TOOK A SEVERE COLD.

It Settled In The Kidneys.

Pain In The Back The Result.

Catching cold and having it settle in the back is often the cause of Backache—the primary cause of kidney trouble. When the back aches it is a warning that the kidneys are liable to become affected.

Heed the warning: check the Backache, and dispose of any chance of further trouble.

If you don't, serious complications are very apt to arise. Mrs. E. Williams, Hamilton, Ont., caught cold, and it settled in her kidneys. She used

DOAN'S KIDNEY PILLS,

and is thankful for the immediate relief they gave her. She writes us as follows:

"It is with pleasure that I add my testimony in favor of Doan's Kidney Pills. Some time ago I took a severe cold, which settled in my kidneys. The soreness and pain in the small of my back bothered me greatly. After suffering for some months, and finding numerous remedies fail, I procured a box of Doan's Kidney Pills, and received immediate relief from my sufferings.

Doan's Kidney Pills may be procured at all dealers, or will be sent direct by mail on receipt of price—

SPORT REVIEW.

ROUSSEAU READY TO TRY AGAIN

In a Contest With Kelly—He Is Working Hard With His Trainer—The Strollers' Team Chosen.

Sergt. Rousseau, the local wrestler from "A" Battery, has been in communication with Kelley, the "dark horse," who defeated him at their last meeting in Ontario hall several weeks ago. The soldier is still confident that he can defeat Kelley and is anxious for another bout. Kelley is in Buffalo and has signified his willingness to take the local man on again at the end of January. Rousseau is already training hard with Sergt.-Maj. McGowan and intends to be at his very best when the contest takes place.

"KID" SAYERS.

A good 130-pounder, who is fighting regularly in Milwaukee and Chicago, and with good success.

Team Chosen.

The Strollers had a good practice at the rink last night and the team which will meet Cadets' juniors will probably line up as follows: Goal, Hall; point, Birch; cover, Lockett; rover, Kenneth Williams; centre, Tothill; wings, Fortescue and Merrick.

McGill Has Strong Team.

The McGill men are practising hard in anticipation of their first game with Queen's in Montreal, to-morrow night. Montreal advices state that the McGill forward line is fast and well balanced but the weak spot is their defence where it is thought the players will have their work cut out to stave off the attacks of a fast line like Queen's. The probable McGill line up will be: Lindsay, goal; McKenna, point; Robinson, cover; Gilmour, rover; McCallum, centre; Raphael and Sims, wings. The new men are Robinson, Raphael and Sims who all look good. Gilmour has been shifted from the wing to rover, as it is thought his shooting will be more effective at that position. The team is considered to be stronger than last year and are in good condition physically. Queen's on the other hand, never looked better in practice and if appearances count for anything will open their intercollegiate hockey season with a win to their credit.

Hockey Notes.

Ross Murphy is considered the probable cover-point of the Toronto Argonauts.

Liffiton, the ex-Wanderer, made a great showing in his first game with Houghton, against Michigan Soo, on Tuesday night.

"Reddy" McMillan, with the Calumet hockey team, is suffering from a badly cut toe, the result of an injury in a recent game at Pittsburg.

General Notes.

Dude Kennedy, of Philadelphia, knocked out Billy Weller of Montreal, in the fourteenth round of a boxing contest at Montreal, Tuesday night.

The stockholders of the Rochester Amusement company, have voted to make a general assignment. The Rochester Eastern League Baseball Club was loser of over $10,000 last season.

Manager Greggains of the San Francisco Athletic Club, has received information that Tommy Murphy, whom he had hoped to match with Frankie Neil for the latter part of this month, has an engagement with Hugh McGovern for January 25th, in Philadelphia, and for the third time he is all at sea for pugilistic attractions. It is certainly a remarkable state of affairs in a city which gives even lesser purses of $5,000, to have a manager hard pressed to find men of class to come together and fight.

The challenge issued by Tom Sharkey to fight Jim Corbett, in a limited round bout has brought a hasty defi from Harry Pollock, manager of Jack Munroe, the Butte miner heavyweight. Pollock says Sharkey need not seek a match with Corbett as he is willing to match Munroe against him in a bout of fifteen or twenty rounds duration. Pollock further states that he will meet Sharkey at any time to make the match and will also make Sharkey a big side bet on the result of the battle. When Sharkey was told of Munroe's challenge, he said: "I could not afford to fight Munroe. He quit in two rounds with Jeffries and on that account there would be no money in it for me to fight him. The man I want to fight is Corbett. I can lick him."

A CURE FOR Muscular Rheumatism.

"I wish to express my grateful appreciation for the benefit derived from the use of your Pills. For fifteen years I have suffered from Neuralgia and Muscular Rheumatism. The first few doses I took of your pills relieved the excruciating pain, and now I feel that I am on the road to recovery. I heartily recommend them to all suffering the racking pains caused by the poisonous matter from impure blood. I feel confident that your Pills possess the materials to give new force and health to worn-out Kidneys."

MRS. FRANK SEAN,
15 Grant Street,
Malden, Mass.

HE HAD FAITH.

And It Was Justified.

"In reply to your letter of recent date, will say that I am cured as sound as a dollar. I used about three of the fifty cent packages. I was going to write you, but was holding up to see if the piles would give me any further trouble. I feel no signs of the piles and believe I am cured entirely. I had faith in Pyramid Pile Cure at the start, and stuck right to the treatment. You can refer anyone to me you like. I can soon tell what Pyramid Pile Cure has done for me. Wishing you much success, I remain, J. C. Kinkaid, Mgr. for Fleischman & Co., agency at Knoxville, Tenn."

It is a well recognized fact that the best advertising an article can have, is that which is known as "word of mouth;" this rightfully carries more weight than all the claims which can be set forth. It follows that Mr. Kinkaid, with his wide acquaintance, will largely promote the sale and use of Pyramid Pile Cure because and here is the vital point—he knows whereof he speaks; and not only advocates its use, but does so with enthusiasm; this is not to be wondered at, and in point of fact can anyone, after reading his letter, doubt that this remedy cures?

Pyramid Pile Cure is sold by druggists for the low price of fifty cents a package; it is in suppository form, is applied directly to the parts affected, and does its work quickly and painlessly; there is no other remedy "just as good."

A little book describing the causes and cure of piles is published by Pyramid Drug Co., Marshall, Mich., and will be sent free to any address for the asking.

End Of An Alaskan Feud.

Seattle, Wash., Jan. 12.—Word was received here last night of the killing of William Dippe by Robert Ball, on Fox Island, in Southwestern Alaska, on January 2nd. The men were friends and associates in some marble properties close to the scene of the shooting until a few months ago, when they had a business disagreement, which resulted in a personal encounter in this city, in which Ball was worsted. Since that time they have been bitter enemies, and it is said each had made threats to kill the other.

Wedding In Military Circles.

Special to the Whig.

Washington, D.C., Jan. 12.—St. John's church was the scene of a fashionable military wedding at noon today when Miss Katherine Thomas, daughter of Lieut.-Col. and Mrs. Thomas Newton Wood, became the bride of Capt. Robert Henry Dunlap, U.S.M.C. The bridegroom was attended by a number of his brother officers in full military dress.

CHURCH MEET

AND HAVE A REALLY CORDIAL TIME

The Congregation Closes The Year With a Surplus—Presentation to Mr. and Mrs. Laird.

Cooke's church annual meeting was held last evening with a large number of the congregation present. Rev. Mr. Laird presided. Reports from the various church organizations showed that good and active work had been done during 1904. The Ladies' Aid Society raised $700 for furnishings. The church treasurer reported a surplus of $20. E. J. Anderson and Dr. Sands were re-elected managers for three years. Votes of thanks were tendered the managing board, the choir, James Craig for his services as Sunday school superintendent and A. B. Nelson as choir leader.

The session and managers were appointed a committee to represent the congregation at the presbytery meeting on Friday when Mr. Laird's resignation will be dealt with. The presbytery will be requested to appoint Mr. Laird as moderator of the session during the vacancy of the pulpit.

After the business meeting, Prof. Fowler was called to the chair, and a motion was passed expressing the deep regret of the congregation over the resignation of Mr. Laird as pastor. Dr. Sands read a complimentary address on behalf of the congregation, and presented Mr. Laird with a roll-desk and a chair, and Mrs. Laird with an oak rocking chair. Mr. Laird made a feeling reply to the people for their many kindnesses. Afterwards, refreshments were served by the ladies.

William Robinson stated that he had been attending Cooke's church annual meetings since 1846, and that the present congregational gathering was the most cordial and harmonious that he had witnessed in those fifty-eight years.

Mr. Crummy Is Favored.

There is still a probability that the pastorate of Cooke's church will be offered to Rev. Elder Crummy, who is wanted by the Bathurst Street Methodist church, Toronto. Cooke's church is clear of all debt and in a position this year to increase the minister's stipend. Mr. Crummy is favored by the congregation, and it would not be surprising to hear of the pulpit being tendered him for acceptance. This is a statement made by a leading member of Cooke's.

Quality Counts.

In blood especially, nothing shows more quickly than impoverished blood. Pimples, boils, skin eruptions of all kinds should be treated through the blood. Wade's Iron Tonic Pills cure these diseases by driving them out of the blood. In boxes, 25c. at Wade's Drug Store. Money back if not satisfactory.

Morven Matters.

Morven, Jan. 9.—Rev. W. T. Wickett of Victoria Road, preached in the Brick church on Sunday evening. Parties are all the rage at present. Mrs. J. B. Miller was at home to a goodly number of friends on Thursday evening, in honor of the Rev. W. T. Wickett and wife, who are visiting friends in these parts. Tea was served, each one doing justice to the same, the remaining part of the evening was spent in a social way, until the midnight hour, appeared. The gathering breaking up, then, all being well pleased with their evening's enjoyment, and and each one leaving their best wishes with Mr. and Mrs. Miller. Those that are on the sick list are improving.

Why Needed In Every Home

To Overcome the Most Common and Annoying of Human Ills.

Dr. Chase's Kidney-Liver Pills

Indigestion, constipation and torpid action of the liver and kidneys are known in every home.

Both an account of the distress and discomfort which accompanies them and as a cause of other ills of a more painful and deadly nature of these derangements require prompt attention.

In every home there is needed more or less frequently a treatment which can be depended on to regulate the organs of digestion and excretion.

Dr. Chase's Kidney-Liver Pills have become the most popular family medicine extant, because they exactly meet these requirements.

They are unique in that they act directly on the kidneys, liver and bowels and thus insure a prompt regulating and invigorating of these organs.

The result is good digestion and assimilation, and the prompt removal of the poisonous waste matter from the body.

One pill a dose at bed-time, two or three times a week soon cleanses the system and removes the cause of pain and ill-health.

James Perry, engineer, with A. Nicholson & Son, Carleton Place, Ont., States: "I have for some time been troubled with my kidneys and suffered a great deal with pains in the back and limbs. I consulted some doctors, and they told me that I had muscular rheumatism.

"At times I would be so bad with my back and kidneys that I would give anything for relief. Hearing of Dr Chase's Kidney-Liver Pills. I decided to try them, and amy very thankful that I did, for I obtained relief very promptly. After using them for some time I was entirely freed of the pains, and as they have not returned, I consider the cure a permanent one. I always keep these pills in the house, and take one occasionally to keep my system in perfect order."

Dr. Chase's Kidney-Liver Pills, 25c. a box, at all dealers, or Edmanson, Bates & Co., Toronto. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

AFTER COTTON AGENCY.

Competition For Selling Agency Of New Cotton Trust.

Montreal, Jan. 12.—There is understood to be a stiff fight on for the selling agency of the new cotton merger. Stevenson, Blacader & Co., the present Montreal and Dominion, company selling agents, are after it, also D. Morrice & Co., and C. B. Gordon, one of the directors of the new concern. The selling agency will be a tremendous plum; in fact, this is the real profitable end of the Canadian cotton business at the present time.
