Damage is estimated at approximately \$50,000 in a fire that started in the garage of a Sixth Line home Thursday evening.

No one was injured.

Teachers don't have to show up for PD Day

While tomorrow (Friday) has been designated provincially as a Professional Development Day, for permanent teachers with the Elementary Teachers' Federation (EFTO) and the Ontario Secondary School Teachers' Federation (OSSTF), it is an unpaid day and teachers will not be required to be at school.

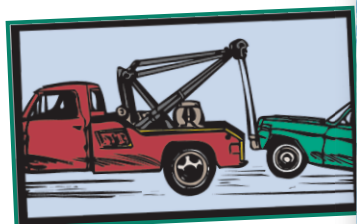

This is a result of the labour settlements between the provincial government and the teachers' unions.
