Doctors Said That Lumps and External Swellings Would Turn to Running Sores.

Mrs. Jacob Kaehler, Zurich, Ont., says that

Burdock Blood Bitters

Saved Her from Many Years of Suffering.

She writes:—"Now imagine how joyous and great was my surprise when a friend of mine told me that Burdock Blood Bitters would cure me, so that the lumps and external swellings, which the doctors told me would turn to running sores, would disappear. I took her advice, and can say that I have no doubt but that Burdock Blood Bitters has saved me from years of suffering. It is with the greatest of pleasure and with a thankful heart that I give this testimonial, knowing that Burdock Blood Bitters has done so much for me, and you are at perfect liberty to use this for the benefit of others similarly afflicted."

Burdock Blood Bitters is the best blood medicine on the market to-day, and is composed entirely of roots, herbs, barks and berries.

OUTRAGE ON FINLAND.

Finlanders Excited Over Persistent Reports.

Helsingfors, Finland, June 23.—Considerable excitement has been caused here over the persistent reports which are continually heard to the effect that the Russian government has decided to seize Finland's special reserve fund, amounting to $12,500,000, for war purposes. According to the laws of Finland this fund is sacred until all other resources of Finland have been exhausted and it is needed for her own use. It is easy to understand why the people have been aroused by the reports that Russia intends to take it for her own use.

Struck It Rich.

Two young Canadians, David Dunlap and Noah Timmins, Mattawa, Ont., recently registered at a hotel in New York. They had little personal baggage, but did bring two freight cars which they had sidetracked in Jersey City. Forty tons of rock were in these cars. It had been mined by Dunlap and Timmins in Northern Ontario, between Lakes Temiskaming and Temagami. When the two Canadians left for home they had sold the rock for $75,000. They had struck a silver and nickel mine, which promises to prove one of the richest in the world. They have obtained complete ownership of the property, and declare they would not sell for $5,000,000.

Mrs. S. If troubled with dyspepsia or indigestion why not take these tablets, get well and stay well? For sale by all druggists.

PICTON POINTERS

DEATH OF A LADY AFTER A LONG ILLNESS.

Likely to Be Bountiful Purses for the Dairymen—Dr. Dingman's Appointment—Given the Position of Organist.

Picton, June 22.—Tuesday night, after a lingering illness of many weeks, from cancer of the stomach, there passed away at her home, East Main street, Miss Mary Elizabeth Stortts, aged about fifty years. Of the family surviving her, besides a mother are three brothers, Martin, George and Fred, and one sister, Carrie. Requiem mass was celebrated this morning in St. Gregory's church, burial taking place in Mount Olivet cemetery.

The surrounding country looks beautiful—the crops give promise of a fine yield, while pasture is excellent. This, together with the price of cheese are working factors towards a bountiful purse for the dairymen. The recent heavy rains have somewhat damaged corn planted on low land, but it is not thought the loss will be extensive. Within the past few days home-grown strawberries have been shown on the market, retailing at twelve and one-half cents a box.

Throughout the public schools there is an epidemic of chicken-pox. A case of scarlet fever, of a mild nature, is reported on the Bloomfield road. S. A. Johnson's store, pianos and implements, has passed into the hands of Mr. Jones. Mr. Johnson will travel for a piano firm. Mrs. S. B. Gearing went to Brighton, Wednesday, to attend the funeral of her sister, Mrs. Northrup.

Dr. Harold W. Dingman, Toronto, a former Pictonian, who is visiting in town, will leave, Saturday, for Saginaw, Mich., where he will enter St. Mary's hospital as house physician. Dr. Dingman is only a this year's graduate of Toronto University, and is an exceptionally clever young man. H. A. Hamilton was in Kingston for the R.M.C. ball. Mr. Merser, Detroit, is spending his vacation in town. A jolly party of young people given for Dr. Dingman, sailed down to Hallowell Mills on the yacht Salva, Wednesday, remaining there for supper.

A. W. Hendricks, Walla Walla, Wash., and G. W. Morden, Georgetown, Pa., two former masters in the Picton High School, are in town for the summer. Dr. Charles Clarke, Collingwood, is in town on a week's visit. Mrs. William Jaffray, who has been visiting her parents, Mr. and Mrs. B. Gillespie, returned to-day to Toronto. Miss Allan, after a few days spent in town, has returned to Lindsay. Mrs. Graham and three children, of Owen Sound, and Miss Allan, Stroud, Eng., are the guests of Mrs. T. E. Owens, Bloomfield.

Early Wednesday morning at the rectory, Miss Margaret E. David and T. H. Chalmers, Adolphustown, were quietly married by Rev. W. L. Armitage. Prof. Johnstone has been appointed organist and choir master in the Main Street Methodist church.

WHOLESALE LYNCHING.

Eleven Cattle Thieves Lynched by Tartars.

Odessa, June 23.—Advices received here from Simferopol tell of the lynching of a band of eleven cattle thieves near there by Tartars living in that locality. The Tartars have been annoyed for months by the cattle thieves and at last decided to take matters into their own hands to exterminate the thieves. An expedition against the robbers resulted in the capture of eleven of the band, including the leader. Fully 1,500 people took part in the lynching.
