IN MEMORIAM

DISNEY — In loving memory of Edward Franklin Disney, who died Jan. 12, 1950.
The depths of sorrow we can not tell
Of the loss of one we loved so well
And while he sleeps a peaceful sleep
His memory we shall always keep.
His wife Alma and family, Cecil, Earl, Marion and Evelyn.

WIDEMAN — In loving memory of my dear mother, Rowena Wideman, who passed away Jan. 18, 1953.
It's lonesome here without you, mom,
And sad the weary way,
For life is not the same to me
Since you were called away.
If I had all the world to give,
I'd give it, yes, and more,
To hear your voice and see your smile,
And greet you at the door.
So you who have a mother,
Cherish her with care,
You'll never know a heartache
Till you see her vacant chair.
Lovingly remembered by daughter Joyce.

WIDEMAN — In loving memory of our dear sister, Rowena, who passed away January 18, 1953.
We do not forget her,
We love her too dearly
For her memory to fade
From our lives like a dream.
Our lips need not speak
When our hearts mourn sincerely
For grief often dwells
Where it is seldom seen.
Ever remembered by sisters and brothers.

TALBOT — In loving memory of Sarah Jane Talbot who passed away January 18, 1947, and Henry Talbot, who passed away March 7, 1945.
Those whom we love go out of sight,
But never out of mind,
They are cherished in the hearts
Of those they leave behind.
Lovingly remembered by daughter Nellie, son-in-law Ross and family.

Recorded Vote On Million Dollar Pickering Issue

A recorded vote was called at the regular meeting of Pickering Township council on Monday regarding the request by council through the Ontario Municipal Board for an okay on the $965,000 debenture issue for the purpose of bringing water into the South West portion of Pickering Twp. The motion carried with Dep. Reeve Roberts voting against. Dep. Reeve Roberts stated earlier that the wrong ballot had been used when the vote on the issue was taken and therefore the vote was illegal. He supported his statement when the recorded vote was called pointing out that he could not vote in favour of an illegal issue. The other members voted in the affirmative.

CARDS of THANKS

We wish to express our sincere thanks to our neighbours, friends and relatives for the many gifts, flowers, cards showered on us on our Golden Wedding Anniversary.
Mr. and Mrs. Carmen Morris.

Mere words are inadequate to express our gratitude to each and everyone who has helped us through these days of sorrow with words of sympathy, deeds of kindness and beautiful floral tributes. Special thanks to those who lent a helping hand in Stouffville when it was most needed.
Minnie Atkinson and family.

I wish to take this opportunity to thank all kind friends who remembered me with Christmas cards and good wishes.
Sincerely,
Mrs. Tom Stanbury.

I wish to thank all who had a part in the card shower for my birthday. Each greeting was very much appreciated.
Mrs. Joseph Hoover.

We wish to express our sincere appreciation to friends for kind words and cards of sympathy in the sudden passing of our brother, Ralph Atkinson.
The Atkinson brothers and sisters.

I wish to thank all my kind friends, relatives, and neighbors for the lovely cards, gifts, and flowers I received on my 90th birthday, and all who helped to make it such a happy occasion.
Minnie Lee.

Name Three in Race for Wardenship In Ontario County

With the Ontario County Council holding its first session on Tuesday, January 19, the speculation factory is working overtime in connection with the choice of a warden.

Three names prominently mentioned are Reeve Sweetman of Scugog Township; Reeve Garnet Wilson of Cannington and Wilfred Hart, Reeve of Rama. Voting takes place shortly after the session opens and with three in the field, a lively contest looms on the horizon.

At the opening session standing committees will be appointed and there will be the usual keen competition for posts on various boards.

ORFEDA Show Jan. 26 to Jan. 29

"The biggest display of farm equipment we've ever had, and improved surroundings for seeing the displays, makes the 1954 ORFEDA Show an event which is well worthwhile for every Ontario Farmer." So states ORFEDA Manager Jack L. Brown, who also points out that the 1954 ORFEDA Show will take place January 26 to 29 in the Coliseum in Toronto.

Mr. Brown adds that the annual convention of the Ontario Soil and Crop Improvement Association will again be held at the same time and place as the ORFEDA Equipment Show. He says this means that farmers who attend will have the opportunity of hearing the newest and best methods of crop production. Then they can look over the machines designed to help them achieve this production most efficiently. Moreover, with the biggest indoor display of farm equipment to be found in Canada, they have the opportunity of comparing the various lines and deciding which are best suited to their needs.

On Thursday, January 28th, an additional feature at the Coliseum will be provincial final competition for the Ontario Junior Farmer Machinery Clubs. This year thirty three clubs are eligible to put forward a team of two members. These boys will test their ability in driving, as well as their knowledge of mechanics and of safety.

Coming back to the ORFEDA Show itself, Mr. Brown says the show will be held this year in the Industrial Building of the Coliseum — which most farmers would recognize as the cattle barns with the stalls removed. This location gives the show nearly twice the floor space it had last year. What is more, it is all on one floor which makes it much handier for visitors to see the whole show.

As an added attraction, the Ontario Retail Farm Equipment Dealer's Association, who sponsor the show, are giving away a Cockshutt tractor and a Grohs home freezer as door prizes. The lucky winners of these two items will have additional reason to feel their visit to the show was most worthwhile.

Dear Editor:

. . . the letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is must reading for straight-thinking people. . . ."
"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor. . . ."

Markham Assessing Dept. Expanding

In a report before Markham Township Council on Monday evening Councillors Lennie and Kathleen James recommended that additional clerical help be obtained for the assessing department as requested by Assessment Commissioner Archie Fleming. Council accepted the report with minor changes and agreed to advertise for the extra office help.

The report stated that the measuring had been completed of all assessable property in the township in preparation for the change to a measured assessment. However, it was not believed that the system could be ready to go into effect for the 1954 assessment.

"I was amazed to learn the amount of work the assessor does with one assistant," stated Councillor Kathleen James. Councillor Lennie stated that there had been 622 property changes made in 1953 in the township.

Council gave three readings to a bylaw appointing John Howard as road superintendent at an annual salary of $4,100.00.

Markham Engineer Threatens To Resign

(Continued from front page)

There is a strong possibility that the salary of the stock and time keeper will be eligible for a Provincial grant.

The other resolutions tabled by the Road Committee are as follows:

Resol. 1. Be it hereby recommended to Council that they pass the following resolution; "that no work be done by the road dept. on private property without consent of the road committee, and then only after a deposit has been received to cover the full amount of the cost of the proposed work as estimated by the Engineer."

Resol. 2. Be it hereby recommended that no road work be proceeded with, other than ordinary routine maintenance, without the approval of the Engineer.

Resol. 4. Be it hereby recommended to Council that a doorway be constructed joining the small garage and workshop.

Resol. 5. Be it hereby recom- to Council that steps be taken to correct the poor drainage of the garage floor.

Speaking to the resolution concerning work on private property, Deputy Reeve Clark stated, "In the past whenever the township had time the Road Superintendent was authorized to accept work on private property. However present day conditions indicate that this policy be changed."

In confirming the need for a change Reeve LeMasurier related the case of work done on private property by the Road Department during the past year to the amount of $1,200 and "which as yet has not even been billed to the party concerned." "What is even more serious," stated the Reeve, "is that the Road Department did the work without the knowledge of the Council, Road Committee, or Engineer."

After further discussion the members voted to pass the Road Committee's resolutions.

Mr. Howard's appointment will still be subject to approval of the Department of Highways. The Department pays half the salary of the Road Superintendent.
