsworth paid a visit to her mother, last week.

Do not fail to arrange for the Mass Meeting on Saturday at 2 o'clock.

Miss Jackson, of North Carolina, is at present visiting at Mr. D. Jackson's.

Mrs. Bull spent a few days last week, with her daughter, Miss Agnes, of Priceville.

The British Hotel, Furniture and business is offerod for sale at a bargain. Apply to Mrs. A. McNeil, Durham.

If you would always be healthy, keep your blood pure with Hood's Sarsaparilla, the One True Blood Purifier.

Mr. Duncan Smiley is having a hard seige of sickness, but his many friends will be glad to hear he is getting better.

Rev. Mr. Aull, of Paimerston, will preach in the Pres. Church here on Sunday week, and remain for Monday

THE SOIREE.—The Presbyterian Soiree on Monday evening next promises to be quite an event. Don't miss it. Admission 25 and 15 cents.

We wonder if the speakers on Saturday next will shun all reference to the School question? Precedents are in favor of this course.

The Rev. Mr. Magee, Palmerson, will preach in the Baptist Church on Thursday and Friday evenings of this week at 7.30 p. m. All cordially invited.

All who are in sympathy with Dr. Landerkin's platform and policy come to the Town Hall at one o'clock on Saturday. Let there be no mistake.

Mrs. Ingham, of Ingersoll was visiting at the home of her father Mr. Jos. Jacques and other friends in Glenelg. We are glad to hear Mr. Jas. Jacques is improving.

Mr. C. C. James, of Priceville, left for a visit to friends in Woodstock last week. His daughter Miss Annie has been visiting at Mr. Firth's in town for the last two weeks.

A year of Jubilee. The Meaford *Monitor* wants a return to the old Jewish practice of a Jubilee year, but thinks it cannot be accomplished till land is all owned by government.

LIKE OTHER FOLKS.—G. T. R. Magnates must now travel in ordinary coaches. The new manager Hays has ordered special coaches to be transformed into passenger cars.

SALE OF STOCK AND IMPLEMENTS.—Auctioneer D. McLean, Lamlash, will offer Sale, to-day, Thursday, the stock and Implements of Mr. T. Plasket, lot 31 con. 15 Bentinck. Sale at 1 o'clock. 12 months credit.

SOME FINE CATTLE.—Mr. Thomas Morton on Monday last shipped eleven head of fine Cattle, the property of Dr. Jamieson. They averaged about 1100 lbs and were bought by buyer Stonehouse at 3 cts a lb.

That the blood should perform its vital functions, it is absolutly necessary it should not only be pure but rich in life-giving elements. These results are best effected by the use of that well-known standard blood-purifier, Ayer's Sarsaparilla.

Fire protection in Hanover seems to be shelved at present after some active meetings have been held in its interest. A big fire in some of Hanover's establishments would injure the town more severely than most places.

The entering wedge of a fatal complaint is often a slight cold, which a dose or two of Ayer's Cherry Pectoral might have cured at the commencement Therefore, it is advisable to have this prompt and sure remedy always at hand to meet an emergency.

ELECTRIC LIGHTING.—Mr. J. H. Killmer canvassed the town last week for support of an electric light scheme which he promises to have going next July. He has got the promise of 500 lights. His rate per light, 16 candle power, $3.00 per year is looked upon as reasonable.

X. RAYS.—That a great discovery has been made can not be doubted when one looks upon the numerous photos, taken through inch boards, &c. now being produced in illustrated papers, yet it is a discovery to find that it is not new, at least in nature. Bodies struck by lightning have often had impressed upon them images of intervening objects, and it seems this process of nature, hitherto unknown, has been stumbled upon. All honor to Prof. Roentgen.

TOWN COUNCIL.—A special meeting was held on Monday night. Mayor Laidlaw had given notice of a motion to raise the License fee of the hotels in town. This came up and the proposed by-law did not get the length of a first reading. The yeas and nays being called, only Messrs. Laidlaw and R. Parker voted yea. Mr. Kinnee was absent. The majority of the council do not believe that the morality of the town will be improved by taking a few more dollars from the pockets of the hotel keepers. A by-law was put through granting J. H. Kilmer the use of the streets for poles and wires for electric lighting.

For a postponed event the Carnival held at the rink last Thursday evening was very well attended. A little dissatisfaction was caused by the judges distributing prizes. Miss Ethel Crossley, of Flesherton, was conceded by all to be the best dressed young lady present, but the judges decided otherwise and gave it to Miss Nellie Swallow, but they evened things up when they decided the couple skating contest. Miss Crossley was given the Brosch Pin, where as the Misses Swallow either one of them can skate all around her. Harry Truax, of Walkerton, as usual won the boys' race. Grant, of Owen Sound, was entered for the Watch. Young Beadley, of Harriston, was on his way here to race for the Watch but was snow bound at Palmerston, so the principal event of the evening had to be cancelled for want of racers. The Jones were engaged at Lucknow but promise to be here to take part in the next Carnival. Mr. Boren promises one about the third Thursday in March.—Co

ORANGE CONCERT.—The Orange Concert at the New Hall at Varney on Tuesday last was a great success. The Dunsmores, brother and sister sang nicely, especially was Miss D's "Caller Herrin" enjoyed. The Ritchie Co. gave some laughable farces, Holstein String Band helped largely. "We'll never mortgage the farm" by S. T. Orchard and Co. was well done. Speeches were given by Messrs. C. Williams, J. Woodland and W. Allan, the chair being filled by Co. Master G. Allan, of Mt. Forest. Proceeds about $45.

PRICEVILLE.

The cold snap seems to be over for the present, and we are in hopes the month will end up with mild weather. On Sunday last we were treated to a thaw, we received no mail from Toronto last Saturday owing to Friday nights storm blockading the track.

SCOTCH TOWN.

Well Mr. Editor, yesterday was Sunday and we got our ink thawed out and pencil sharpened, and to-day Monday, we make an attempt.

The Concert at Pomona S. H. on Monday evening of last week was as predicted a bowling success. There was a grand turn out, the school being closely filled. The programme consisted of readings, dialogues, songs, step dancing, vocal and instrumental music. Miss Noonan, teacher, is worthy of much praise for the way her pupils disposed of their part. Miss Black and Miss McGrath were candidates for an elegant album for which they collected about $24, the former handed in the most cash and was presented with the album. Much credit is due to Messrs Meagher, McArthur and Arrowsmith for the way in which they displayed their musical talents. Our township Clerk occupied the chair and disposed of his duties in an able manner.

After an enjoyable visit to friends in this locality and elsewhere Mrs. Archie McIntyre returned to her home in Bad Axe, Michigan, one day last week.

Mr. Willie Wells, formerly of our burg, but now of near St. Georges, spent a few days at Mr. D. McIntyre's last week.

Mr. Hone Beaton, in company with one of Durham's fair ones, were guests of Walkerton friends Saturday and Sunday last.

Mr. John McIntyre, of Bruce, paid a brief visit to his many friends and old acquaintances in this locality last week.

Mr. Mike McMillan in company with Mr. John Nester, of Quebec, passed through our vicinity on Thursday. They were heading for Irish Lake to measure square timber.

Mr. John Black is under the weather at present.

Mrs. Muir is still keeping very poorly. Dr. Jamieson is in attendance and we hope she may yet recover.

Mr. Arch. Beaton has purchased the property known as the Beaton farm from Mr. Chas. McArthur, of your town, at the handsome sum of $2,400.

Miss Flora McDonald has returned to our Burgh after spending her vacation with her aunt, Mrs. M. McMillan, of Durham.

Mr. and Mrs. N. Black were guests of Mr. and Mrs. H. McLellan on Sunday last.

Mr. Alex. Millan sold his team of colts last week at a good figure.

Mr. James White spent Sunday with friends in Durham.

Mr. and Mrs. Shepard from Brantford are at present guests at Mr. Neil Black's.

Mr. James Beaton visited home on Friday evening.

Mr. Archie Black is hustling his square timber to Durham station at present.

Johnny Morrison, Jr. don't care for Katies nor Flora when Rhino is present.

Johnny B., Pomona, should have fulfilled his promise on Monday evening, as Lizzie was unable to walk.

Mr. A. McMillan did a little more surveying this winter. He says he missed John M. Sr. very much. Willing hands at the Centre helped him out.

Mr. Donald McLauchlan, in company with Miss Maggie McInnes, of Priceville, were guests at Mr. D. Graham's, Sunday evening. They attended service at the Centre.

YEOVIL.

Miss Jessie Neilson left for Toronto a week ago Tuesday.

Mr. C. McInnes left for Owen Sound Monday morning to spend the most of the week in fulfilling his duties as Auditor.

Mr J. Cooil and Mr. Brown of Mount Forest were visiting Mr. A. McEachern a few days ago.

Miss Maggie Nichol returned home from Toronto on Saturday last in a somewhat low condition we hope she will recover soon.

Mr. George and Miss Minnie Manary returned home from Listowel Thursday last after spending a few weeks with friends there. The young man on the 14th con. has lost his sarcastic look, since their arrival.

1000 CORDS OF WOOD WANTED.

J. A. Hunter buys at following prices: 16 inch-$2.25 cu. cord. 22 inch-90c cord. 32 inch-$1.25 cord, 4 foot—$1.75 cord. In exchange for merchandise wood is the same as cash to J. A. Hunter—bring it along—must be solid beech and maple, sawn ends.

rumor is that the long trip to Proton will soon be brought to a close as the wedding bells are ringing.

Dr. Wilkinson and wife of Berlin spent a few days with W. C. Winter recently.

Alex. must have one of natures freaks as he took a drive to the 10th con. one very stormy night a short time ago, you had better spur up or perhaps you will come out second best.—!! Ah boy!! We are onto you like a house afire.

Mr. and Mrs. Jas. Durrant having rented the farm to their son John have recently moved to town to live a retired life. They are very highly esteemed and will be greatly missed by all who knew them in the locality. We wish them to enjoy a long and happy life in their new home

The meetings held in the Methodist Church for the past few weeks were brought to a close a week ago Friday night A grand revival has taken place and many have been brought out into liberty by the simple, able and attractive addresses delivered by Miss Williams. She is now holding meetings in Orchard.

We regret to chronicle the death of Miss Beatie, who died on Saturday morning. Deceased had quite a long duration of sickness, but was thought no worse than usual, although she passed quietly away. The funeral procession took place on Monday at 1 p. m. to the Holstein cemetery, Baseline.

We also regret to announce the death of Josh. Walmsley, who died some time during Sunday and was buried on Wednesday at 2 p. m. The community extend their sympathy to the bereaved parties in both cases.

The series of meetings at Fairbairn, conducted by Mr. Geo. McLeash, Evangelist, were brought to a close Monday night week. His able and simple way of delivering so plain a salvation was the means of many accepting the Lord and resting on him as their Saviour. Communion was dispensed the Sunday previous and some where in the neighborhood of two hundred sat down at the table of the Lord, forty nine partaking for the first time showing that a revival has taking place. He is now holding a series of meetings in Holstein and may God be with him and bless him in his glorious work.

BROWNSVILLE.

The cold snap having given way and our ink thawed out, I am going to use it. January was foine, but February has made up for it, and we have no roads at all, at all, why sir, the train was stuck two days and our mail carrier Mr. Sackett had a rale tuff toime but the nayburs were good to him.

Talk about boothville! If you have a farm for sale bring it to Brownsville: Shure there's Jimmy McLean sold 100 acres of Tamarac swamp to Robt. Kinnel for $1800.

Shure those red blinds act like a beacon of a dark night and make things look bright around the corner.

There has been a dule of sickness in our nayburhood, there's Mrs. Jno. McDonald has not been out of the house for a long toime, and my mistress is niver well. Then, I hear sir, that Jimmey Wilson is poorly, (Nobles Jim.) Some went up to see him, and on the way home they got lost north of Boothville and sought shelter at Jno McDonald's.

Whom should I see last Sunday but Archie McMillan, Proton, driving a foine big team in a cutter, you may judge of his hurry when he did not stay one minute at the Corner. He is a foine looking young fellow, and with his fur coat would pass for a commercial traveller. They tell me he's after a bird out of the same nest as John and he could'n't do better.

Can it be true that Misses Julia and Annie Philips are going to Cleveland? It does not look as if the war was all settled yet.

I hear the mail route is going to be by Dromore, and not through long swamps where it would easily be robbed.

Well sir; I am a little afeared our town will lose its name, and be called dogtown, if some of them aren't kilt. There is Malcolm McC. has two, and Aaron has one as big as any two ordinary dogs.
