## Council Approves 0.4 per cent Property Tax Reduction for Regional Programs and Services

For the fourth time in the last eight years (2008, 2010, 2011 and 2014) Regional Council has approved a reduction in taxes. We are one of the few municipalities in all of Canada that has actually reduced taxes. By maintaining our AAA credit rating and reducing our taxes we ensure Halton is competitive which attracts jobs and investment to our community. You can view the 2014 Budget and Business Plan online at [www.halton.ca/budget](http://www.halton.ca/budget).
