A CRIME THAT IS NOT PUNISHABLE.

How many people reading this article have gone into a drug store and asked for some well known and highly tried medicine and some unscrupulous druggist has said, "Yes! we have that, but have you ever tried this remedy, it is just as good and costs less." Any druggist doing this has not the interest of your health at heart, but the interest of his pocket, as he can make more profit out of the cheap substitute.

For the protection and benefit of the public, we wish to say that DR. FOWLER'S EXTRACT OF WILD STRAWBERRY has been used in thousands of homes for the past sixty-three years and has never failed to give prompt relief and cure in all cases of Diarrhoea, Dysentery, Colic, Stomach Cramps, Summer Complaint, Sea Sickness, Cholera Infantum, Cholera Morbus and all Fluxes of the Bowels. When you buy DR. FOWLER'S, you are not experimenting with a new and untried remedy, but are getting one that has stood the test of time.

Miss Lettie Reid, Vivian, Ont., writes: "Last year I suffered untold agony from cramps in the stomach and did not know what to do until a friend suggested I should try DR. FOWLER'S EXTRACT OF WILD STRAWBERRY and as I was glad to try anything I purchased a bottle.

"When I had taken four doses I found relief and since then I never fail to keep a bottle in the house."

Tidings Of Green Bay.

Green Bay, Aug. 15.—Campers are scarce along the lake this summer. Harvesting grain is the rush of the farmer. Some report a very light crop. Blackberries seem rather scarce around this part. Foxes have been seen often, having killed about fifty turkeys belonging to James Barr and Thomas Burns. Two bears have been seen roaming about, but haven't yet been captured. Burridge Orange lodge attended the celebration, Wednesday, August 12th, at Blair's Grove. The rain fell during the day and made the trip very uncomfortable. Shillington's; William Thompson and Miss E. Cadwell, at T. Thompson's; Mrs. W. Bygrove, Althorpe, at Mrs. Swerbrick's; Mr. and Mrs. G. Butterill, Fermoy, and Mr. and Mrs. E. Barr, at J. If The Head Sheds.

Dandruff or gives any other evidence of a scaly humor on the scalp apply Wade's Ointment faithfully and the affection will be thoroughly cured. This remedy has remarkable cooling, soothing and healing powers. It cures eczema (salt rheum), ulcers, piles, catarrh, dandruff and all scaly or itching eruptions of the skin. In big boxes, 25c., at Wade's drug store.

Big Subterranean River.

Sydney, Aug. 18.—In the course of a lecture delivered at Hamilton, Vic., says the British Australasian, Prof. Mudd claimed that Australia possessed the highest river in the world. Owing to geological formation of this continent, a large proportion of the water flowed underground, and he estimated that a subterranean river, with a width of 200 miles, flowed through the centre.

Double Tragedy.

Altus, Okla., Aug. 18.—Alice Carter, twelve years old, refused to marry Charles Fisher, a farm hand, against her parents' wishes, whereupon he drew a revolver and shot and killed her, and then committed suicide. His body fell upon her body in her home. Both were shot through the heart. Fisher left a note, which showed the double tragedy was premeditated.

A Creamy Delight.

Good ice cream soda is the most delicious beverage made. Our soda is made right and served right. A liberal quantity of pure ice cream is given, pure crushed fruits and fruit syrups only are employed, and our glasses and everything else about the fountain are absolutely pure. Wade's drug store.

A Fatal Fall.

New York, Aug. 18.—Charles F. Wormser, secretary of the Yorkville Paper company, New York, fell from the verandah on the second floor of the East View house at Highlands, N.J., and died of fractured skull. Mr. Wormser was leaning against the railing of a verandah when it gave way, throwing him head first fifteen feet below.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within forty-eight hours after beginning to use the Restorative improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach. Heart and kidneys will usually fail. Strengthen these faning nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by all dealers.

President Roosevelt appointed a commission of five experts to conduct an investigation designed to better conditions of farm life, their report to form the basis of a special message to congress.

Do not suffer from sick headache a moment longer. It is not necessary. Carter's Little Liver Pills will cure you. Dose, one little pill. Small price. Small dose. Small pill.

AN OUTRAGE EXPECTED.

What Plenty of Money Can Really Accomplish.

Montreal Star.

The possibility that Harry Thaw may be taken to Pittsburg under a federal court in connection with his bankruptcy proceedings, and that this will result in setting him free, he only being detained as a lunatic in New York state, puts a finger on another weakness of the American legal system. Here is a man who was tried for murder in New York, and cleared on the ground of insanity. He was sent to an asylum as too dangerous to be at large. He was either guilty of murder or was insane at the time of the killing, and a recent medical examination declares that he is still insane. But when he leaves New York state he will be neither insane nor guilty of murder. New York's verdict of "not guilty" on the murder count is accepted; but not its verdict on his sanity, without which the verdict on the murder case would never have been pronounced. And to give point to the joke, this son of a millionaire family, for whom money has been and is being poured out like water, will owe his freedom to bankruptcy proceedings against him. New York may be willing enough to let Pittsburg have Thaw; but how about the rest of the world? Surely there should be a patch put on the legal net at this place when a man-killer can slip through the meshes so easily.

Gown Of Dotted Foulard.

White foulard silk dotted with coin spots in black was used for the model here pictured, the trimming of the gown being stitched bands and straps of black satin and buttons of the silk. The yoke was of sheer tucked white mull, inserted with lace, and the trained skirt had a deep applied hem piped with black.

The Party In A Few.

Montreal Star.

The New York republicans are puzzled to know what to do about Hughes. The "machine" does not want to renominate him; for he is unpliable and a poor party man. The people, however, trust in his integrity and love his grit. Yet there are elements in the community which do not love him because his reform measures have cut into their interests and spoiled their pleasures. If he is nominated, a lot of the enemies he has made will go democratic. The foreign vote in New York city will be especially effected. If he is not nominated, the people will infer that "the bosses" have slain him for his honesty; and may vote against the "machine" candidate as a protest. Worse still, they may vote the whole democratic ticket while they are at it. But as Hughes' personal popularity compelled his nomination before, though the "bosses" did not want him, it is very likely to do so again.

Record For Forgery.

Dresden, Aug. 18.—A record for forgery has probably been achieved by a merchant in Bautzen, in Saxony, named Winkler, who, it was proved, had forged 2,888 promissory notes. He was sentenced to three years' imprisonment.
