Ice Season Expected Earlier.

It is thought that the ice season this year will come early. Marine men are of the opinion that navigation will close earlier this year than last. On December 9th, 1913, the gas buoys in the Bay of Quinte were removed and this year they are already put away. Last week the steamer Scout had to come through some ten miles of ice in the Bay of Quinte east of Presque Isle Point light. Very few more grain boats are expected and, except for a few ferry steamers, navigation is almost closed now.

Collins-McGrane.

At an early hour Tuesday morning a happy ceremony was performed in St. Mary's cathedral by Rev. Father A. J. Hanley, when he united in marriage Miss Elizabeth McGrane, of Glenburnie, to Captain Walter Collins, of this city. The bride, who was tastily dressed in a gown of blue satin, was assisted by her sister as bridesmaid. Captain J. D. Mahoney, of this city, was groomsman. Near relatives of both contracting parties were present.

After the ceremony all repaired to the home of the bride, where a wedding breakfast was served, at which congratulations were expressed to the newly-weds. Later Mr. and Mrs. Collins left on the 12.42 train for western points, including Toronto, Niagara Falls and Buffalo. Upon their return the happy couple will take up residence at 43 Main street.
