

Friday is the deadline to apply for Holiday Hamper

Applications for the Links-2Care Holiday Hamper Program will be accepted at the Acton and Georgetown offices until December 6.

The Holiday Hamper Program provides hampers of new clothing for children, 0 to 12, and gift cards for teens, 13 to 18, from lower income families in Halton Hills.

If this holiday season will be financially challenging for your family, please drop by and apply for a hamper of your own. Personal information is kept strictly confidential.

Applications are available at:

- Links2Care— 47 Mill St. E., Acton and 36 Armstrong Ave., Unit 1 Georgetown

- Ontario Early Years Centres— 85 Wallace St., Acton and 8 James St. Georgetown

- The HUB— McKenzie-Smith Bennett School (south side) 69 Acton Blvd., Acton

- Acton and Georgetown Ontario Works, food banks, and Food for Life locations

Sponsors wanted

This program could not exist without the caring community

members who generously donate to Links2Care.

If you would like to sponsor a family this holiday season, Links-2Care will send you a family profile with children's genders, ages, sizes and clothing needs so that you can shop for the items on the list. Donations of money, new children's clothing, and gift cards are also very much appreciated.

To sponsor or for more information, call Cathy or Janet at 519-853-3310.

Donations can be dropped off at any Links2Care location.

COMMUNITY SUSTAINABILITY STRATEGY

Our Community Sustainability Strategy, Imagine Halton Hills, sets out a long-term vision for reaching a higher quality of life in Halton Hills.

It has 167 goals to advance our cultural vibrancy, economic prosperity, environmental health and social well-being.

The Strategy's implementation will require community partnerships.

You are invited to join us in helping to shape the future of our Town. Together, we can make Halton Hills an even better place to live, work and play.

Whether your organization is interested in sports and recreation; social services; arts, culture and heritage; economic and community planning matters; the health of our natural environment or anything in between, consider becoming a partner in the strategy's implementation. It's easy and free!

GEORGETOWN OPTOMETRY ANNOUNCEMENT

Dr. Andrea Kozma has joined Dr. Ben Giddens in his practice on Mountainview Rd. South.

We are pleased to welcome Dr. Andrea Kozma to our practice. Prior to pursuing a career in optometry, Dr. Kozma completed both Engineering and MBA degrees. She is a recent Dean's Honour list graduate of the Optometry program at the University of Waterloo and is excited to serve the eye health needs of the local community.

Dr. Giddens is delighted to have Dr. Kozma's help in providing eyecare to his growing patient base in Georgetown. Both doctors are qualified and equipped to diagnose and manage medical disorders of the eye including glaucoma. Dr. Kozma is currently seeing new patients on Monday through Thursday.
