QUEEN'S STATIONARY HOSPITAL, NO. 5.

It is necessary to appeal to all who are interested in the Queen's Hospital for financial assistance. The equipment supplied by the Government is as generous as can be expected but no provision is made for many things now regarded as absolutely necessary in a modern hospital and laboratory. The Medical Faculty will do its share, both as a Faculty and individually, but much more will be required. The fund for which appeal is now made is not for the benefit of the personnel of the hospital unit but directly for the sick and wounded, to provide the best possible facilities and equipment for the hospital and laboratory and for extra comforts for the men who will be cared for.

Those of us who stay at home have now an opportunity of contributing directly in aid of the wounded; towards the mitigation of suffering and restoration to health of those who are fighting our battles.

Contributions may be sent to Dr. Williamson, Secretary of the Faculty, who will act as Treasurer of the fund. All expenditures will be made by the Officer Commanding the Unit, in consultation with his staff, and statements will be made public of all such expenditures.

J. C. CONNELL,
Dean, Medical Faculty.

Dog Gathering at Queen's

What looked like an indignation meeting over Ald. Gillespie's dog by-law was held on Queen's upper campus about eight o'clock Saturday morning. The gathering consisted of about twenty-five dogs of various kinds, sizes and colors and their loud barks and yelps caused many residents in the locality to hope that the police and dog catcher would soon rid the district of this nuisance. One or two dogs regularly give a long loud midnight "howling" concert near Grant Hall.

Weather Notes.

Comparatively low pressure now covers the great lakes, attended by numerous showers in Ontario and Quebec, together with local thunder storms over Lake Erie. Showers have also occurred in many parts of Saskatchewan.

IN MILITARY CIRCLES

MILITARY ASSAULT-AT-ARMS ON APRIL 30TH.

Capt. W. E. Steacy Pays Men of "C" Battery Out Of His Own Pocket—The Queen's Stationary Hospital Officers.

The Garrison Assault-at-Arms will be held on April 30th in the Grand Opera House and it is expected that this will be even better than the one held in the Militia Y. M. C. A. Hall.

Through some irregularity in the Pay-Master-General's office the money for the soldiers has not arrived for a month. Capt. W. E. Steacy has paid the men of "C" Battery from his personal account.

"C" Battery will be used as an instructional battery according to the latest orders. The men and equipment will be used for the instruction of recruits going overseas.

Dr. W. G. Anglin, Dr. W. T. Connell and Dr. Garfield Platt are the civil surgeons who will accompany No. 5 Stationary Hospital (Queen's) oversea. Lieut. J. P. Quigley will be radiographer and Capt. J. Wallace, Lindsay, will be quartermaster.

The nursing sisters from Kingston will be Misses A. Baillie, G. B. Hiscock, B. M. Webber, H. Brydon, L. E. Pugh, M. J. Stewart, M. A. Lane, M. Abernethy, G. E. Reid, M. A. Bonter, N. Christie, R. Cornett, M. Stevens, and B. Rogers, Mrs. L. H. Kidd and Mrs. K. F. Robinson.

The officers of No. 5 Stationary Hospital (Queen's) were vaccinated on Friday.

G. Berry, who was pay sergeant in "B" Battery, R. C. H. A., last year and later transferred to the staff clerks has been made a warrant officer. He is now in France.

The 26th Battery has only twenty horses and no guns or equipment yet, and so only twenty drivers can be given instruction at a time. On Friday the drivers and gunners were chosen. B.S.M. Inst. Pennie in instructing the men in the different branches of the work. As soon as the 21st Battalion moves out, the battery will change its quarters from the Richardson building to Artillery Park, and more work can then be accomplished.

Every man in "C" Battery is giving a pair of socks for the soldiers at the front.

The 21st Battalion took a short route march on Saturday morning. The afternoon was a holiday for the men.

The men of the Battalion will play two baseball games on Saturday. The bugle band team will play the team from No. 4 Company and the right half of No. 2 Company will meet the left half of the same company.

Sergt. W. N. Campbell, Sergt. A. P. Williams and Corpl. H. N. Taylor have been granted machine-gun certificates.

Pte. James Wright, 14th Regiment Home Guard, has issued a challenge to any soldier in the city for a wrestling bout, best two out of three throws, the bout to be performed on April 30th.

An order has been issued that only the actual personal kit of oversea volunteers will be taken oversea.

A rifle competition was held on Barriefield ranges on Saturday afternoon. Seven rounds were fired at 200, 500 and 600 yard ranges. Fifty dollars in prizes will be awarded to the highest scorers.

A request has been received by the Militia Y. M. C. A. for magazines and reading material for the soldiers who are going overseas. The committee in charge of this work feel that there are many persons who would like to have a part in meeting this request. They ask that the friends co-operate by sending their used magazines, etc., to the Militia Y. M. C. A. Room, Ontario, Hall, not later than Wednesday, April 14th, where they will be boxed ready for the battalion when they leave Kingston. The committee in charge is W. H. Macnee, acting chairman; C. A. Macpherson, treasurer; F. W. Lillie, Militia Y. M. C. A. Secretary.

Rev. Dr. MacGillivray will speak in the Militia Y. M. C. A. Hall on Sunday at 8.30 p. m.

The twenty-one students of Queen's who have volunteered for oversea service left on the 1.03 o'clock on Saturday afternoon for Montreal where they will go into training with the remainder of the University Corps. A large number of students were at the train as well as a number of the men in No. 5 Company, Canadian Engineers, and they gave a hearty cheer as the train left the station.

FOR FIELD KITCHENS.

The Citizens Have Opened Up Subscription List.

As other Battalions of the Second Canadian Contingent have been equipped with field kitchens and the citizens of Kingston have opened a list for public subscription for this purpose for the 21st Battalion. Municipalities in this military division have given liberally and Kingstonians are subscribing handsomely to the fund as is evidenced by a few of the amounts printed below.

These kitchens cost about $1,250 apiece and five are required for the needs of a battalion. They have a thermos attachment which will keep food hot for twenty-four hours.

Anyone wishing to subscribe to this worthy object may send their subscriptions to the Whig office.

The following is a partial list of subscriptions already received:
