CONTROL OF LIQUOR IS DRURY'S PLAN

Newspaper Carries Despatch From Montreal, Ontario Is Staggering Under Hydro

Quebec, May, 9.—A special despatch to Le Soleil from Montreal states that the government of the province of Ontario has decided to assume control of the sale of liquors just as the province of Quebec has done. The despatch reads as follows:

"If it is averred that the province of Quebec has been at times the object of violent attacks, it finds its revenge today in the admiration which is expressed for it by those who, for political motive, or through prejudice, has tried to weaken its good credit.

"We learn from an authoritative source that the government of the province of Ontario, of which Mr. Drury is the prime minister, has decided to take control of the sale of liquors in that province.

"It appears that financial reasons have inspired this act, as a result of the fabulous cost of the hydraulic enterprise, which accounted for an appropriation of $75,000,000. Ontario, it is said, will be obliged to imitate the province of Quebec, where the liquor commission, properly organized and well conducted, reaps precious revenue, particularly during this period of crisis when budgets are so difficult to balance.

"A prominent politician, visiting Montreal, said in this connection: "The government of Ontario cannot do otherwise than follow the example of Quebec, where control has had such good results."

"At all events it is the only means that the Drury government has at its disposal to pay off the millions sunk in the Hydro.

"This news does not require any comment. It proves in a striking manner that the Taschereau law was the most practical and the wisest that could have been passed.

"Quebec started an admirable movement, which will probably extend to all the provinces of the dominion, and which probably will serve as a model for the United States."

Says Weather Too Fine To Send Men To Prison

Ottawa, May 9.—"The weather is too fine to send a man to penitentiary, which you deserve, but I will sentence you to six months in jail," stated Magistrate Roland Miller of Hull, in disposing of the charge of obtaining money under false pretences, laid against R. H. Simpson of Ottawa. Simpson was found guilty of having presented a worthless cheque for $150, and having received a loan of $22 on it.
