## IT GROWS HAIR

**Here Are Facts We Want You to Prove at Our Risk.**

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum nor permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question of formality we will hand back to you every penny you paid us for it. Two sizes, 50c, and $1. Sold only at our store.—The Rexall Store. G. W. Mahood.

REGAL LAGER is made in the good old fashioned way that ensures zest, purity and a clear, perfect brew. Regal's tonic hops and rich barley bring appetite and good digestion. Try it.

## THE MILITARY TATTOO

**AT BARRIEFIELD CAMP ON WEDNESDAY NIGHT.**

**Was One of the Best Ever Held—Thousands of People Were in Attendance—The Camp Closes.**

An event at the military camp, which is always looked forward to with pleasure by the boys under canvas and, which civilians generally enjoy immensely is the tatto, which took place Wednesday evening. Everything went off without a hitch, from the ascension of the first balloon to the last rocket. T. Hoperoft, of the Hans Co., Ltd., Hamilton, was in charge of the illuminations and fireworks. Lieut.-Col. John Hughes, who made all arrangements, is to be congratulated on, in many ways, the best tattoo event held at this camp.

As early as 6.30 p.m. pedestrains, and conveyances of all descriptions, began to wend their way to the camp parade grounds. Some went around by water to Dead Man's Bay and, leaving their boats there, walked up the hill. It is estimated that one of the largest crowds ever assembled for such an event was there Wednesday evening.

The tattoo began at 9.45 o'clock with the ascension of three balloons. The first band to enter the roped off space was the buglers of the 59th regiment. The brass bands of the 16th, 40th, 45th, 47th and 49th regiments followed, while the Scotch band, of the 59th regiment, in kilts and with bagpipes, was the last. As they marched round the square playing their regimentals, they were cheered to the echo by the spectators. The Scotch blood present was very conspicuous in applause when the pipers of the 59th from Stormont and Glengarry marched past, making a fine appearance. Bandmaster Rounigh, of the 45th, from Lindsay, again conducted the massed bands in his usual efficient manner in. "The Maple Leaf Forever," "O Canada," "Rule Britannia," etc.

The illuminations, shells, rockets, etc., were of the highest order, and displayed the beautiful effects as only those who have attended such spectacles can realize. The National Anthem brought the evening performance to a close. It was nearly midnight when the last of the spectators crossed the bridge.

The camp is at an end. Some of the regiments left Thursday night, and the remainder Friday morning.

The annual sports were held late Thursday afternoon, but there were not many from the city, on account of the rain in the early part of the day.

## GANANOQUE TIDINGS.

**What is Transpiring in the Little River Town.**

Gananoque, June 23.—The congregations of Grace church and St. Andrew's held a union coronation service in St. Andrew's church at 11 a.m. yesterday, attended in a body by the troops of Boy Scouts, in uniform, Rev. J. T. Pitcher and Rev. H. Gracey, conducted the service.

B. E. Rouse and family, of Geneva, N.Y., have arrived and opened up their summer residence on Black Duck Island.

The Gananoque Yacht Club held their first dance of the season at their clubhouse last evening. The Citizens' band orchestra furnished music. A number of out-of-town visitors were present.

The lot owners of Willow Bank cemetery were invited to a cleaning up time at that place, yesterday, to which invitation a goodly number responded.

David Hill and John Browne, of Schenectady, N.Y., are paying their annual visit to Gananoque friends and relatives. Mr. and Mrs. Herbert Lappan, who were recently married in Schenectady, N.Y., and who have been spending a short time with Kingston relatives, arrived here, yesterday, to spend a short part of their honeymoon with relatives in this vicinity.

The Gananoque Track Association has arranged for a series of horse races at the Driving Park, on July 1st.

There is a rumor about town to the effect that a Kingston company will locate here in part of W. J. Gibson's new factory, for the manufacture of electric fixtures.

Rev. J. R. Serson, rector of Christ Church, is in Toronto general hospital, it is understood, for a serious operation, after which he will leave for the Pacific coast, and is not expected back before September 1st.

Rev. George W. Dustin spending the past few weeks here with his parents, has left for his new appointment at Yarm, Que. Mrs. H. R. Aikens, King street, left, yesterday, for a short visit with relatives in Watertown, N.Y.

Dr. William Hale, who spent the past few weeks here with his parents, Mr. and Mrs. William Hale, has gone to Utica, N.Y., to fill an appointment on the staff of the Faxton hospital. John Marshall, a former resident, located for some time past in Chicago, joined Mrs. Marshall, this week, who has been visiting her parents, Mr. and Mrs. Robert Henderson. Mrs. Simpson, Guelph, is the guest of Miss Lola Thomson, King street.

George Keyworth, Fort William, is visiting his parents, Mr. and Mrs. William Keyworth, Osborne street. Dr. J. L. Carroll has gone to Crow's Nest Lake, Mississippi, to spend a few months. ## COMPLAINT AT BATTERSEA

**Over Anglers Desecrating the Sabbath Day.**

Battersea, June 20.—Rev. W. K. Shortt, M.A., and family, left for their home in Kingston, on Tuesday, after a two years' pasterate in the Methodist church here. Their many friends were sorry to see them depart. Mr. Shortt preached an appropciate farewell sermon, on Sunday night, to a large congregation. The new pastor, Rev. Mr. Hodge, is expected this week.

The tourist season has opened in earnest on the lake, and the guides are busy with their motor boats, taking the erstwhile anglers around in pursuit of the fine specimens of the finy tribe to be found there. Both the VanLuven house and the Granite have a fair quota of guests this week; while the Lake View house also has a number.

With the inauguration of the tourist fishing season, the people are sorry to see also the inevitable desecration of the Sabbath, and in some cases the violation of the law against fishing on the Sabbath. If this continues some of the guides will be aroused from their slumber of conscience and be compelled to separate themselves from some of their hard-earned cash and their season's license.

The census enumerator, Harold Sleeth, completed his work last week. He thinks the men all told the truth about their ages, but he says some of the ladies are a little rusty in subtraction. William Keeler has returned from the Kingston general hospital, after undergoing an operation for the removal of a cataract from one of his eyes. S. W. VanLuven is now a patient in the Hotel Dieu, undergoing a similar operation. Otto VanLuven is home from Rochester, where he spent the winter and spring months. Miss Carrie Ruttan is home, after a two months' sojourn in the city.

## WORK OF CHRISTIAN CHURCH.

**Growth Shown in Reports—Conference Held in Bloomington.**

Bloomington, June 20.—At the annual conference of the Christian church in Ontario, held here, the president, Rev. W. P. Fletcher, presided, and a large number of delegates from the Ontario churches were present. Rev. Dr. Burnett, secretary of the American Christian conference, gave a very interesting sketch of the progress of the work in the Christian churches south of the line. Very encouraging reports were presented by the various committees, showing a substantial growth in the different branches of church work, especially the Sunday school and Christian Endeavor.

One of the leading topics under discussion was the best method to bring into general notice the principles of the Christian church.
