GRANT OF $8,000 MADE

FOR ADDITION TO SYDENHAM HIGH SCHOOL.

Wolfe Island Has to Pay Its Share of Capital Expenditure on This School—Good Roads Report.

The county council on Thursday afternoon decided on motion of Councillor Donaldson, seconded by Councillor Salmond, to appropriate a sum of money for the building of an extension to the Sydenham high school, the total not to exceed $8,000.

Councillor Fawcett wanted to know if he had a vote on this question, in view of Wolfe Island not being a member of the county high school district. In 1895, Judge Price, as arbitrator, decided that Wolfe Island should be relieved of the payment of any portion of the cost of maintenance of the school, and even since that time, Wolfe Island has received a rebate on the $1,600 granted to the school. However, Councillor Fawcett claimed that the county owed Wolfe Island $375 rebate on additional grants to Sydenham high school since the year 1903. These additional amounts totalled $5,941, in those eight years. The additions, he claimed, were clearly for maintenance.

It was agreed that Wolfe Island would have to pay its share of any capital expenditure upon the Sydenham high school, and, therefore, Councillor Fawcett was entitled to vote.

Auditor Minnes presented a report of the special audit the council had asked him to make on the good roads system. The report showed that Perth road and Loughboro bridge cost $20,690.45; in the year 1907, of which $7,523.61 was repaid by the Ontario government. During 1908, the sum of $10,574.47 was spent on the above named road and bridge, of which the government repaid $3,524.82.

In 1909 these amounts were expended upon good roads in the five townships interested: Kingston, $4,449.47; Pittsburg, $2,799.93; Portland, $1,473.58; Storrington, $1,526.05; Loughboro, $1,444.90. Of the above amounts the Ontario government paid one-third in each case.

In 1909 these miscellaneous road expenditures were made: Kingston, $725.15; Pittsburg, $526.74; Portland, $375.46; Storrington, $411.55; Loughboro, $265.84; total, $2,304.73.

During 1910 the following expenditures were made on good roads, of which one-third in each case was paid by the government: Kingston, $1,014.94; Pittsburg, $3,267.37; Portland, $2,246.76; Storrington, $2,255.65; Loughboro, $1,653.69.

Miscellaneous road expenditures for 1910: Kingston, $663.50; Loughboro, $229.60; Pittsburg, $459.40; Portland, $321.70; Storrington, $367.80.

The following were appointed, on motion of Councillors Cronk and Godkin, a committee to act in conjunction with the Sydenham high school board, in regard to the erection of a wing to that school building: Councillors Stewart, Donaldson, Foley, Hamilton and Rankin.

At the Friday morning session, the following resolution, moved by Councillors Thomson and Godkin, was adopted: That this council memorialize the Ontario government to enact legislation to allow a continuation school at Sharbot Lake, in the high school district of Frontenac, and that our county member be asked to introduce a private bill at the next session of the legislature to put the above into effect, the warden to look after the matter.

On motion of Councillors Truscott and Taylor, the council decided to memorialize the Ontario government to adopt an aggressive plan for the improvement and maintenance of a system of trunk highways throughout the province.

There was some discussion as to advertising in the three local papers for tenders for various supplies. Councillor Hamilton thought the statutes stated that it was necessary to advertise in only one paper.

Councillor Rankin favored giving the advertisement to the daily papers, alternately. Councillor Donaldson said that when there was extensive work going on, tenders should be advertised for. When there were small jobs to be done, it might not be necessary to call for tenders.

Councillor Foley said the matter of advertising should be left in the hands of the committee, which was best qualified to decide how much advertising was necessary.

Councillor Baiden favored the calling for tenders, which satisfied the people. Some supplies might be purchased about as cheap as by tenders, but that method did not satisfy the ratepayers.

On motion of Councillors Stewart and Hamilton, it was decided to call for tenders from each daily paper alternately for advertising.

County Clerk J. W. Bradshaw was appointed purchasing agent and storekeeper for the court house and jail, on motion of Councillors Stewart and Hamilton. For the extra work he will receive $100 increase in salary. His duties will be to purchase and look after the disposal of all supplies working under the direction of the property committee.

The home of Mr. and Mrs. Humphrey Todd, Leeds township, a few miles north of the town, was the scene of a pretty wedding on Wednesday evening at eight o'clock, when their daughter, Miss Ethel Margaret Todd, was united in marriage to Malcolm Nuttall, a prosperous young farmer of Leeds. The ceremony was performed before a large gathering of invited guests by Rev. W. H. McConnell, of Springfield circuit. The bride was handsomely gowned in silk voile and carried white roses. She was attended only by two little flower girls, the Misses Florence Curtis, of Brockville, and Clara Elliott, of Belleville. After the ceremony a dainty supper was served, and Mr. and Mrs. Nuttall left to enjoy their honeymoon with relatives at East Angus, Que. The presents were many and handsome.

A party of young Gananoque ladies, consisting of the Misses Elsie and Bertha Britton, Laura Gibson, Robena Byers, Letitia Gracey, and Grahame Starke, are enjoying a week's outing at "Echo Lodge."

At a special session of the board of trade, on Wednesday evening, Messrs. E. P. Wright, W. Edwards, C. Sine, W. S. Abbott and Dr. D. H. Rogers, were named as a committee to interview the local merchants re decorations for July 1st. Messrs. Drs. A. H. Mabee, J. P. Sinclair and C. H. Bird will act in like capacity among the residential part of the town. The Willing Circle of King's Daughters asked sanction of board of trade to hold a tag day at the Dominion day celebration. The board gave hearty approval.

Mrs. D. J. Reid and Miss Clara Reid, spending the past few weeks in Paris, with the former's daughter, Mrs. H. Crooks, have returned home. Rev. William Perley, Westmeath, a former pastor on Gananoque East circuit, is renewing acquaintances here. Mrs. D. S. Grimmer, Newcastle, N.B., is the guest of her parents, Chief of Police and Mrs. E. J. Ryan.

A Farmer's Troubles.

A farmer who made an early morning trip to the city with a number of milk cans on a flat-bottomed wagon, had an exciting experience at the corner of Princess and Montreal streets, about eight o'clock. The horse was frightened at a passing street car and began to back the waggon on the sidewalk. The farmer applied a liberal dose of the persuader, but this seemed to have no effect, as the horse backed the outfit right up on the sidewalk and finally reared in the air and threw itself.
