NOTICE OF INTENTION TO DESIGNATE UNDER THE ONTARIO HERITAGE ACT

IN THE MATTER OF THE ONTARIO HERITAGE ACT AND IN THE MATTER OF the lands in the Town of Halton Hills known municipally as 16 George Street, Georgetown,

NOTICE IS HEREBY GIVEN that the Town of Halton Hills intends to designate Jacob Kennedy House under Section 29(1), Part IV of the Ontario Heritage Act, R.S.O. 1990, Chapter 0.8.

Description of the Property:

Number 16 George Street (Plan 76, Part Lot 27) is representative of an era of worker housing in Georgetown, Ontario during the Edwardian Period (1901 to 1910). It is a typical two storey frame dwelling with a peaked roof, two upper story twin sash front windows and a front porch which has been enclosed with surrounding windows including a front entrance door with glazing. The original wood siding has been covered in vinyl, as has the window trim. Consequently any original gingerbread molding and verges have been removed. A block chimney runs the height of the house on the driveway side. The interior has been substantially renovated. While some of the interior elements have been highlighted, the interior currently does not represent what would have been the original interior layout.

Statement of Cultural Heritage Value or Interest:

The building is of cultural heritage value as a typical example in Georgetown of Edwardian era worker housing. It is a dwelling with historical connections to the early Georgetown pioneering Charles Kennedy family. The land on which the dwelling sits was originally owned by the Kennedy's. The evidence in the land records at the Halton Registry Office in Milton appears to confirm that the dwelling was built by Jacob Kennedy in 1906. The Jacob Kennedy family were residents of the house for approximately 10 years.

Description of Heritage Attributes

- (a) a construction date of circa 1906 which would place it in the middle of the Edwardian period.
- (b) associations with the pioneering Georgetown Kennedy family
- (c) architecturally a typical example of a Georgetown Edwardian era worker housing of frame construction
- (d) front elevation with two stories, peaked roof with eave overhangs, no dormers, two parallel equal sized front glazed windows on the second story and a front porch spanning the width of the dwelling

Further information respecting the proposed designation is available for viewing at the Corporate Services Customer Service Counter – Civic Centre, 1 Halton Hills Drive, Georgetown, during regular business hours. Refer to the Jacob Kennedy House Designation Report for the description of heritage attributes, site analysis and historical background.

Any person may, by January 17, 2014, (within 30 days after the date of the publication of this notice) serve written notice of objection to the proposed designation with Corporate Services – Clerks, together with a statement for the objection and all relevant facts.

Dated at the Town of Halton Hills this 19th day of December 2013.

Ashley Mancuso, Records/FOI Coordinator, The Corporation of the Town of Halton Hills, 1 Halton Hills Drive, Halton Hills, ON L7G 5G2. 133
