SUFFERED FOR THREE YEARS.

HEADACHES AND RUSHING OF BLOOD TO THE HEAD.

APPETITE WAS GONE.

TRIED MANY DIFFERENT REMEDIES BUT

BURDOCK BLOOD BITTERS

CURED

MRS. WALTER MARTHORNE, BROOKLYN, N.S.

She says: "I suffered for three years with terrible headaches and rushing of blood to my head. I lost my appetite and became very thin and weak. I tried many different remedies and consulted doctors, but all in vain until I started to use Burdock Blood Bitters. I had not taken more than two bottles when I began to feel better, my appetite improved wonderfully and I increased rapidly in weight. I took altogether four bottles and am now as well as can be, for which I owe my thanks to Burdock Blood Bitters. I can recommend it to all those suffering as I did."

GUILTY OF CONSPIRACY.

Chas. A. Barber And His Wife Convicted.

Montreal, June 12.—Charles A. Barber and his wife, Sarah Allison, were found guilty of conspiracy to defraud D. O. Brosseau, a wealthy merchant, out of $13,000, this afternoon. Sir Alexander Lacoste charged against the prisoners. Sentence was deferred. Brosseau, the complainant, was taken by the woman to a private house in Westmount, and while the couple were in a room the woman's husband emerged from a closet and threatened Brosseau's life, and he was finally made to sign promissory notes and cheques approximating $13,000. He made his escape, payment of the checks was stopped, and the couple arrested.

A Lasting Benefit.

Don't suffer with rheumatism. Get cured, as did Johnston Larmon, Oso Station, Ont. He had rheumatism in one of his hips for years, used all kinds of medicine without getting any relief. Two bottles of Hall's Rheumatic Cure cured him completely. He has not had a pain or ache for three years. This great blood purifier is put up in bottles containing ten days' treatment, 50 cents at Wade's.

Carpet Cleaning.

Should be done early before the rush. At Carnovsky works, Ontario street, old, dusty carpets made to look almost new by a thorough process. Moderate prices. Carpets taken up and relaid if desired.

ONTARIO W. A.

CLOSE OF THE GATHERING HELD AT PRESCOTT.

The Generous Thank Offering To The Diocese—A Question Drawer—Answers Given—The Elected Officers.

A large amount of business was transacted at the Thursday session of the W. A. annual at Prescott. An address was given by the Bishop of Ontario in the morning, thanking the W. A. for their generous thank-offering, which now amounts to $500. He was proud of the loyalty of the W. A. in the diocese of Ontario to its bishop, and felt that the success of the Ontario auxiliary would not lead to overweening ambition, and a desire for independence, which would end in disaster.

Reports from the organizing secretaries were called for, and Mrs. Roberts, Adolphustown, reported the immediate prospect of the formation of a branch at Amherst Island. The new auxiliaries at Stirling and Oxford Mills, were welcomed.

Satisfactory reports from the domestic and foreign field were read, and a discussion followed on the new constitution. On motion of Mrs. Dargavel, Elgin, seconded by Mrs. Bedford-Jones, it was resolved to submit the results of the deliberations on the subject to the bishop, to be by him corrected or approved.

Rev. H. B. Patton gave a Bible reading at noon, the members meeting again at 2.30 when Mrs. Woodcock read a helpful paper on perseverance so needed in W. A. as in all other work.

The question box was opened and the twelve questions replied to by Mrs. Lennox Mills.

Miss Annie Muckleston read a paper on the united thank offering, which will be taken up in 1906, urging the W. A. to show thankfulness for small as well as great mercies in a practical way.

The diocesan thank offering for 1904 will be for the superannuation fund.

Election of officers resulted in the re-election of the whole board: Mrs. Lennox Mills, honorary president; Mrs. Buxton Smith, president; first vice-president, Miss Gildersleeve; second vice-president, Mrs. J. O. Crisp; recording secretary, Mrs. Smythe; corresponding secretary, Miss Daly; treasurer, Mrs. Worrell; Dorcas secretary, Miss A. Muckleston; secretary J.W.A. and C.C.M.G., Miss Lewin; leaflet editor, Miss Macaulay; secretary literature, Mrs. Norman Fraser; treasurer, E. C. A. D., Miss Macmorine.

A junior session was held at 4.30, when an account of the junior work in the diocese since its inception was read by Miss Lewin, and a splendid and stirring address given by Rev. A. L. McTear.

On the invitation of Mrs. Ogilvie Dobbs, the next annual meeting will be held in the parish of St. Paul's, Brockville.

The Largest Steel Manufacturers In Britain.

Montreal, June 13.—William Jessop, of the firm of William Jessop & Son, Sheffield, England, the largest steel manufacturers in the world, who is in Montreal on a visit, states that since coming to Canada he had been urged by Canadian customers and representatives to open works in Canada, and it was probable that some time in the future this might be done. As soon as he returned to England, the question would be fully discussed, and some definite action decided upon. Regarding the proposed change in the Canadian tariff, to protect the Canadian steel industry, Mr. Jessop said it would be a splendid thing for both Canada and England, as it would prevent the dominion from becoming the dumping ground of the surplus manufacture of the United States, and give the Canadian industry a chance to show what it can do.

A DECISION GIVEN.

The Contracts, He Says, Are Privileged.

New York, June 12.—Judge Lacombe, in the United States circuit court, to-day, handed down a decision upholding the contention of the coal carrying roads that contracts between them and sales' agents are privileged documents, and, as such, the interstate commerce commission has no power to compel their production as evidence. The decision also upholds the refusal of President Baer, of the Reading railway company, and other witnesses, to answer questions relating to the conduct of their business.

The Worst Kind Of Gambling.

Canadian Sportsman.

On Tuesday the big brokerage firm of A. E. Ames & Co. closed its doors and as the firm admits with seven millions of dollars' liabilities a good many depositors are wretchedly anxious about their money. The class of business done by Ames & Co. has had much to do with the wild, mad speculation that has had so large a number of our citizens in its grasp within the past year. Talk about injury being done this community by holding a race meeting conducted by gentlemen for two weeks in the spring and one week in the autumn! There have been more citizens of Toronto ruined within the past six months and more misery caused by the wild carnival of reckless speculation of which Ames & Co. were the high priests and chief promoters than the Canadian turf is responsible for in the fifty years in its history. Some of the chief operators associated with the firm in their efforts to grasp everything that they thought would serve their financial interests, have been outspoken in their denunciation of those who bet a few dollars on a horse race. Verily they deserve to be well scorched on the toasting fork they always had ready for those who didn't sing their tunes.

A DREADFUL CRIME.

Negro Shot For Speaking to Girl.

Indianapolis, Ind., June 13.—Eugene Burk, a negro, employed in the English hotel, was murdered yesterday for a supposed insulting remark to a thirteen-year-old white girl named Gertrude Worth. Burk was seen to stop and talk to the girl, who turned away from him, but he appeared to force his attentions upon her. He was watched by the employees at Kingan's packing-house, and when he started away they began pursuit, being joined on the way by idlers who were on the street.

Burk ran down the railroad tracks with a mob of 200 at his heels, but suddenly a young man with a revolver in his hand dashed ahead and overtook the fleeing negro. Burk turned as his pursuer gained on him, and just as he did so the young man fired, and his victim fell and rolled down the railroad embankment, dying almost immediately. The murderer is believed to be a man named Anderson. He has not been arrested.

TO STORE COAL.

Mining Companies Plan to Accumulate 10,000,000 Tons.

Pottsville, Pa., June 13.—The anthracite coal mining companies are planning to keep the mines steadily at work during the dull summer months and store hard coal in enormous quantities.

More than 10,000,000 tons are to be accumulated, and this supply is not to be touched when the fall trade sets in, but will be allowed to remain as a reserve in case of strikes. The companies will then be able to supply the public with coal for some time whenever the miners suspend work and will not be caught unsupplied, as they were last year.

One-half of the entire amount, or 5,000,000 tons, will be stored by the Reading company and work has already begun in enlarging its storage yards in this country. As a counter move, the miners may decide to suspend work two days each week to prevent the stocking of any surplus coal.

Found To Be Insane.

Watertown, N.Y., June 12.—Hon. Henry Purcell and Dr. John A. Barnette, of this city, appointed to investigate the mental condition of Mrs. Rachel Richman, wife of Louis Richman, a wealthy Hebrew and mirror manufacturer of New York, to-day rendered their report, in which they find that Mrs. Richman is now and was on July 1st, 1902, insane. Mrs. Richman was indicted for stealing a $25,000 diamond necklace from Mrs. Walter Delabarre at the Crossmon house, Alexandria Bay, July 1st, 1902.

Strike Will Be Settled Soon.

Chicago, June 13.—John Mitchell, president of the United Mine Workers' Union, says: "The labor situation all over the country is better than it has been heretofore. The present agitation, which seems general in some places, is quieting down, I think, and will be over in a few weeks. I look for the settlement of all disputes by the first day of July. Unionism is growing stronger. Five hundred thousand new members were added to the union rolls in the last year."

Attacked The Chief.

Kieff, Russia, June 12.—While a Jewish midwife named Frunskin, who was arrested on a political charge, was being interrogated by Gen. Novitzky, chief of the gendarmerie, she rushed upon him with a knife, which she had concealed in her dress, and inflicted a wound in his neck. The general's injury is not serious.

A TRYING TIME ON FEEBLE PERSONS

All Who Are In Low Vitality Have Reason to Dread the Coming Weeks—Fortify Your System by Using

Dr. Chase's Nerve Food

If you watch the newspapers for the next few weeks you will find that the death record is a large one, and made up largely of persons in advanced years and of weak constitutions.

Vitality seems to be at low ebb at this time of year, and the sudden changes of temperature, and humid atmosphere are more than a weakened system can withstand. A little over-exertion, a little unusual exposure, a little neglect of the body, and health is undermined, physical breakdown inevitable.

If you could but realize the reconstructive and upbuilding influence of Dr. Chase's Nerve Food, it would be easy to convince you of the wisdom of using this preparation at this season of the year. When the blood is thin, weak and watery, Dr. Chase's Nerve Food enriches it by increasing the number of red corpuscles. When the nerves are exhausted, energy gone and strength declining, this great food cure builds up the system, restores and revitalizes the wasted nerve cells and rekindles the spark of life.

No physician can give you a better restorative than Dr. Chase's Nerve Food, for it is prepared in accordance with the most modern and most scientific principles, and contains in condensed form the most potent restoratives known to medical science. By noting the increase in weight while using Dr. Chase's Nerve Food you can prove for a certainty that new, firm flesh and tissue is being added to the body. Fifty cents a box, six boxes for $2.50, at all dealers, or Edmanson, Bates & Co., Toronto.

NERVOUS TROUBLES.

MAKES LIFE A SOURCE OF CONSTANT MISERY.

The Sufferer is Constantly Tired and Depressed, Will Startle at the Slightest Noise, and is Easily Irritated.

There is no torture more acute and intolerable than nervousness. A nervous person is in a state of constant irritation by day and sleeplessness by night. The sufferer starts at every noise; is oppressed by a feeling that something awful is going to happen; is shaky, depressed, and, although in a constantly exhausted state, is unable to sit or lie still.

If you are nervous or worried, or suffer from a combination of langour and constant irritation, you need a nerve food and nerve tonic, and Dr. Williams' Pink Pills are absolutely the best thing in the world for you. You will find after taking them that your feelings of distress and worry are being rapidly replaced by strength, confidence and a feeling that you are on the road to full and complete health and strength. Get rid of your nervousness in the only possible way—by building up strong, steady nerves.

Miss Ina Doucet, Bathurst, N.B., says: "Words fail me to adequately express what I owe to Dr. Williams' Pink Pills. I was attacked by la grippe, the after effects of which took the form of nervous exhaustion. The least noise would startle me and I would tremble for some time. I used several medicines, but they did not help me, and as time went on I was growing worse and was so nervous that I was afraid to remain alone in a room. I slept badly at night and would frequently awake with a start that would compel me to scream. The trouble told on me to such an extent that my friends feared for my recovery. At this time my aunt urged me to try Dr. Williams' Pink Pills, and after using eight boxes I was completely restored to health. I feel that Dr. Williams' Pink Pills saved my life and I sincerely hope my experience will benefit some other sufferer."

These pills never fail to restore health and strength in cases like the above. They make new, rich blood with every dose, strengthen the nerves and thus drive disease from the system. Dr. Williams' Pink Pills are a certain cure for rheumatism, sciatica, partial paralysis, St. Vitus dance, indigestion, kidney and liver troubles, and the ailments that make the lives of so many women a source of constant misery. Bright eyes, rosy cheeks and an elastic step is certain to follow a fair use of this medicine. Be sure that the full name "Dr. Williams' Pink Pills for Pale People," is on every box you buy. All others are imitations. If you do not find these pills at your dealers, they will be sent post paid at 50c. a box or six boxes for $2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

African Nurse Returns.

Middleville, June 10.—Miss Lizzie Gutherie, Boston, Mass., is spending a short vacation with her mother, Mrs. Woodruff and daughter, of Sydenham, are here spending a few days with Dr. Woodruff. Mr. Maschell, school inspector for Lanark county, visited our school last Friday, and left a very satisfactory report of the work being done by the teachers, Miss Ballantyne and Mrs. Dobble. Miss Minnie Affleck, who won praise and honor for her services as nurse during the South African war, has just arrived home from Nelson, B.C. Our former Congregational minister, Rev. Mr. Alexander, has returned from Chicago where he was successful in passing a post-graduate examination in one of the theological seminaries. Mrs. Norman Whitton left recently for Brandon, Assa., her husband having purchased a farm in that vicinity. The L.O.T. held their annual picnic last Saturday in William Borrowman's bush. There was a large crowd in attendance, and a very enjoyable afternoon was spent.

Cityite—I see you've greatly enlarged the police force in Lonsomehurst.

Mrs. Jones—Yes; we either had to do that or do our own cooking.

Cityite—How so?

Mrs. Jones—Cooks won't stay where there aren't enough policemen to go around.

The One Thing Needful.

If you want to live to a green old age, take care to keep your blood pure. Impoverished blood is accountable for nearly all bodily ills. Take Wade's Iron Tonic Pills, and you will find your health benefited, your blood purified and nerves strengthened. 50 pills for 25c., at Wade's.

Oso Occurrences.

Oso Station, June 10.—The continued dry weather has been broken with some light showers. Our blacksmith's are kept busy setting tires. Mrs. J. F. McPherson has returned after an extended visit to Kingston. Miss Johnston has returned after visiting friends at Sharbot Lake. J. F. Bourk is all smiles; it's a girl.
