Paul Steffler, R.R.1, Milliken, recently completed a long-distance bicycle trip, travelling 1,800 miles to northern New England and The Maritimes. Paul, a Grade 13 student at Thornlea Secondary School, was accompanied by staff teacher, Jay Holdsworthy.

Student cyclist to Coast

BUTTONVILLE - A trip to the Maritimes on a bicycle is a pretty ambitious undertaking; especially when you detour through the northern United States to see the Green Mountains.

Paul Steffler, 17, recently returned from such a jaunt. He was gone six weeks, riding his French 10-speed 'Gitane'. His companion, Jay Holdsworthy, returned last week.

Down through New York, Vermont, Maine and New Hampshire the two cyclists encountered persistent rain. They spent a few wet days in Nova Scotia and Prince Edward Island as well.

The travellers usually slept in a tent, pitched in someone's field or in a Provincial park; but on several occasions they were driven to seek sturdier shelter. In spite of this, Paul is enthusiastic.

"It was great", he said, "there's really no better way to see the country."

Paul's return trip was cut short by an attack of influenza, so he and his bicycle returned from Fredricton by train.

He estimates they covered about 1800 miles.

Markham Fair grant

Not automatic claims council

MARKHAM - If the executive on the Markham Fair Board wish to obtain their annual $400 grant from Markham Town Council, they'll have to ask for it.

This, members agreed, Tuesday, when the figure was placed before them.

Councillor Murray Henderson wanted to know where, or from whom the request had come, but no one, including the Clerk, seemed quite sure.

Mr. Henderson said he disliked the idea that such payments should be 'automatic'. "They should come to us", he said.

Councillor Roy Muldrew said the amount to his knowledge had never been approved by the Finance Committee.

Mayor Anthony Roman recommended the matter be shelved until the Fair Board could be contacted.

Councillor Muldrew disagreed. "Let them contact us", he said. No action followed.

Mrs. Andrew Green

Passes at Parkview

STOUFFVILLE - A life-long resident of the area, Mrs. Andrew Green, passed away Saturday in her room at Parkview Home.

Mrs. Green, 80, was born near Mongolia and lived in the community all her life. She was active in the United Church.

The funeral service was conducted Monday with Rev. Carter officiating, assisted by Mr. Arthur Brodie. Pall bearers were Gordon Tarr, Elmer Harris, Lambert Stouffer, Richard Neville, Bert Tapscott and Elmer Lewis. Mrs. Green was buried in Stouffville Cemetery.

She is survived by her husband, sons Don and Kenneth and one daughter, Mrs. Doug Neville.

Pitcher — top batter

STOUFFVILLE - Stouffville's Peewee pitcher, Howie Jones, literally 'exploded' with his bat in a league playoff game against Markham.

In four trips to the plate, he belted a triple, a double and two singles.

Stouffville won 15-3.

Every member of the team had at least one hit. Kevin Morley was hot on the heels of his mound mate with three.

Jim Wideman fired a 4-hitter on the Stouffville hill.

Cancel pheasant shoot

MARKHAM - There will be no pheasant hunt in Markham this fall.

Council members agreed, Tuesday, that much of the area was now too populated to permit the continuance of this annual shoot. It was agreed too, that the majority of problems stemmed from this practice.

Now, no licences will be issued until later in the fall, possibly Nov. 1. And of these, only 200 will go to non-residents.
