WHERE SAVAGES BEAT US

The rude, uncultured savage did not sit most of the day in a padded office chair, a carriage or car. His food was not prepared by a chef. He had to hunt for something to eat. And dinner, when he got it, was none too rich.

But the rude, uncultured savage did not suffer from indigestion, constipation, biliousness, headaches, as we civilized beings do. Exercise and the amount of fruit and fresh vegetables in his diet, kept liver, bowels and kidneys working right.

None of us want to go back to the days of wigwams and tomahawks but a lot of us certainly would like to have the digestion of the savages

We can, by taking "Fruit-a-tives."

"Fruit-a-tives" act directly on the stomach, liver, kidneys and skin, and keep these organs in perfect condition. "Fruit-a-tives" bring back lost appetite and sound digestion to the Dyspeptic—regulate the bowels of those who suffer from Constipation — and build up the whole system. Trial size 25c. Regular size 50c, or 6 for $2.50.

KIDNEY DISEASE

COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or supressed urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble.

Miss Albertha B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them."

Price 50 cts. per box, or 3 for $1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

WE EAT TO LIVE

# THE SPORT REVIEW

## MEETING OF CITY HOCKEY LEAGUE.

**Collegiate and 14th Juniors to Play For City Championship—Queen's in Good Condition to Meet Laval.**

A special meeting of the executive of the City Hockey League was held in the Frontenac Business College building on Tuesday evening. It was decided that Rockwood rink should be acceptable for games with Portsmouth teams, and that teams in group "B", junior and senior series, should have to play on that rink.

The protest of Portsmouth II against St. James' II over the junior game played Monday evening was thrown out, unless the win for the Saints affects the winning of the cup, when it will have to be played over on a rink designated by the executive. Three of St. James' players, who were protested, were allowed to play junior. The executive also decided that in no case could a senior player take part in any junior game.

Dr. J. J. Harty and W. W. Gibson, donors of the two cups, were present, and expressed themselves as greatly pleased with the way the league was progressing, and all that it was doing for hockey in the city.

### 14th Juniors vs. Collegiats.

The sudden death game for the junior city championship between the 14th juniors and the Collegiates, winners of their respective districts, will be played on Monday evening at the covered rink. This game has aroused considerable interest and will, no doubt, draw a large crowd. Both teams are composed of fast juniors, who can play the game from bell to bell. No faster junior teams have been seen in the city for some seasons. The supporters of both sevens are backing their favorites well, and it promises to be a hot go.

There is not much to pick from between the two teams at any time, and it should be a fast even break. Both have good strong defences and clever forwards. With an impartial referee, like James Sutherland, a fine game will result.

### Queen's In Good Shape.

Queen's are at practice every day for the game with Laval on Friday evening, which they have all hopes of winning. They will play the same team as played against McGill on Friday last, in Montreal, and won out easily. Queen's are picked as winners this year and they will make a strenuous try for that honor.

### Swimming Events.

Another of the popular series of swimming events will be held at the Y.M.C.A. to-night. The members of the association are showing great interest in the different events and are showing up remarkably well in the work. All the classes are largely attended.

### Will Be Fixed In March.

The Eastern Yacht racing association will meet in Watertown, N.Y., on March 5th, when dates for the regatta next summer, as well as the place, will be fixed. Kingston, Picton and Trenton all want the event. The dates for the George cup races will be determined. On the evening of March 5th the Crescent Yacht club will hold the annual banquet, to which all delegates will be welcomed.

### To Practice To-Night.

The Fourteenth hockey teams will practice at the rink this evening. The seniors have a game with T.A.A.C. here a week from to-night, Wednesday, February 17th, and are working hard to get in shape for it. They feel sure that they will overcome the lead of one goal now held by the Toronto seven.

### Sporting Notes.

The Canadian curlers won the three test matches in Scotland by a total majority of 101 shots.

Flanagan will probably train Longboat for a fifteen-mile race with Shrubb at Buffalo on February 25th.

Bruce Ridpath, of Toronto, gets $500 for the remaining games of the season with Cobalt. He joined that team yesterday.

The Toronto pros. have signed Mallen, to take Ridpath's place while he is in Cobalt. Mallen is at present in Pittsburg.

Vair has been reinstated to play with Renfrew again on promise that he will not play outside the Federal Hockey League until he is asked.

Hans Wagner will be in his old position at shortstop with the Pittsburg team during the coming season, according to Barney Dreyful, president of the Pittsburg Baseball Club, who stated that Wagner has pledged.

Ottawa Free Press: "Marty" Walsh has a big slice of credit for winning the game coming to him. Hanging doggedly to his position when near the goal, he had more than the puck to look after, for the Wanderer defence was using the short end of the stick with the greatest freedom. Walsh took advantage of several of those openings where a face takes place near the goal and scored in this manner more than once.

The Marathon craze shows no signs of abating, said the New York Tribune, yesterday. The crowd that filled Madison Square Garden, on Saturday night, from floor to gallery, to see Longboat defeat Shrubb, left no question as to the present popularity of this branch of track and field sports. A year ago the majority of those interested in athletics would have scouted the idea that professional races would draw a corporal's guard, but there is no gainsaying the statement now that they are more popular than a full programme of amateur events. The race on Friday proved to our satisfaction that Longboat, the Indian, in proper condition, is the best man in the country over a distance of ground.

It is almost a certainty that "Art" Ross will be dropped from the Montreal Wanderers for the game against Shamrocks, on Wednesday evening. His place will be filled by Smaill, with Johnson going back to cover. Vair and Hall will find places on the team. It is also rumored that if Ross is dropped Smaill will refuse to play, as the two are chums and work in the same store. If this should happen, Wanderers will be in bad shape, for Smaill has been the star player on the team during this winter's games. There is a feeling that Ross has gone stale. He also plays a selfish game, and in this way his effectiveness is lessened. Last year his rushes were invincible, but this year the other teams are on to his stunts, and he fails to get in any of his old-time spectacular rushes. The management feels that his usefulness is about over, unless he should change his style of play.

### Obituary Notice.

Sheffield has lost one of its old and respected citizens, Mrs. Thomas Kirkpatrick, who died January 31st, aged sixty-nine years. The deceased had lived in Sheffield for over fifty years. She was taken sick in August and since then remained at her son's, Robert Kirkpatrick. The deceased died from cancer. She leaves behind her two sons, Robert and John. She was a Methodist, and was a kind mother and wife. She was much esteemed by her friends and neighbors who showed her great respect in paying their last visits. The funeral service was held at Tamworth church, on February 2nd, by the Revs. Henry and Dixon. The text was taken from Psalm xxiii, from which they preached a very impressive and instructive sermon. The remains were placed in Tamworth vault, later to be placed in the family plot in Tamworth cemetery.

Faith would have an easy time of it if doubt didn't camp on its trail.

Everything She Ate SEEMED A BURDEN TO CARRY.

HAD STOMACH TROUBLE FOUR YEARS.

When your food has not been properly digested, your body has not received the benefit it should. The exertions of the gastric juice have been confined entirely to removing the unmasticated undigested portions of food which they cannot properly digest as speedily as possible from the body, thereby only giving the blood a small percentage of nourishment with which to feed the tissues. Burdock Blood Bitters regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health and strength to the debilitated system.

Mrs. D. A. Francisco, Rossland, B.C., writes: "I was suffering from stomach trouble of the worst kind for about four years. Everything I ate seemed a burden to carry. I always arose in the morning with a sickening and feverish taste in my mouth and was also troubled with swellings in my hands and feet, which my physician said was due to the disordered state of my stomach. I tried everything that was purchasable, and also consulted two or three physicians, but could find no relief until one of my neighbors told me of a wonderful cure by Burdock Blood Bitters. I used altogether ten bottles and am now perfectly cured. I wish to recommend B.B.B. to anyone who may be so unfortunate as I was.
