"SOME HA'E MEAT, AND CANNA EAT"

So Bobby Burns tersely describes the rich, but still poor, dyspeptics. But their case is not now so desperate as when Burns wrote. For the man who has the food now can eat without suffering for it, if he just follows the meal with a Na-Dru-Co Dyspepsia Tablet.

These remarkable tablets banish the troubles of the chronic dyspeptic—the man who is bilious—the sufferer from heartburn, gas on the stomach or occasional indigestion. You can eat hearty meals of wholesome food—and digest them, too—if you take Na-Dru-Co Dyspepsia Tablets.

Compounded by expert chemists, after probably the best formula known to medical science, they are quick and certain in their action, giving prompt relief from all forms of stomach trouble, toning up and strengthening the digestive organs and bringing about permanent cures.

A man is no stronger than his stomach. Fit yourself for your best work by taking Na-Dru-Co Dyspepsia Tablets, 50c. at your druggist's. National Drug and Chemical Co. of Canada, Limited, Montreal. 146

A GANANOQUE WEDDING

IN WHICH A WOLFE ISLANDER WAS GROOM.

The Bride Was Miss Carrie M. Briggs, Formerly School Teacher at Milmur—Other News of Gananoque.

Gananoque, Sept. 17.—At eight o'clock, last evening, at the home of Mr. and Mrs. David Briggs, William street, their only daughter, Miss Carrie May Briggs, late teacher of the public school at Wilmur, Frontenac county, was united in marriage to Harold H. Horne, son of Henderson Horne, a prosperous young resident of Wolfe Island. The ceremony took place in the parlor, which was handsomely decorated in green and white, by Rev. Henry Gracey, pastor of St. Andrew's church, before a large number of immediate relatives of the contracting parties. Both bride and groom were unattended. The bride was attired in a handsome gown of white Roman embroidery, trimmed with white satin and pearls. After the ceremony the bridal party repaired to the dining room, where a dainty dinner was served, the room and tables being decorated in green and white effects. The bride was the recipient of numerous testimonials of love and esteem from her large circle of friends. Mr. and Mrs. Horne left at 8.20 this morning for their new home on Wolfe Island. The bride's goingaway gown was of brown satin cloth with white hat.

Robert Gates, the young man who had his leg torn off on the steamer Alexandria, last week, and who succumbed to his injuries in Brockville general hospital, on Saturday, was a former resident of Gananoque, where he was for some time an employee of W. S. Macdonald, at Maple Croft Dairy farm.

Under the auspices of the Y.P.A. of St. Andrew's church, the Royal English Hand-Bell Ringers gave an excellent entertainment in the Opera House last evening.

The Ladies' Aid Of Grace church held a business session last evening at the home of Mrs. Horace Griffin, Garden street.

When the water was let into what is known as the Spring and Axle Co. canal, by the Water Power Co.'s employees, the bulk-head at the new D. F. Jones' Shovel factory's extension, which had been covered by inch sheeting, was, by the great pressure, crushed like an egg, rendering it necessary to shut the water off from the canal for the forenoon.

Rev. Fathers Derling and Jones opened a two weeks' mission in St. John's church on Sunday morning.

Miss Florence McArdle, First street, is confined to her home, seriously ill.

W. R. Willis, soloist cornetist with Lee's orchestra, left yesterday afternoon for Ogdensburg, N.Y., to assist the city band at the fair. Miss Nellie Nalon, Watertown, N.Y., is visiting her mother, Mrs. Nalon, Main street. Miss Violet Vandusen, guest of Mrs. George Little for the past few days, left for her home in Smith's Falls this morning.

GRAND OPERA HOUSE.

"The Girl of My Dreams" is a Splendid Production.

"The Girl of My Dreams" pleased a large audience at the Grand Opera House last evening, the chief reason for its popularity being that its music is by Rudolf Hoschna, composer of "Madame Sherry" and "The Three Twins." The piece is produced by a splendid company, and most of the female chorus is of tender age. No better mounted musical comedy has been seen here in recent years. That the audience approved the production was evident from the number of recalls. John Hyams and Leila McIntyre take the leading roles, the latter assuming that of a Quaker girl in a most pleasing manner. Hyams is a splendid comedian. The whole company is good.

"A Scrape O' The Pen."

A large and cultured audience witnessed the performance of "A Scrape o' the Pen" at His Majesty's Theatre, Sherbrooke, Que., on Saturday, and voted it to be, in many respects, superior even to Mr. Mouat's first success, "Bunty Pulls the Strings." So pronounced was the impression created that the company was loudly cheered after the performance and compelled to respond to a dozen curtain calls. The company is entirely Scotch. The costumes are quaint and the whole production full of atmosphere. It should be seen by every playgoer of Kingston to-night.

"The Kiss Waltz."

It is said that the Messrs. Schubert, who have sent many pretentious productions on tour, have surpassed all their previous efforts as to cast, production, costumic and scenic effects in their latest offering, "The Kiss Waltz," in which local playgoers are to see the noted beauty, Valeska Suratt, at the Grand on Wednesday, September 18th. There is a certain charm to this Viennese operetta that is as irresistible as it is delightful.

Fiske O'Hara Coming.

The romantic Irish play, "The Rose of Kildare," with the ever-popular Fiske O'Hara, in the principal role, will be the attraction at the Grand on Saturday, September 21st, matinee and night. This is a style of play in which the clever young tenor is very much at home, and the character which he is called upon to portray is one in which he has made his greatest success in other plays.

Pure spices, wax, rubber rings, corks, all sizes. McLeod's Drug Store.

In order to satisfy complaints made by residents of Ferguson avenue, Hamilton, with regard to the noise made by the shunting of engines in the company's yards, the Grand Trunk is offering to purchase nearly the entire east side of the avenue at twice the assessed value of the land.

"For Grippe and Colds," Lax-a-Cold at Gibson's.

According to a despatch from Edmonton, contracts for the material required in the construction of the Grand Trunk Pacific's new $1,500,000 hotel in that place during the coming year, will shortly be awarded.

TURKEY TO GET LARGE LOAN.

Other Details Have Practically Been Arranged.

Paris, Sept. 17.—The terms for peace between Italy and Turkey have been practically arranged with the exception of a proposed loan to Turkey of between 500,000,000 and 600,000,000 francs, concerning which Italy is now communicating with English, French and Belgian financiers, according to a telegram received by the Paris Temps from Rene Puaux, one of its editors at Geneva.

Accuse Troops of Atrocities.

St. Petersburg, Sept. 17.—The Novoe Vremya's Harbin (Manchuria) correspondent says that Mongolia is being subjected to Chinese horrors resembling the atrocities perpetrated by the savage hordes in the middle ages.

The Chinese troops, the correspondent declares, are massacring women and children to suppress the natural increase of Mongolians, while the adult Mongolians are being tortured by being roasted alive over slow fires. Six thousand Chinese troops are preparing to continue these atrocities throughout the winter, according to the correspondent.

Canadian Pacific telegraphers threaten to strike Sunday unless they receive fifteen per cent. wage advance.

MOTHERHOOD SUGGESTIONS

Advice to Expectant Mothers

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

THE SPORT REVIEW

QUEEN'S RUGBY PLAYERS NOT YET OUT.

Plans For Early Practice Have Fallen Through—What Other Rugby Teams are Doing—Baseball News.

It is now the 17th of the month and as yet Queen's has made no move with regard to getting the rugby players out for practice. The university will have a game the first week in next month and two weeks will not put the players in the shape they should be in. In the past it has been the great drawback at Queen's that the students do not return to college soon enough to get in shape for their opening game. Captain Erskine is here and doing his best to get the players out to practice. "Shorty" Pound, who played last season, will wear the tri-color again. Owing to the absence of Leckie from the back division Pound will be badly needed.

Collegiate Rugby.

The Collegiate boys are going to have a first-class team from the present look of things. The team will be practising in a few days. The following boys will turn out: J. Stewart, C. Stewart, R. Stewart (who is the captain of the team), McKay, "Jack" Evans, W. Evans, McKenzie, H. Cooke, and a number of others.

The Regiopolis Team.

Regiopolis College entered a team in the Intercollegiate rugby series, but as yet it has not done much with regard to getting the players into shape for the game.

Sunday School Baseball.

The baseball game in the S.S.A.A. series which was to have been played between Queen and Bethel seniors went to the latter team on account of Queen not turning up. The win last evening for Bethel practically gives them the championship. There are a few little matters to be decided upon and these will be settled at the executive meeting this evening. Bethel has played a fine game all season and is deserving of the trophy. In the junior series St. George's and Sydenham have yet to clash. These teams are now tied.

Kingston Bowlers Won.

Kingston bowlers won from Rockwood at the Rockwood green on Monday afternoon, by score of 16 to 15. An extra end was played. The teams:

Kingston—William Campbell, W. Jackson, E. Lyons, J. M. Elliott, skip—6.

Rockwood—T. Poole, W. Gowan, J. Davidson, R. S. Graham, skip—15.

In Rugby Circles

The semi-final Canadian rugby championship game will be between the winners of the inter-provincial and intercolleziate unions on inter-collegiate grounds, with the final game on the grounds of the Ontario union champions.

Ottawa College are wearing pants very much on the order of baseball breeches, only of heavier material and padded at the knees.

The Hamilton Tigers claim that they will have a team of dominion championship calibre this season. They have nearly all of last year's players, except Oliver and Ben Simpson, and in addition Billy Mallette, the sensational punting half of the Argonaut club will be with them.

The Ottawas may have Ben Stronach for the latter part of the season. The big Scot is now in the west, but expects to return about Oct. 25th.

Father Stanton's Ottawa College team will be well protected on the ends if Gilligan and Nagle live up to last season's form.

Frank Shaughnessy, McGill's coach, doesn't believe in carrying excess baggage on any football team. He claims that the interprovincial clubs use the majority of their scrimmagers and wing men as ornaments.

Dr. Eugene Galvin, of Buffalo, is the new coach of the Ottawa football club. He was recommended by Rev. Father Stanton, of the Ottawa university, and on Saturday he went to the Capital to talk business with President Sandy Cameron. Yesterday it was announced that he had come to terms with the Ottawas, and that he would take charge of the team on Wednesday.

The Montreal veterans are getting in line again. Roberts and Kelly were out Saturday, and the others are expected to be on hand Monday. There is a possibility that Ken Williams will be coaxed to don a uniform again this year.

Baseball Notes.

Toronto Globe: Some time ago Manager Ganzel, of Rochester, made the statement that he would divide $1,000 among his players should they beat Toronto four games in the final series here. No chance!

"Billy" O'Hara is the only native-born Torontonian with the Leafs. His double and triple in twice at bat on Saturday enabled the Kelleys to win. O'Hara has batted .300 all season, and his fielding has been sensationally good. The outfielder has had one of the best years of his career.

To win the International pennant the Leafs have to win three games this week in case Rochester win them all. Should Toronto only win two of the seven games and Rochester win all their games, the standing would be a tie, with 82 won and 64 lost. However, every game that Rochester loses from now on makes the Leafs' task an easier one, and should the Hustlers drop another to the Royals the Leafs can lose six out of the seven games this week and still be tie with Rochester for the leadership.

"Big Jeff" Tesreau, the Toronto pitcher of last season, has outshone both Marquard and Mathewson, of the Giants, during the past month. Tesreau pitched a three-hit game against the Chicago Cubs on Saturday and shut them out 5 to 0. He beat "Lurid Lew" Ritchie, who had not been beaten by the Giants this season. The former Leaf will be the pitching mainstay of McGraw's team against the Boston Red Sox in the world's series.

Weather Probabilities: Toronto, Ont., Sept. 17th, 10 a.m. Ottawa Valley and Upper St. Lawrence Fair today; showers and local thunder storms on Wednesday.
