I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

CAME FROM BALLOON

CHICKEN, HAM AND EGGS COME FROM THE SKY.

Bohemian Peasants Astounded By Downpour of Edibles in Their Midst.

Paris, Nov. 6.—Mr. Mix tells the New York Herald Paris edition how he succeeded in gaining the coveted trophy of the international cup for ballooning recently. In passing over Bohemia the balloon entered a cold tract of air and the balloon began to fall rapidly. In order to keep it afloat he was obliged to discard every object in the balloon that was not of immediate use to him. First of all, twenty packages of his belongings were hurled down to earth. These he had labeled in three languages, asking the finder to return them to him. Fifteen have already been recovered.

A forest guard when on his rounds was astonished to find three mattresses which had fallen from the clouds. With them were a provision basket and a rug and a box of chocolate. All these were returned with the exception of the chocolate, which he regarded as his leigitimate commission.

As the balloon needed still further lightening, Mr. Mix next threw out two dozen hard-boiled eggs, some cold chicken, a ham and other provisions. These good things fell among peasants working in the fields, and until they realized whence they came the idea of a repetition of the miracle of the manna not unlikely occurred to them.

INDIGESTION

Dyspepsia Means Slow Starvation.

Let Those Who Have Experimented With Doubtful Remedies Turn To-Day to

Dr. Hamilton's Pills.

And Be Cured Quickly.

By the testimony of actual cures—by the words of those who have proved the merit of Dr. Hamilton's Pills, you can satisfy yourself that indigestion and dyspepsia, are curable.

"Four years ago I got into a condition of low health—suffered all possible torture with acute indigestion, wind on the stomach and dizzy headaches. The very smell of food often was sufficient to make me violently ill. Energy was gradually fading away, I no longer had any desire for work or for the company of other people and was in the depths of despair. Worse martyrdom brain and body could not suffer, and live. I used so many remedies without success that I was in poor hopes of getting relief when I started on Dr. Hamilton's Pills. In a month I noticed a slight improvement and kept right on using one pill every second night. In a month I was another man, looked ruddy, strong, hearty, and I felt as if I had been made anew. Four years have gone by and I still rely on Dr. Hamilton's Pills and attribute to their power my present condition of robust health.

Rodney, P.O.

Be advised and test Dr. Hamilton's Pills, which for years have been the standard remedy for dyspepsia, indigestion, heartburn, constipation, flatulence, headache, backache, and all kidney, liver and bladder troubles. Owing to the great scarcity of deer that has been found to exist in the forests of Ontario and Quebec, a move is on foot to have petitions sent by the hunting clubs to the provincial governments of these two provinces calling for action to meet the threatened extermination. The open season for deer in Ontario started last Monday and lasts until the 15th. Capt. "Jack" Williams, of the Ottawa fourteen, when queried on the outlook for his team in Hamilton to-day, said he believed Ottawa at their present strength should win. "When we beat Tigers in Ottawa, October 9th, our line showed exceptional strength and if the wings and scrimmage perform the same in Hamilton, I can't see why we cannot repeat. We have it on Tigers behind the line, both at quarter, on the side halves and full. I believe the Hamilton backs will let their own team down as they have always done when opposed to Ottawa."

Cured of Drunkenness

How a Montreal lady cured her husband of drunkenness with a secret home remedy.

"I want to tell you that tasteless Samaria Prescription has entirely cured my husband of drunkenness so quickly and simply that I am astonished. How glad I am that I confided in you and wrote for your free sample package. The sample tablets I got from you checked his drinking, and before I had used the full treatment he was permanently cured. I gave him the remedy in his tea, and as it had no taste or smell, he never knew he was taking it. I want others to know; so you can use this letter, but please not my name yet. I may say that my husband's health is better in every way than for years."

Trial Package and pamphlet giving full particulars, testimonials and price, in plain sealed envelope, sent on receipt of a 2c stamp. Correspondence sacredly confidential. THE SAMARIA REMEDY CO. 15 Jordan Chambers, Jordan St., Toronto, Can.
