SHE WAS SURPRISED

When Dr. Morse's Indian Root Pills Cured her Chronic Liver Complaint

Mrs. R. Smith, of Winnipeg, Man., tells an interesting story of relief from almost intolerable sufferings:

"I can hardly tell you how great my sufferings have been. Chronic liver complaint accompanied by biliousness were a daily source of trial to me. Every day I experienced the sickening effects of these ailments. I longed for some medicine that should permanently drive them away.

Hearing of Dr. Morse's Indian Root Pills, I thought they were worthy of a trial. My surprise was indeed great. From the very first I experienced relief. Continuing with them I found my troubles were slowly but surely leaving me, and before long I once more knew what it was to be free from the harassing effects of the ailments that had long sickened and weakened me. So great is my faith in Dr. Morse's Indian Pills that I shall never on any account be without them."

Dr. Morse's Indian Root Pills cure Bowel and Kidney as well as Liver troubles, and keep you healthy. 25c a box at your dealer's. 14

YOU NEEDN'T DESPAIR

Here's an Offer That Should Interest Sufferers of Skin Irritation.

First of all we want to explain that the remedy we are about to tell you of carries our promise of money back for the mere asking to anyone not thoroughly pleased with its use. That should unquestionably establish the sincere faith we have in it.

Parasites or germs cause eczema, and eczema is probably the most prevalent cause of all skin ailments. To overcome them, the remedy must of necessity destroy or remove the parasite or germ before relief can be obtained.

Possessing remarkable antiseptic, germicidal, cleansing, soothing and healing power, the curative value of Rexall Eczema Ointment is very pronounced in the treatment of eczema and allied skin diseases, whether the dry scaly sort, the weeping type, where there is a flow of ill-smelling excretion, or the intermediary kind, such as pimples, blotches, discolorations, ringworm or acne. It is very useful for treating hives, rettle rash, insect bites and wounds. It is ideal for the skin ailments peculiar to children.

Rexall Eczema Ointment is grayish-white in color, has a pleasant odor, and is very cleanly for use. If you are a sufferer of skin irritations or eruptions in any form whatever, we urge you to try a box at our risk. At the mere hint of dissatisfaction you may have your money back. Two sizes, 50c. and $1. Remember, it is only sold at our store—The Rexall Store. G. W. Mahood.

AN ARGUMENT

An argument based solely on cheapness is a poor argument.

Yet we repeat gas is undoubtedly the cheapest of fuels.

Now if we give you good service and satisfactory results in addition to the above we give you not only the CHEAPEST, but the BEST.

A card addressed to the Office of the Works, Queen Street, will bring the necessary information, or 'phone 197, and we will send a man to talk it over.

Sand Hill Mission Meeting.

Sand Hill, June 23.—The first anniversary meeting of the Ladies' Aid and Missionary society of the Sand Hill Presbyterian church was held at the home of Mrs. John McKendry, on Tuesday, the 20th. Mrs. McNeely had charge of the opening exercises after which Mrs. Reade presided, and in her opening remarks referred to the progress of the year's work and gave as the motto for the coming year, "Attempt great things for God and expect great things from God." The full progress of business was pleasantly broken with a piano number by Miss B. McKendry. Arrangements were completed for a festival and a tea at Mrs. A. Acton's. The cook book committee reported enough funds in sight to proceed with the preparation of the manuscript for the printer. The treasurer reported about $320 on hand. The missionary hour was in the capable hands of the missionary secretary, Mrs. McKendry. Her words of welcome to the members and friends were well chosen and given in an earnest manner. Mrs. Dillon read an interesting selection on "The Word in China," which told of the work of love of the converted Chinese in presenting to the royal family copies of the New Testament printed in their native tongue and bound in silver beautifully engraved. The meeting adjourned to meet at Mrs. Burns', Cushendall, in July. The hostess was assisted in serving the delicious refreshments by her daughters and Miss M. McKendry and Miss Kells, Sunbury. Miss McCallum gave piano selections during the lunch manner in her usual capable manner.

BUDGET FROM CROSBY.

The Farmers Expect the Best Crop Year on Record.

Crosby, June 21.—Farmers throughout this vicinity are wearing broad smiles over the prospect of a very heavy hay and grain crop. Corn is looking fine and the recent rains have kept the pastures in good condition. Cows never milked as well as they have this spring, and cheese has been a fairly good price. There is every indication of this being the best year ever.

The C.N.R. contractors have arrived at our station with their construction outfits, and are busy hauling them to Forfar and Chaffey's Locks, where work will be commenced at once.

The W.M.S. held its annual open meeting and sale on the 13th. After the sale refreshments were served in the hall, then all repaired to the church, where a musical and literary programme of a high order was carried out. Rev. Mr. Humphrey, the pastor, acted as chairman. The members of this society deserve great credit for having made such a grand success of their entertainment. Proceeds, including sale, amounted to over thirty dollars.

George Howard, Elgin, was through here, recently, taking the census. Miss Culbert, of Athens, was a week-end guest of her uncle, T. Culbert. She sang a solo very acceptably in the Methodist church, on Sunday. Wesley Pyne, who has engaged with his grandfather, J. D. Knowlton, as farm laborer, is sporting the swellest carriage seen here for some time. Roy Landon, Lyndhurst, is visiting at George Church's. John Knowlton is spending the summer with his parents, Mr. and Mrs. J. N. Knowlton. D. Pyne and G. Church have purchased a gasoline launch. Mrs. Blake, Brockville, is the guest of her sister, Mrs. B. A. Leggett. C. Steadman, who has been quite seriously ill, is very much improved, and is now well on the road to recovery.

Between the construction of the C.N.R. and the building of good roads it will be no difficulty for men to secure employment here. Farm laborers are very scarce and a number of immigrants have had to be imported from England. One farmer advanced transportation charges to an immigrant agent for a man, which was to be repaid by the man in work, but when he arrived in Montreal he evidently decided otherwise, as he has not put in an appearance and the farmer has come to the conclusion that he has been stung. Such conduct should be investigated. At any rate, the farmer should not have to stand the loss, which will amount to over forty dollars. W. Pyne and the Misses Proud spent Sunday in Westport.

Dr. Andrew MacPhail is still in the Royal Victoria Hospital, Montreal and is reported to be progressing favorably. He is unable to see yet, however, and both eyes are still bannaged, and are likely to be so for some days.
