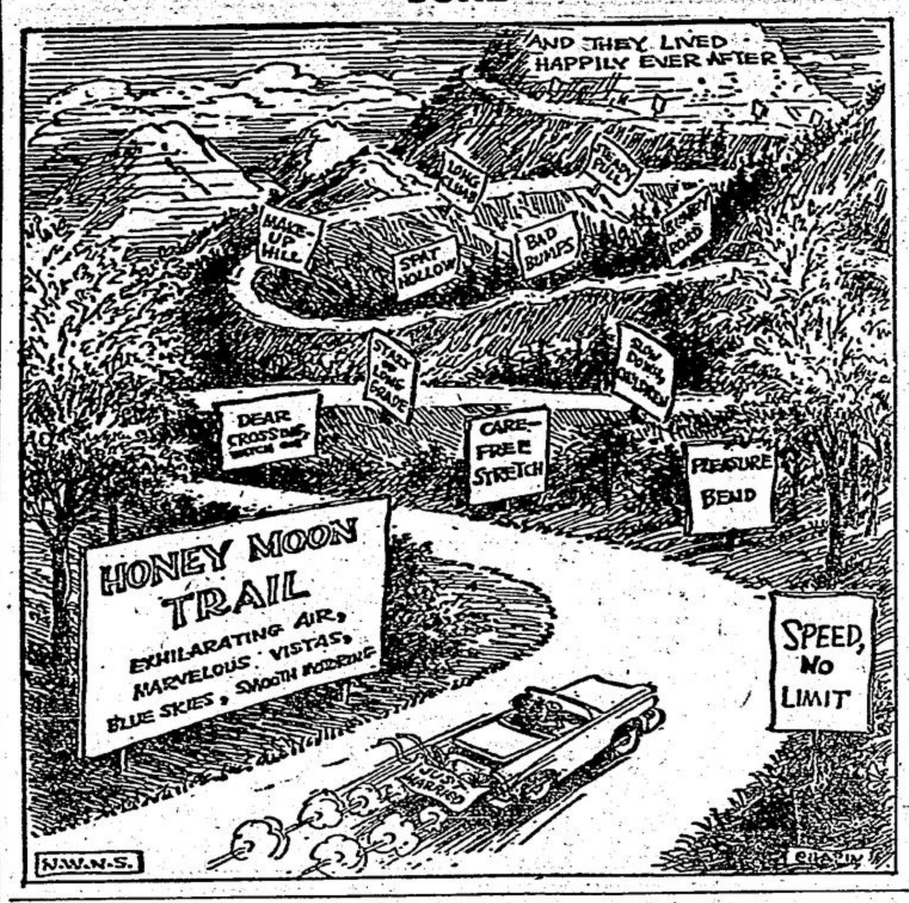
JUNE



Cedar Grove News

(June 9)

What Sim Reesor lost in time on his television appearance last week, he gained in prestige. It was one of the most interesting ten minutes. Tabloid has produced yet. The film was a comparison of Toronto's two biggest markets — the St. Lawrence Farmer's Market and the Bay Street Stock Market. With flashes of hands, faces and deals, skipping from one to the other, it showed the vast difference between selling produce and selling stocks. The film was done with careful editing, excellent camera work and a fine sense of contrast between patient buyers and sellers of food and the frenzied, nervous exchange on the inconstant stock market.

The last steam engine passenger train made a special trip on Sunday arranged by members of Model Railroad Clubs. Hundreds of people took advantage of the final run to take pictures and enjoy the nostalgic puffs, among them the Petrie's and Maurice Hamill.

Have you noticed the newly defined baseball diamond at the community lot. It should be an incentive for a good season in both junior and senior teams.

The progress of a small house moving expedition was watched with interest on Saturday. Stan Milroy and Don McClennan moved the little shed from the store to Old Mill lane but not without a few hazardous moments. It was nip and tuck at the bridge but the building went over with inches to spare and the high crown in the roads presented problems which were only overcome by caution and the able assistance of Danny Offen and Ronnie Dean running alongside to guide the operation. Mission was completed in time for chores.

Louise Ryan, whose marriage to Hugh Baird will take place early next month, has been the guest of honour at two showers in the village. A crystal shower was given by Jean and Ila Crichton and a community shower was held at Zion church last Saturday evening.

By burning the midnight oil literally until midnight, the farmers have just about completed seeding. Although the seeds are late getting in this year, they certainly appear quickly once they hit the damp earth. One week and grain is up an inch.

The opening at Black Creek of the Conservation Area and Pioneer Village drew some pretty important personages including the Hon. J. Keiller Mackay and Mr. Fred Gardner. This illustrious group would impress most people but made no impression on Paul and Lloyd, Mr. and Mrs. Sim Reesor's grandsons. Even the handshake of the Lieutenant governor got a cold reception from the two little boys but Paul may have been thinking of his own experience in opening important landmarks.

Notes about Neighbours—

Scotty Crichton who has been working at Burlington for some time, has recently begun commuting to Ottawa. Burlington was far enough! We seem to have a diversified collection of germs in the village, especially among children. Better watch for rashes and lumps, mothers; there is flu, sore throats, measles (red and german), mumps, strep throats and scarlet fever.

Mr. and Mrs. Frank Reesor are finally getting their remodelled home into shape. The plumbing went into operation on Monday. Now Bob and Marie Dare are into it with some changes and improvements in the living room.

Mr. and Mrs. Harvey Reesor and Mr. and Mrs. Don Reesor visited the Frank Reesor's over the weekend. Mrs. Sadie Mortley was staying with the Tapscott's and attended Monday night's euchre.

The regular meeting of the WMS was held at the home of Mrs. Leslie Beare on Wednesday evening, June 1st. The president opened the meeting with a poem entitled "Mud". There was little business to transact. The programme and worship were conducted by Mrs. Bill Butcher's group. A film strip was shown depicting the religion, history, education, food, health and future of Africa. The worship period was taken by Mrs. Murray Milroy assisted by Mrs. Lloyd Taylor and Mrs. Gordon Murison. The meeting closed with prayer.

After the close of the meeting the ladies packed the bale for overseas mission. Four sewing meetings contributed two large quilts, 13 crib quilts, 6 baby jackets, 6 baby dresses, 6 baby nighties, 12 pair children's pyjamas, 17 pair Korean stockings, one jacket, 2 shirts, 2 pair mittens. A good supply of new articles for babies and children and a quantity of good used clothing was donated, making a total of 146 pounds. After packing the bales a delicious lunch was served and a social time was enjoyed by all.

Dates to Remember—

June 20 — Euchre will be held in Cedar Grove schoolhouse. This is the last game in the series but Euchres will be carried on throughout the summer running every other Monday night.

June 16th, 8.30 p.m.— Mother's Club, at Jean Crichton's. The play reading will continue this month with J. B. Priestly's amusing comedy "When We Are Married".

BALSAM & MT. ZION

Mrs. B. Jamieson

Mrs. Vera Barrington of Toronto spent the weekend with Mr. and Mrs. Winton White.

Sheila and Ivan Disney won several prizes on their calves at Brooklin Fair on Saturday.

The Mt. Zion baseball team won 2nd prize in the baseball tournament at Mt. Albert field day on Saturday.

Mr. and Mrs. Harold Brooks and son of Guelph visited Sunday with her parents, Mr. and Mrs. F. Coultis.

Mr. and Mrs. Lloyd Broome and family of Hampton called Sunday to see Mrs. Errol Carson.

Mr. Lorne Carson and Dr. Nancy Armburst of Orillia visited Sunday at the Carson home.

Mr. and Mrs. Allan Carson and family were Sunday guests with Mr. and Mrs. Ray Carson in Toronto.

Miss Kathleen McAvoy spent several days last week with her sister Mrs. Jack Tully in Toronto.

The Active Service Class will meet Wednesday night, June 15 at the Manse, Greenwood, with Mrs. Glenn Manderson's group in charge of the program.

ONTARIO HOSPITAL INSURANCE

GETTING MARRIED? —keep insured!

Family Hospital Insurance premiums are required after marriage. Be sure you are both protected. Tell your employer or collector right away. If you pay direct ... tell the Commission.

"GOOD FOR YOU, JULIE!"

A bank manager is interested in *all* his customers.

No depositor is too young, no account too small, no financial problem too minor to receive his attention and consideration.

He likes dealing with people and is trained to help them in every way he can. He's a good man to talk things over with—not just because he knows a lot about banking, but because he can be counted on to apply that knowledge and experience to the needs of all his customers.

To him, banking is the opportunity to work with all sorts of people and, through bank services, to help with *your* problems, *your* hopes and plans.
