Fill-in coach says thanks

Dear Editor:
I was honored to fill in as coach of the Stouffville Lions mite boys' baseball team Aug. 14-17.
I watched this team progress under coach Anne Pride all season. During the tournament two weekends ago, Ann's hard work became evident as her team (second from last in the league) came on strong to take third place. The final loss was only by one point!
It was hard work and positive attitudes which made this team so great at the end. Thanks guys, you really made my day!
Sincerely,
Tricia Rock
17 Church St. N.
P.S. Is it really too much to award prizes to second and third place winners? Are you only among the best when you're number one?
