The Tidings From Various Points in Eastern Ontario—What People Are Doing And What They Are Saying.

Washburn Items.

Washburn, Aug. 23.—Nearly everyone is through harvesting. The hum of the threshing machine is heard once more. Quite a few took a trip down the Rideau, yesterday afternoon, and report a good time. Visitors: George Ash at Walter Towers'; Mrs. Pringle, Kingston, at N. Woods'; Miss Anna Bell Toner at Mrs. J. Fisher's.

A Good Healthy Child.

Vennachar, Aug. 24.—The friends of Mrs. Ronald McPherson, in the hospital at Renfrew, are glad to hear that she is getting better. A ten-and-three-quarter-pound boy came to board at the home of Mr. and Mrs. A. Wilson. The Fair brothers, Watson's Corners, were here looking for heavy cattle. Owing to the high prices asked for by the farmers, they did not buy any. Mr. Larkins, drover, from Larkins' Station, was here and bought John and Simon Balls' cattle. Mrs. Roy Bebee, Portsmouth, is visiting at her mother's, Mrs. George Flake. John Flake and Alexander Jackson have returned from Mud Creek, near Folger Station, where they have been making preparation for a winter's work in the lumber woods.

To Become An Agent.

Grennon, Aug. 24.—Farmers are nearly done harvesting. There are good crops in this section. Potatoes are a very plentiful crop, or promise so at present. Miss Mary Oldfin returned to her home in Kingston, after a brief visit with her friend, P. McNamee. Miss Annie Mooney, Chicago, is visiting her old home, here, after a seven years' stay in the western city. A. Gamble intends going to the North-West on the harvest excursion in a few days. James Moriarity, manager of the Foster Hardware company, Newboro, was a visitor here on Sunday. Miss May Carty, Elgin, is the guest of her cousins, the Misses Mooney, at the Locks. Mr. Ross, William Morris and Mr. Slack, Athens, were visitors here on Monday. E. J. Grennon has rented his farms to R. J. Ready, North Burgess, and will go west as general agent for the Frost & Wood company. Albert and Philip Cooper, Darcyville, were visitors here on Sunday. Traffic is brisk on the Rideau canal in the tourist line.

Cushendall Notes.

Cushendall, Aug. 24.—Most of the farmers have finished harvesting. The Methodist churches of the six circuits will unite in holding a harvest home festival in R. Patterson's grove on the 26th. H. Donaldson, Joyceville, has taken the contract for erection of a barn for George Anderson. C. Trotter, also J. Greenlee, have erected corn silos. Mrs. W. Hyland, Sr., is suffering from the effects of a sprained ankle. Her many friends hope to soon hear she will be able to be out again. Recent visitors: Mrs. Gilroy and little daughter, Brockville, at C. Trotter's; Miss G. Maitland, Atkinson, at J. Weir's; Mrs. T. Sweetman, Kingston, at Mrs. Ward's; Miss Massie, Toronto, at W. T. Gordon's; Misses Ross, Kingston, at G. Robinson's; F. Hamilton and Dr. Weston, St. Louis, at Mrs. A. Hamilton's; Mr. and Mrs. Bell, Kingston, at R. Ryder's; J. Whitney, Kingston, at W. Hyland's; Mr. and Mrs. J. Anderson and family are visiting friends at Snow Road station.

Death Of A Young Man.

Seeley's Bay, Aug. 25.—Rev. T. Brown and wife, Brockville, are renewing old acquaintance a few days this week. He was a former pastor about nine years ago. Mrs. S. Hill, Kingston, is visiting friends here the past few days. Mr. and Mrs. Fitzpatrick and son, Brockville, are visiting friends for a few days. This is the first visit of Mrs. Fitzpatrick to her old home for six years. A. Neal left Wednesday for Smith's Falls to attend the meeting of the high court, I.O.F. After a long illness, caused by rheumatism and other ailments, Geo. C. Moore died last Saturday morning, Aug. 21st, aged twenty-seven years. He leaves to mourn his sad loss a father and mother, Mr. and Mrs. Geo. Moore, and one sister, Annie, and three brothers, Manliff, Montreal, Edward and Ernest at home, besides a large circle of relatives and friends. He was also a member of the I.O.F. and Orange association. The funeral took place on Monday the services being conducted by Rev. Mr. Crowly in St. Peter's church, assisted by Rev. M. Brundage. After the services the body was placed in the vault to await interment.

Back To The Old Home.

Hartington, Aug. 24.—Since the recent plenteous rains the later crops are looking well. Buckwheat, especially, promises this year to be above the average. Miss Dottie Campsall has gone to teach school at Echo Bay. The friends of Messrs. George and Henry Guess were much pleased to receive a visit from them last week. As boys, they were well-known here, having received their early education at the public school in this village. Joseph Watson and Peter Garnier left for the west on Wednesday. Mrs. (Rev.) H. Browne (nee Miss Gertie Dennison), and Mrs. B. Campsall (nee Miss Flossie Dennison), are the guests of Mr. and Mrs. F. Dennison. The open-air service, which had to be postponed on account of the heavy rain a week ago, will be held next Sabbath evening, weather permitting. The painting of the church is progressing favorably, and it is expected the building will be ready for use in a week or so. Mrs. T. C. Rogers and daughter, Eva, attended the funeral of the late J. Rogers, Sr., at Fermoy on Thursday last. Visitors: Mr. and Mrs. Andrew McBride, of Kingston, at Mr. Ryan's; Mrs. Patterson and Mrs. Alcombrack, of Newburgh, at Mrs. J. Dowker's; Mrs. Hoffman, of Moscow, at Mrs. Dowker's; Mrs. Knight, Miss Patton at Mr. Lake's. J. M. Robertson is again suffering from an attack of rheumatism.

Parham Boy's Success.

Parham, Aug. 25.—Farmers in this vicinity are busy cutting their grain and report a very good crop. W. D. Black left on Aug. 23rd for Cochrane to fulfill a contract of clearing a right of way for the government. His many friends wish him success in his enterprise. School has reopened under the able management of R. W. Butler. Many here intends to take in the picnic at Oconto on 26th inst., where a very enjoyable time is expected. A large number from here attended the picnic at Arden on the 20th, held under the auspices of the P.A.P.B. The chief feature of the day was the double header baseball match. Tamworth and Arden played in the forenoon, Tamworth being successful, the score being 8 to 4. In the afternoon, Arden attempted to reverse their luck by playing Parham, but were very unsuccessful in this. The score being 16 to 6 in favor of the Parham boys. We wish to congratulate the pitcher on his excellent work for Arden, but the team composed of Tamworth, Mountain Grove and Arden gave him very poor support, which counteracted his good efforts. A number from here expect to leave for the west on Friday, Aug. 27th. G. F. Goodfellow, who has been on the sick list is recovering slowly. W. L. Goodfellow had a slight sunstroke, but is recovering nicely. L. B. Cronk is recovering from the accident received at the ball game on Friday. Visitors: Dr. Goodfellow, wife and children, West Superior; F. Connolly, Yarker; S. Killins, Oconto, at J. A. Goodfellow's; Chas. Lake, Moscow, at George Lake's; Mr. and Mrs. Miller, Napanee, at A. C. Wagar's; Miss F. Griffith, Winnipeg, at W. D. Black's; Mrs. Sargent and family, Westport, at W. McCharles'; L. Killins, spent Sunday at home; Messrs. Oliver Clow and E. G. Black, at Mrs. D. Goodfellow's; the latter is at L. Bateman's. J. A. Goodfellow made a business trip to Maberly.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

JUDGE FOR YOURSELF

Suppose you need help, or out of employment, or have something to sell. Go from door to door and state your case, or better still send out a circular or a letter and then see what your returns are. The man or woman who gets there, who is making money, has long ago discarded these obsolete methods of accomplishing things. They all rely on British Whig Want Ads. to tell their story to that part of the public whom they want to reach and interest. As the newspaper to-day is the swift teller of the day's news, so it also is the swift teller and filler of the day's wants, be they what they may, and the best medium to tell your wants is the British Whig.
