One Came Out After The Other.

Suffered with Boils for Six Months.

Mr. Elie Braizeau, Meadowside Station, Ont., tells of his experience with Boils and

Burdock Blood Bitters.

He says:—"In the Spring of 1889 I was continually troubled with boils—one coming after another for about six months. I suffered terribly, and was in a very bad condition. In August I got a bottle of Burdock Blood Bitters, and began to feel better after taking it. I kept on until I had used five bottles, and can truthfully say that I was cured, and have remained so ever since. I have not had the least sign of a boil."

There is nothing like Burdock Blood Bitters for bad blood, boils, pimples, dyspepsia, indigestion, or any trouble arising from the Stomach, Liver, Bowels or Blood.

Annual Meeting Of The Curling Club—A Daughter In The Home Of A. T. Burrows—Society Is All Agog.

Napanee, Dec. 2.—A wedding of interest to our townspeople took place, Wednesday evening, at the residence of the groom, Belleville Road, when Miss Helen Butland, became the bride of Frederick Bristow, Napanee. The ceremony was performed by Rev. J. R. Real, pastor of the Western Methodist church, in the presence of about fifty invited guests. The bride was assisted by Miss Judd, and a like service was performed for the groom by his brother, Charles Bristow. After the ceremony a dainty wedding supper was partaken of by the assembled guests. The bride who has a host of friends in Napanee, received many elegant and useful presents. The newly wedded couple did not take the customary wedding trip, but settled down in their cosy home, where the ceremony was performed.

The annual meeting of the Napanee Curling Club was held at the Public Library, Monday evening, November 28th. The following officers were elected: President, W. Templeton; vice-president, J. L. Boyes; treasurer, W. F. Hall; secretary, A. Alexander; executive committee—W. A. Bellhouse, J. W. Robinson, J. C. Ham, W. C. Smith, W. S. Herrington; chaplains, Rev. Father Hartigan, Rev. W. H. Emsley, Rev. A. Macdonald; auditors, J. F. Chalmers and J. Madill. The report of the treasurer showed a balance on hand of $29.63. It was agreed to again join the Central Ontario League and Messrs. Robinson, and Ham were appointed representatives thereto. The meeting adjourned to meet at the call of the president for election of skips and further business in connection with the club.

Mr. and Mrs. A. J. Burrows, Belleville, are rejoicing over the arrival of a little daughter on Thursday, Dec. 1st. Mr. and Mrs. Alfred Kent returned yesterday from a two week's visit with friends on Wolfe Island. Clarence M. Warner, wife and daughter, Providence, R.I., arrived yesterday to spend the winter with his mother, Mrs. Sidney Warner, John street.

Fred. Arnott, Jr., Toronto, is in town for a day or two. Mrs. J. T. Soby had a very pleasant "At Home" for her lady friends this week. Mrs. (Dr.) Wagar also entertained a large number of her friends on Tuesday evening. The season for festivities and entertainments is at hand and very many pleasant afternoons and evenings are anticipated in society circles.

Is Your Liver To Blame?

Here Are The Symptoms Which Tell of a Congested Liver, And Indicate The Need of

Dr. Chase's Kidney-Liver Pills

The tongue is coated, the appetite is impaired, digestion is deranged, the bowels are constipated, and there are feelings of fullness and soreness about the liver.

You may have headache and dizziness, pains in the limbs, feverishness, yellowness of the eye and skin, depression of spirits, and irritability of temper.

So great is the influence of the liver on the other organs of the body, that once it is deranged, the whole system seems to be upset.

There are no means by which you can so quickly and certainly obtain relief from torpid, sluggish liver action as by the use of Dr. Chase's Kidney-Liver Pills.

One pill at bedtime, and the result is a thorough cleansing of the filtering and excretory systems, and new vigor and regularity for liver, kidneys and bowels.

No family medicine has been more extensively used in Canada than Dr. Chase's Kidney-Liver Pills, and none has such a reputation for reliability and certainty of action.

Enliven the action of the liver by this well-known treatment, and you ensure good digestion and regular action of the bowels—the foundation of good health.

James Gardner, Bath, Ont., states: "I was a sufferer for forty years from indigestion and constipation. At times I would go two weeks without a motion in my bowels and suffered violently from headache. I spent a small fortune in remedies, but the only remedy that gave me relief was Dr. Chase's Kidney-Liver Pills. I would not be without them for anything."

A. VanLuven, grocer, Napanee, Ont., states: "Having used Dr. Chase's Kidney-Liver Pills I can say positively that they are the best pill I ever took. We always keep them in the house as a family medicine and have used them on several occasions with excellent results. They certainly do all they are advertised to do."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers or Edmanson, Bates & Co., Toronto. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

Sporting Notes.

Collingwood will enter a junior O.H.A. team this year.

Goderich will have an intermediate O.H.A. team this season.

The draws for the Tankard and District cup competitions of the Ontario curling association have been made.

Brockville will have an intermediate O.H.A. team this winter, and, if possible, a team in the Federal League, provided the Federal is a fact.

Eric W. Hamber, captain and coverpoint of the Dominion Bank Hockey Club, of Toronto, has refused an offer to play professionally with the Pittsburg Club.

The Pinkey Evans-Jem Bowker bout which was scheduled to take place before the National Sporting Club, of London, on December 30th, has been postponed until some time in February.

Angus McLeod, the former Canadian champion bicycle rider, is now living in Detroit, and at present is busying himself organizing a hockey club. The team may enter a league along with Windsor and Walkerville.

Perth is not certain of having a senior team this winter, but in any event it will be a free lance organization belonging to no league, and playing only exhibition games. The intermediates will be in the O. H. A. again.

President W. N. Ferguson, of the O. R.F.U., has declined to be a candidate for office again. S. S. DuMoulin, of Hamilton, the present vice-president, has been nominated and will undoubtedly be elected by acclamation.

Seventy-eight clubs are entered in the district cup, Meaford, a new club, was placed in group 4, and Kingston and Oshawa were transferred from No. 5 to No. 1. Kingston is pitted against Toronto, Queen City in the preliminary round.

The Pittsburg plan of making an offer to every prominent player in Canada is considered good advertising there. Hamber, of Toronto, "Dutch" Morrison, of Portage la Prairie, and Tom Phillips, of Rat Portage, are the latest to be "mentioned" in this way.

If Hamilton keeps on winning the O.R.F.U. championship, the Toronto law makers will get sore and invent another set of hybrid rules. They have been trying for years to win championships for Toronto and their success has not been startling on the gridiron, though it has been marvellous in the committee room.—Montreal Herald.

Tom Burrows, when he was in Montreal, told some interesting stories of his wrestling matches in Egypt. A native wrestler, he said, would drink several pints of sweet oil every day during the week preceding a match. This treatment naturally saturated him with the oil and as soon as he warmed up in a match, the grease oozed through the pores of his skin, and made him about as easy to hold as a healthy eel.

At the meeting of the O.H.A. executive, Wednesday night, the ineligibility of senior lacrosse players was affirmed and Duff Adams withdrew from the committee, as he had played once for Brantford. The decision which reinstated Harry Peel, of London, was revoked and he was declared to be in his old status of a professional. Western Ontario clubs promise no support to opposition to the re-election of President Robertson.

Yanger And Hanlon Again.

Special to the Whig.

Philadelphia, Pa., Dec. 2.—Local fight followers are looking forward to seeing a fight to-night that is expected to remove the stigma placed on Quaker City boxing by the recent Ryan-Root fake. The bout to-night will be furnished by Benny Yanger and Eddie Hanlon, who are recognized as two of the foremost boxers at their weight in the country. The affair will be pulled off in Industrial Hall under the auspices of the National Sporting Club.

Both fighters appreciate the importance of winning the bout and as a consequence have trained faithfully to get into the best of condition. Hanlon is desirous of making a good showing to offset the slump in his stock resulting from his recent defeat at the hands of Terry McGovern. Yanger, with a remembrance of his defeat by Aurelia Herrera, hopes to restore his reputation by a victory over Hanlon. It will be the third time Yanger and Hanlon have fought. Their first bout resulted in a victory for Hanlon and their second encounter was declared a draw, both fights going twenty rounds.

President Married 18 Years.

Special to the Whig.

Washington, D. C., Dec. 2.—With characteristic lack of ostentation, the President and Mrs. Roosevelt to-day celebrated the eighteenth anniversary of their marriage. That ceremony was performed at St. George's church, Hanover Square, London, on December 2nd, 1886, by Canon Gutheridge, a cousin of the present first lady of the land. Members of the family remembered the anniversary to-day by flowers and other gifts, but there was no observance of the occasion which in any degree took on a public character.

VERY SKILFUL.

This Burglar Totals a Half Million Dollars.

Chicago, Dec. 2.—"Kid" Leary, veteran safe blower, who is said to have stolen more than $500,000 in his career, has been arrested after a determined resistance. Suspected of complicity in a recent safe blowing in Chicago and two bank robberies in Wisconsin, the police learned of the man's presence in the city. He was surprised while asleep in a rooming house, and was unable to reach the weapons secreted in the bed for defence. Despite threats and display of revolvers by the policemen, Leary struggled until overpowered. Leary was recently released from penitentiary at Waupun, Wis.

The Key That Unlocks The Door To Long Living.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age, will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by all druggists.

A quiet wedding took place on Thursday at Foxboro, when Mr. Jacques of Collingwood, was united in marriage to Miss Phoebe Ann Read.

Sarnia, Ont., Dec. 2.—Determined to prevent wholesale smuggling, the merchants of this town have engaged a young woman to remain at the customs office on this side of the river to detect smuggler shoppers who purchase holiday goods on the United States side. Now that holiday shipping has begun several merchants hope materially to reduce the large amount of petty smuggling which heretofore has been carried on, and by this method to intimidate the women buyers.
