"I am all right now, thanks to Dr. Miles' Heart Remedy."

The same relief is ready for you. Are you sure you do not need it? If Dr. Miles' Heart Remedy helped Charles Holmes, why won't it help you?

"I was troubled with heart disease, and after reading about Dr. Miles' Heart Remedy, I got a bottle. Before I got the Heart Remedy I had to sit up most of the night, and felt very bad at my stomach. Whatever I would eat made me feel worse, and my heart beat very fast. But thanks to Dr. Miles' Heart Remedy, I am all right now. I eat good, sleep good, and feel like a new man, although I am almost 68 years old. I have been a soldier in the late war of the rebellion, and was badly wounded." CHARLES HOLMES, Private Co. THE SPORT REVIEW

WILL FRONTENACS WIN SENIOR O.H.A. HONORS?

Toronto Opinions Differ—Cataraqui Hockey Team Won From Front Road—Davidson and McCammon Delight Calgary.

There may be some fun in Toronto yet. Eaton's may play T.A.A.C., on Thursday evening of this week instead of Saturday, as scheduled. The crimson is the only team that has defeated Eaton's this year, and they are hoping to do the trick again. Should they win from the "Big Store" team, and Parkdale beat Stratford, then the Paddlers and Eaton's would be tied for first place.

Opinions differ even here as to the probable outcome of the home-and-home conflict between Frontenacs and Eaton's, for the championship. Toronto authorities differ also, and the Star and the News seem to think that Frontenacs stand a mighty good show to win from the Queen City bunch.

With Richardson or Boyer on the line, the Frontenacs can be depended upon to make a great mix-up of things. Boyer, Brouse, Crawford and Reid, although none of them big men, have shown all the Toronto teams who have visited here that they know how to play hockey. Some of the Toronto papers love to dwell on the fact that Frontenacs do not have the style, although they give them credit of playing good hockey. They're on hand to deliver the goods anyhow when the time comes, and many a sport will draw his whole bank roll to back them when they enter the final series. Eaton's great hold is said to be in drawing out the defence and scoring from centre. James T. Sutherland saw them play last Saturday night and he didn't see that game without carrying away some of the style of play the Eatonians possess.

The struggle between the two teams is being awaited with the keenest anxiety here.

Not Making Much Noise.

Trenton, in spite of the fact that they have a professional coach and trainer, do not seem to be making much noise in junior O.H.A. circles this year. They have been four years getting a team together and the best material to coach it that money can buy, and yet Belleville defeated them by 15 to 3 in a league game there the other night. Trenton is not in the same class as the junior Frontenacs of last year, who sprang into existence and snatched the junior O.H.A. silverware the first year. They cannot hope to win the junior cup this year.

Cataraqui Hockey Team Won.

Cataraqui hockey team and Front Road hockey teams met in a lively game at the Palace rink on Tuesday afternoon. The game was very one-sided in the first half, the score being 5 to 0 in favor of Cataraqui. The game ended 7 to 2 in favor of Cataraqui. Rielly started the scoring and before the half was over he had added three more to his list. McGuire, of the Front Road team, was penalized and while he was off Cook added another goal.

The Cataraqui boys were only on the ice a few minutes in the second half when Kiser added another score on a lone rush from one end to the other.

The scoring, as far as the Cataraquis were concerned, was now over, and their opponents set in to get some goals, and they succeeded in getting two. McGuire started to rough it up a bit and was given two minutes. For a minute or so it looked as if there was going to be a scrap on the ice like the one that took place at the rink at Glenburnie a year ago. The spectators rushed out on the ice, but happily everything quieted down and the game went on.

Cataraqui—Goal, Simpson; point, McConville; cover, Long; centre, Cook; rover, Kiser; wings, A. Rielly, J. Rielly.

Front Road—Goal, Gravelle; point, G. Driver; cover, McGuire; centre, A. Barry; rover, A. Gravelle; wings, S. Driver and C. Graham.

Doing Well in Calgary.

That "Scotty" Davidson and "Bill" McCammon are making good in the hockey game, with Calgary, is shown by all the reports in the Calgary papers. Both made a great name for themselves in a game the other night between Calgary and Bassano, when Calgary won out by 5 goals to 2.

The Calgary Herald gives great praise to the two Kingston players. "Davidson was a star and so was McCammon," says the Herald. "These boys put up the game of their lives and worked for Calgary with every particle of energy they had. The combination put up by the Calgary forwards, assisted by McCammon, at times was the prettiest seen on this ice for years. Old 'Bill' McCammon played the game of his life and the crowd would yell 'Here comes Bill,' and sure enough Bill would be seen plowing down the ice with that puck all his own. He accomplished several individual stunts that were worthy of much faster company. Scotty Davidson was also a very effective man. He played a great game."

The Juniors at Perth.

On Friday the junior Frontenacs will go to Perth, where they will play an exhibition game with a team of that place. "Jungle" Gunn, on the wing for the youngsters, did good work for the boys at practice last night, and showed up even better than in the last two games he played in. He is a player who next year will show some class.

The Frontenacs Practised.

The senior and junior Frontenacs practiced at the covered rink Tuesday evening, the juniors in preparation for their game in Perth, Friday night, and the seniors for their mighty struggles with Eaton's for the senior silverware. George McKay, president of the club and a one-time hockey player of note, was on skates and coached the team in a fine style, and showed bursts of speed at times. Weicker is improving all the time. He bores through well. If he can get the combination worked better he will be a valuable man on the wing. "Bert" Daniels, the former Queen's star, who may be used in the final games, was in the nets and showed up well. It will be a race between he and Edwards to see who will hold the goal position for the remainder of the season.

They Beat Tecumseh's.

The Iroquois Club hockey team defeated the Tecumsehs at the Palace rink Tuesday evening in a friendly game, by the score of 2 to 0. This was merely a practice game to give the Tecumsehs good form for their remaining league games.

S.S.A.A.A. Hockey.

Two more games are billed to be played in the S.S.A.A.A. Hockey League at the Stadium rink, on Wednesday evening, when Bethel meet Cooke's seniors, and St. George's meet Sydenham seniors. If St. George's win they will have practically won the league, and will be holders of the George Mills & Co. cup for a year.

No Exhibition Games.

The senior Frontenacs will not play any exhibition games during the period between now and the finals with Eatons. The covered rink is so busy here that dates cannot be arranged and the management does not think that long trips would be any good for the players, as they are liable to get hurt away from home, so they will content themselves with practising here.

Boyer Will Be All Right.

Boyer, injured wing man of the Frontenacs, will be all right for the final games. It was expected that his arm would be released from the sling either to-day or to-morrow, and with ten days before the first game he will have a chance to get into shape for the crucial events.

Will They Go After It?

Many of the followers of the Frontenacs are wondering whether the seniors will go to Winnipeg after the Allan cup should they win the senior O.H.A. series. Of course it is not wise to settle things like this before the final games are played, but the trip might be considered if the team wins out, and the finances of the club will pay for the trip.

Nicholson Not Out.

Nicholson was not out with the seniors last night. His broken thumb will not permit him playing just yet, but will not prevent him from turning out for the final games.

Cleveland's Hockey Success.

The Cleveland hockey team, of which Ray Marchand, formerly of the Kingston Frontenacs, is goal-tender, has won twelve of fourteen games played, and this week defeated St. Paul in two contests, by 9 to 2 and 12 to 3. The team is purely amateur, as also are all those it plays against. The coming Friday and Saturday nights, it plays Detroit, in Cleveland, and W. S. Hancock, of Toronto, will referee. Towards the end of the month, the Clevelands will play in New York and Syracuse.

Notes on Sports.

Kentucky proposes to tax all racing gross receipts two per cent. for road purposes.

No Stanley cup hockey games can be played in Boston, or at any place out of Canada.

Boxing exhibitions have been placed under the ban by the civic authorities of Berlin, Ont.

"Chaucer" Elliott has signed up Pitcher Carrier, of Detroit, for his St. Thomas Canadian League Baseball Club.

Ottawa pros boast that they can double the score on any amateur hockey team selected from Ontario or any other hockey centre in Canada.

Toronto Telegram: Eaton's are right on edge now, and are not at all likely to go stale. Kingston has been stale; they were here against Varsity—but they have had time to rest up and come again to top-notch form with a two weeks' rest.

Calgary Albertan: The Alberta Curling Association is the only branch of the Royal Caledonian Club west of Ontario; but Alberta is completely ignored in the Scotsmen's itinerary, thanks to Winnipeg. Alberta curlers will live through it and will forget all about the snub in a short time, but the fact still remains that all of the sport hogs do not live in Ontario.
